Expositor and Current Anecdotes ,1909 **Spiritual Home** Charles D. Cashdollar,2010-11-01 A Spiritual Home
explores congregational life inside British and American Reformed churches between 1830 and 1915 At a time when scholars
have become interested in the day to day experience of local congregations this book reaches back into the nineteenth
century a critically formative period in Anglo American religious life to examine the historical roots of congregational life
Taking the perspective of the laity Cashdollar ranges widely from worship and music to fund raising and administration from
pastoral care to social work from prayer meetings to strawberry festivals from the sanctuary to the kitchen Firmly rooted in
broader currents of gender class notions of middle class respectability increasing expectations for personal privacy and
patterns of professionalization he finds that there was a gradual shift in emphasis during these years from piety to fellowship
Based on records publications and memorabilia from about 150 congregations representing eight denominations A Spiritual
