Distant Voices John Pilger, 2010-09-02. Throughout his distinguished career as a journalist and film maker, John Pilger has looked behind the official versions of events to report the real stories of our time. The centrepiece of this new expanded edition of his bestselling *Distant Voices* is Pilger's reporting from East Timor, which he entered secretly in 1993 and where a third of the population has died as a result of Indonesia's genocidal policies. This edition also contains more new material as well as all the original essays from the myth-making of the Gulf War to the surreal pleasures of Disneyland. Breaking through the consensual silence, Pilger pays tribute to those dissenting voices we are seldom permitted to hear.

Larry Brown Jean W. Cash, 2011-07-20. Winner of the 2011 Eudora Welty Prize. Larry Brown (1951-2004) was unique among writers who started their careers in the late twentieth century. Unlike most of them, his friends Clyde Edgerton, Jill McCorkle, Rick Bass, and Kaye Gibbons, among others, he was neither a product of a writing program nor did he teach at one. In fact, he did not even attend college. His innate talent, his immersion in the life of north Mississippi, and his determination led him to national success. Drawing on excerpts from numerous letters and material from interviews with family members and friends, *Larry Brown: A Writer's Life* is the first biography of a landmark southern writer. Jean W. Cash explores the cultural milieu of Oxford, Mississippi, and the writers who influenced Brown, including William Faulkner, Flannery O'Connor, Harry Crews, and Cormac McCarthy. She covers Brown's history in Mississippi, the troubled family in which he grew up, and his boyhood in Tula and Yocona, Mississippi, and in Memphis, Tennessee. She relates stories from Brown's time in the Marines, his early married life, which included sixteen years as an Oxford fireman, and what he called his apprenticeship period, the eight years during which he was teaching himself to write publishable fiction. The book examines Brown's years as a writer, the stories and novels he wrote, his struggles to acclimate himself to the fame his writing brought him, and his many trips outside Yocona, where he spent the last thirty years of his life. The book concludes with a discussion of his posthumous fame, including the publication of *A Miracle of Catfish*, the novel he had nearly completed just before his death. Brown's cadre of fans will relish this comprehensive portrait of the man and his work.
