Library,1974 It's Not Over 'Til It's Over Al Silverman,2004-01-27 Find inspiration in these enjoyable accounts of historic last minute victories both legendary and little known in the world of sports Booklist From a former editor of Sport magazine this book is a journey through a century of athletic endeavor from baseball to boxing and beyond filled with true stories that remind us of some of the qualities that can help to create a champion perseverance determination and hope Re creations of 13 dramatic sports events from the 20th century While Silverman has chosen to profile a handful of well documented events such as New York Giant Bobby Thompson s 1951 home run at the Polo Grounds the first Ali Frazier prizefight in 1971 and the 1980 US hockey team s Olympic victory over the Russians the real value of the book lies in his depiction of such obscure or neglected events as the 1923 boxing match between Argentine Luis Firpo and American Jack Dempsey and the 1968 Harvard Yale football game The best piece follows an unknown Native American Marine from Kansas who shocked himself and the world by winning the 10 000 meter road race at the 1964 Tokyo Olympics He often tracks down and interviews event participants to provide perspective from both the victor and the vanquished Publishers Weekly

What's My Name? Grant Farred,1997 *Floyd Patterson* Alan H. Levy,2008-10-06 Floyd Patterson delivered a number of knockout punches during his Hall of Fame career but it might have been the fights he won outside the ring that made him great Born in 1935 he overcame poverty and prejudice to become the youngest world heavyweight champion in history and he would later become the first man to regain the crown after losing it Muhammad Ali called Patterson the most skillful fighter he ever faced This first complete biography of the former heavyweight champion covers Patterson s meteoric rise as a boxer while giving equal attention to his life away from sport including his work as a civil rights activist in the 1960s Joining Ali and Joe Frazier as boxers who used their celebrity to bring attention to social issues he became an icon of the movement

An F. Scott Fitzgerald Encyclopedia Robert L. Gale,1998-11-19 F Scott Fitzgerald is one of the most challenging authors of American literature He is known internationally as the author of *The Great Gatsby* 1925 a twentieth century literary classic studied by high school students and scholars alike But Fitzgerald was an amazingly productive writer despite numerous personal and professional difficulties From the beginning of his literary career with the publication of *This Side of*

Paradise in 1920 to his death in 1940 he wrote 5 novels roughly 180 short stories numerous essays and reviews much poetry several plays and some film scripts Even when he wrote hastily and perhaps bleary eyed his works almost always exhibit the flashes of his genius He is celebrated as a symbol of the Jazz Age and the Roaring Twenties but beneath all the glitter for which his prose is famous he warns of the dangers of personal recklessness and praises the redemptive power of love Through hundreds of alphabetically arranged entries this reference book provides complete coverage of Fitzgerald s life and writings The volume begins with a chronology that traces his rise from obscurity to fame his struggles with alcoholism and his eventual financial downfall The entries that follow give a full and detailed picture of Fitzgerald and his work They present the essential action in Fitzgerald s novels short stories plays and poems identify all named fictional characters and indicate their significance and give brief biographical information for Fitzgerald s family members friends and professional associates Many of the entries include bibliographies which emphasize criticism published after 1990 and the volume closes with a general bibliography of the most important broad studies of Fitzgerald and his works A thorough index and extensive cross references provide additional access to the wealth of information in this reference book and help make it a useful tool for a wide range of users *Love, Action, Laughter and Other Sad Tales* Budd Schulberg,2012-06-13 Including stories from Schulberg s early work at Dartmouth in the 30s to his more recent pieces here is a haunting collection of short stories that largely deal with two of Schulberg s best known themes underdogs and Hollywood [Encyclopedia of American Literature](#) Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S [Joe Louis](#) Randy Roberts,2019-06-18 A humbling inspiring deeply emotional biography of the boxing legend who held the heavyweight world championship for more than eleven years Kirkus Reviews starred review Known as the Brown Bomber Joe Louis defended his heavyweight title an astonishing twenty five times Through the 1930s he got more column inches of newspaper coverage than President Roosevelt At a time when the boxing ring was the only venue where black and white could meet on equal terms Louis embodied Black America s hope for dignity and equality And in 1938 his politically charged defeat of German boxer Max Schmeling made Louis a national hero on the world stage Through meticulous research and first hand interviews acclaimed biographer Randy Roberts presents a complete portrait of Louis and his outsized impact on sport and country Digging beneath the simplistic narratives of heroism and victimization Roberts reveals an athlete who carefully managed his public image and whose relationships with both the black and white communities including his relationships with mobsters were deeply complex Roberts is a fine match with his subject He supports with powerful evidence his contention that Louis s impact was enormous and profound **The Boston Globe** **The Pussycat of Prizefighting** Andrew M. Kaye,2007-04-01 In 1926 Atlanta s Theodore Tiger Flowers became the first African American boxer to win the world middleweight title The next year he was dead More than an account of Flowers s remarkable achievements the book is a penetrating analysis of the cultural and historical currents that defined the terms of

Flowers's success Through the prism of prizefighting the author reveals the personal cost African Americans faced as they attempted to earn black respect while escaping white hostility What Makes Sammy Run? Budd Schulberg, 2011-05-25

What Makes Sammy Run Everyone of us knows someone who runs He is one of the symptoms of our times from the little man who shoves you out of the way on the street to the go getter who shoves you out of a job in the office to the Fuehrer who shoves you out of the world And all of us have stopped to wonder at some time or another what it is that makes these people tick What makes them run This is the question Schulberg has asked himself and the answer is the first novel written with the indignation that only a young writer with talent and ideals could concentrate into a manuscript It is the story of Sammy Glick the man with a positive genius for being a heel who runs through New York's East Side through newspaper ranks and finally through Hollywood leaving in his wake the wrecked careers of his associates for this is his tragedy and his chief characteristic his congenital incapacity for friendship An older and more experienced novelist might have tempered his story and in so doing destroyed one of its outstanding qualities Compromise would mar the portrait of Sammy Glick Schulberg has etched it in pure vitriol and dissected his victim with a precision that is almost frightening When a fragment of this book appeared as a short story in a national magazine Schulberg was surprised at the number of letters he received from people convinced they knew Sammy Glick's real name But speculation as to his real identity would be utterly fruitless for Sammy is a composite picture of a loud and spectacular minority bitterly resented by the many decent and sincere artists who are trying honestly to realize the measureless potentialities of motion pictures To this group belongs Schulberg himself who has not only worked as a screen writer since his graduation from Dartmouth College in 1936 but has spent his life literally in the heart of the motion picture colony In the course of finding out what makes Sammy run an operation in which the reader is spared none of the grue some details Schulberg has poured out everything he has felt about that place The result is a book which the publishers not only believe to be the most honest ever written about Hollywood but a penetrating study of one kind of twentieth century success that is peculiar to no single race of people or walk of life **Budd Schulberg** Nicholas

Beck, 2001 This is the first overview of Schulberg's career 1937-2000 his own autobiography Moving Pictures covers his life only to age 17 For more than six decades Budd Wilson Schulberg has known success in virtually every category of American writing Raised in the Hollywood of the 1920s as the privileged son of a pioneer studio mogul Schulberg achieved fame as novelist short story writer playwright Oscar winning screenwriter and boxing historian He also became a central figure in the entertainment industry's political turmoil of the 1940s and 50s fleeing first from the Communist Party's attempts to control his writing then testifying as a cooperating witness before the House Committee on Un American activities and finally emerging as a leader of the nation's non Communist Left Schulberg chronicled these events in the country's leading newspapers and intellectual journals He has also known and written about many other American writers and their difficulties in maintaining or recapturing early success Scott Fitzgerald Ernest Hemingway Nathanael West William Saroyan John

Steinbeck William Faulkner John O Hara Irwin Shaw and many other distinguished novelists and playwrights who were doing studio work     *Hollywood As Historian* Peter C. Rollins,2014-07-11 Motion picture images have influenced the American mind since the earliest days of film and many thoughtful people are becoming ever more concerned about that influence as about the pervasive influence of television In eras of economic instability and international conflict the film industry has not hesitated to use motion pictures for definite propaganda purposes During less troubled times the American citizen s ability to deal with political and social issues has been enhanced or thwarted by images absorbed in the nation s theatres *Hollywood As Historian* tracks the interaction of Americans with important motion picture productions Considered are such topics as racial and sexual stereotyping censorship of films comedy as a tool for social criticism the influence of great men and their screen images and the use of film to interpret history Opportunities for future study are suggested for those who wish to conduct their own examinations of American film in a cultural context *Hollywood As Historian* benefits from a variety of approaches Literary and historical influences are carefully related to *The Birth of a Nation* 1915 and *Apocalypse Now* 1979 two highly tendentious epics of war and cultural change How political beliefs of filmmakers affected cinematic styles is illuminated in a short survey of documentary films made during the Great Depression Historical distance has helped analysts to decode messages unintended by filmmakers in the study of *The Snake Pit* 1948 and *Dr Strangelove* 1964 While pluralism of approach has been encouraged balance has also been a goal a concern for institutional and thematic considerations never obscures matters of film aesthetics In twelve chapters dealing with more than sixteen films *Hollywood As Historian* offers a versatile text for classes in popular culture American studies film history or film as history The visual awareness promoted by this text has immediate application in that students can begin to consider the impact of motion pictures and television on their own lives The films considered *The Birth of a Nation* 1915 *The Plow that Broke the Plains* 1936 *The River* 1937 *March of Time* 1935 1953 *City Lights* 1931 *Modern Times* 1936 *The Great Dictator* 1940 *The Grapes of Wrath* 1940 *Native Land* 1942 *Wilson* 1944 *The Negro Soldier* 1944 *The Snake Pit* 1948 *On the Waterfront* 1954 *Dr Strangelove* 1964 *Who s Afraid of Virginia Woolf* 1966 and *Apocalypse Now* 1979     **Ebony** ,1972-06 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
