*How Women Help Men Find God* David Murrow, 2008-05-06 Help for women to understand men's spiritual needs why today's church doesn't meet them and how to successfully point them to God Women don't understand men's spiritual needs but they want to and desperately need to know what they can do and should not do to keep their men engaged at church In the follow up to his bestselling *Why Men Hate Going to Church* author David Murrow speaks directly to women to help them understand the real reasons men resist Christianity He offers a way of talking about faith that intrigues men instead of repels them and then challenges them to bring more risk and adventure to their own walk with the Lord

[Why Men Hate Going to Church](#) David Murrow, 2011-10-31 Church is boring It's irrelevant It's full of hypocrites You've heard the excuses now learn the real reasons men and boys are fleeing churches of every kind all over the world and what we can do about it Women comprise more than 60% of the adults in a typical worship service in America Some overseas congregations report ten women for every man in attendance Men are less likely to lead volunteer and give in the church They pray less share their faith less and read the Bible less In *Why Men Hate Going to Church* David Murrow identifies the barriers keeping many men from going to church explains why it's so hard to motivate the men who do attend and also takes you inside several fast growing congregations that are winning the hearts of men and boys In this completely revised reorganized and rewritten edition of the classic book with more than 70 percent new content explore topics like The increase and decrease in male church attendance during the past 500 years Why Christian churches are more feminine even though men are often still the leaders The difference between the type of God men and women like to worship The lack of volunteering and ministry opportunities for men The benefits men get from attending church regularly Men need the church but more importantly the church needs men The presence of enthusiastic men is one of the surest predictors of church health growth giving and expansion *Why Men Hate Going to Church* does not call men back to church it calls the church back to men
