WEINER, 1990 **Lordship Vs Discipleship** Dr. James W. Huntley, 2013-08-19 This book has been designed to culminate a study on our position with God as disciples We have not been chosen to assume the position as Lords We must not usurp the

position as a Lord We have not been chosen to be served but to serve therefore this book will explain in detail our callings and limitations as it refers to our position and anointing This book does not indicate how anointed you are It only references that your anointing cannot be any greater than God has chosen to give unto you This book will list in detail that authority has to be given and not taken Therefore as our Master and King God alone grants us the power and authority as he chooses to disseminate amid the Body of Christ This book has been designed to explain that we are not Lords but disciples A disciple is a follower and student of a mentor teacher or other figure The higher our calling the greater our servitude should be Additionally we are considered as Servant Leaders Servant leadership is both a leadership philosophy and set of leadership practices Traditional leadership generally involves the accumulation and exercise of power by one at the top of the pyramid By comparison the servant leader shares power but most importantly puts the needs of others first and helps people develop and perform as highly as possible Therefore I have attempted to reference in detail our positions and appointments and what the scripture indicates in reference to our responsibilities with that calling and position Although we are powerful and full of an anointing by God we must understand that whatever God has given we should utilize it to complete the work of God and not our personal agendas Furthermore it is not our will that should be implemented but that of God and him alone When we understand our position with God we can perform our duties with greater convictions and at a higher level     Lordship Floyd McClung,1996     Lordship and Discipleship Eduard Schweizer,1960 The New Testament contributors were courageous enough to be one sided They made their choice and preached the message in terms their hearers could grasp opposing clearly the special dangers of their time and place Must our younger generation or to take a quite different example the Japanese people first be converted to a Hebrew or Greek way of thinking in order to be able to receive the gospel Or may we without denying the old creeds proclaim the same truth in the West perhaps in terms of the meaning of God s acts for our existence and in Japan perhaps in quite different terms Publisher from the 2012 edition     *The Lordship Lifestyle: Book 1 - DISCIPLESHIP* Jesse B. Davis,2023-08-19 Are you finding it difficult to understand what it means to be a disciple of Jesus Christ Are you tired of just doing Church Are you convinced that the Christian life is meant to be more Are you ready to live the life you were meant to live Are you prepared to be challenged to live the Lordship Lifestyle This study will answer these questions and help you discover what it means to be an authentic disciple of Jesus Christ The Lordship Lifestyle is not just some curriculum to complete it is a way of life This study is designed to help the follower of Jesus Christ fully grasp what it means to be His disciple Jesus alone sets the standard for His followers This is a call for followers of Jesus to submit every aspect of their lives to His Lordship Dr Jesse B Davis draws on 33 years of experience ranging from pastor church planter coach business owner counselor and discipleship consultant Jesse has been described as a visionary always willing to take risks for God s Kingdom He is most widely characterized as one with passion for God His Word and for challenging others to live the life they were meant to live a Lordship Lifestyle Jesse holds a B A in Music a Masters in Theological Studies and a
