Kenneth J. Panton

Lost Kingdoms Celtic Scotland And The Middle Ages:

Lost Kingdoms John Lenox Roberts,1997 This book follows the history of Celtic Scotland from the ancient kingdoms of the Picts and Scots to the downfall of Clan Donald at the end of the fifteenth century

The Penguin History of Britain: The Struggle for Mastery David Carpenter,2004-08-26 The two and a half centuries after 1066 were momentous ones in the history of Britain In 1066 England was conquered for the last time The Anglo Saxon ruling class was destroyed and the English became a subject race dominated by a Norman French dynasty and aristocracy This book shows how the English domination of the kingdom was by no means a foregone conclusion The struggle for mastery in the book s title is in reality the struggle for different masteries within Great Britain The book weaves together the histories of England Scotland and Wales in a new way and argues that all three in their different fashions were competing for domination

The Struggle for Mastery David A. Carpenter,2003 In this comprehensive synthesis canvassing the peoples economies religion languages and political leadership of medieval Britain Carpenter weaves together the histories of England Scotland and Wales

History, Literature, and Music in Scotland, 700-1560 Russell Andrew McDonald,2002-01-01 McDonald brings together contributions from scholars working in different disciplines but with a common interest in this history and society of Scotland between AD 700 and AD 1560

Premodern Scotland Joanna Martin,Emily Wingfield,2017 Offers fresh and ground breaking research into themes of good self and public governance in medieval Scottish and English literature

[The Fall of the Kingdom of Northumbria](#) Dr. Clifton Wilcox,2014-12-05 The Battle of Dunnichen is significant since it marked the turning point in the history of the Picts and marked their independence from the Kingdom of Northumbria Not only is this possibly the best documented event in the history of the Picts but it also allowed them to overthrow the Northumbrian rule and the dark shadow it cast over all northern peoples Without the leadership of King Bridei and his courageous followers Scotland as we know it may not have existed The battle also helped to define the Scottish English border that remains today a border that could have been pushed further north by the Northumbrians if they had not been stopped

Portmahomack Carver Martin Carver,2016-02-26 Portmahomack today is a serene fishing village on the Dornoch Firth north east Scotland where archaeological excavations have written a new history of the origins of Scotland This book brings alive the expedition and its discoveries most famously a monastery of the eighth century in the land of the Picts Starting from chance finds of a Pictish carved stone in St Colman s churchyard the archaeologists unearthed four settlements one on top of the other An elite farm was succeeded by the Pictish monastery which following a Viking raid in AD800 became a trading place and then a medieval village Scientific analysis shows at each stage where the people came from their life style and what they ate Together it creates a story of the heroic adaptation of a European nation to new politics between the sixth and sixteenth century The Picts were the outstanding sculptors of their day producing carved stone monuments equal to anything being made in contemporary Europe They were Britons who resisted the Romans invaders and created their own warrior nation in the north

east of the island Coming under pressure from the Scots and the Norse they disappeared from history in the ninth century AD Now archaeology is finding them again This massively updated new edition follows eight years intensive research on the huge assemblage of artefacts human bone animal bone and plant remains that were recovered This has revealed a world of high mobility rich in ideas and constantly changing its political orientation in a greater European context

Macbeth Before Shakespeare Benjamin Hudson,2023 Macbeth before Shakespeare is a history of the medieval King Macbeth and his legend that was the basis for William Shakespeare's Tragedie of Macbeth It traces the life of the real man and his important innovations while showing how different legends were created in subsequent eras

Clan Battles Chris Peers,2023-08-30 Warfare between the clans of the Highlands in the late Middle Ages determined the course of history in this region of Scotland and Chris Peers gripping account of it and of the rivalry between the strongest clans gives the reader a deep insight into this bloody turbulent phase in the development of the far north of the British Isles The battles he describes all of them fought between the 1430s and the 1540s were flash points in the long struggle for dominance between the leading clans of the region The battles are reconstructed in vivid detail The first Druim n Coub was fought in 1433 between the Mackays and the Sutherlands Then came Bloody Bay a sea fight between rival MacDonald factions Blar na Parc between the MacDonalds and the Mackenzies Creag an Airgid between the MacDonalds and the MacLains Glendale between the MacDonalds and MacLeods and Torran Dubh between alliances headed by the Mackays and Sutherlands The final battle Blar na Leine fought between the MacDonalds and the Frasers in 1544 marked the end of an era The subsequent fate of the leading clans principally the MacDonalds and Mackays is also covered in a narrative that gives the reader a fascinating new perspective of clan loyalties and conflict which still resonates today As well as covering the fighting Chris Peers explains the way war in the Highlands was organized by the contending clans during the period the strategies and tactics weapons and armor they employed The result is an absorbing all round account of the military history of the Highlands before the clans eventually lost their independence

World Monarchies and Dynasties John Middleton,2015-06-01 Throughout history royal dynasties have dominated countries and empires around the world Kings queens emperors chiefs pharaohs czars whatever title they ruled by monarchs have shaped institutions rituals and cultures in every time period and every corner of the globe The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present Efforts to overthrow monarchies or evade their rule such as the American French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access World Monarchies and Dynasties includes information on major monarchs and

dynasties from ancient time to the present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes

Scottish History: A Complete Introduction: Teach Yourself David Allan, 2015-04-23 Scottish History A Complete Introduction is a comprehensive guide to the exciting story of this nation from pre history right through to the present day With the question of Scottish independence once again on the agenda this book will allow you to trace the events both peaceful and bloody that have brought the country to this point Tracing events from the pre history of the land and the coming of the Scots to the rise of the Scottish National Party it provides an informative and accessible introduction to Scotland s history Whether it is the Jacobite Rebellion the advances of the Scottish Enlightenment or its role in WWI and WWII this is the perfect place to start

The New Penguin History of Scotland Robert Allan Houston, William Knox, National Museums of Scotland, 2001 The New Penguin History of Scotland brings together the work of Scotland s foremost historians in a volume that is essential reading for anyone interested in Scotland and her people Exploring the last 8 000 years of the country s history from the scarcely documented Neolithic period to the current state of the nation The New Penguin History of Scotland draws on the latest scholarship and a wide range of other disciplines archaeology social sciences economics science religion and literature With individual chapters written by a leading expert on each particular period The New Penguin History of Scotland illuminates the many ways in which the nation s history has shaped its national identity going beyond the stories of kings bishops and battles to bring to life the history of the country s environment family and community Lavishly illustrated this engaging book will quickly establish itself as the most authoritative and comprehensive history of Scotland available today

The Wallace Anne McKim, 2003-08-01 The Wallace catalogs the sheer brutality of war We are regaled with such detailed accounts of the sacking of towns and the burning down of buildings full of screaming inhabitants that the smells and sounds as well as the terrible sights of war are graphically conveyed in language which seems designed not only to express Wallace s rage and Hary s antipathy but also to incite hatred of the English in his readers

The Anglosphere Challenge James C. Bennett, 2007-04-03 Despite repeated predictions of the demise of America and the English speaking nations as the world s predominant culture James C Bennett believes that this gap will widen in the coming decades Coining the term anglosphere to describe a loose coalition based on a common language and heritage Bennett believes that traits common to these countries a particularly strong and independent civil society openness and receptivity to the world its people and ideas and a

dynamic economy have uniquely positioned them to prosper in a time of dramatic technological and scientific change In a wide ranging exploration back to the Industrial Revolution and into the future The Anglosphere Challenge gives voice to a growing movement on both sides of the Atlantic

Scotland: A History from Earliest Times Alistair Moffat,2015-09-22 In this book Alistair Moffat brings vividly to life the story of this great nation from the dawn of prehistory through to the twenty first century Ambitious richly detailed and highly readable Scotland A History From Earliest Times skilfully weaves together a dazzling array of fact and anecdote from a vast range of sources The result is an imaginative informative balanced and varied portrait of Scotland seen not just through the experience of the kings saints warriors aristocrats and politicians who populate the pages of conventional history books but also through that of ordinary people who have lived Scotland s history and have played their own important part in shaping its destiny

The Lost Dark Age Kingdom of Rheged Ronan Toolis,Christopher Bowles,2017-01-31 Trusty s Hill is an early medieval fort at Gatehouse of Fleet Dumfries and Galloway The hillfort comprises a fortified citadel defined by a vitrified rampart around its summit with a number of enclosures looping out along lower lying terraces and crags The approach to its summit is flanked on one side by a circular rock cut basin and on the other side by Pictish Symbols carved on to the face of a natural outcrop of bedrock This Pictish inscribed stone is unique in Dumfries and Galloway and southern Scotland and has long puzzled scholars as to why the symbols were carved so far from Pictland and even if they are genuine The Galloway Picts Project launched in 2012 aimed to recover evidence for the archaeological context of the inscribed stone but far from validating the existence of Picts in this southerly region of Scotland the archaeological context instead suggests that the carvings relate to a royal stronghold and place of inauguration for the local Britons of Galloway around AD 600 Examined in the context of contemporary sites across southern Scotland and northern England the archaeological evidence from Galloway suggests that this region may have been the heart of the lost Dark Age kingdom of Rheged a kingdom that was in the late sixth century pre eminent amongst the kingdoms of the north The new archaeological evidence from Trusty s Hill enhances our perception of power politics economy and culture at a time when the foundations for the kingdoms of Scotland England and Wales were being laid

Ayrshire Thorbjorn Campbell,2025-05-15 Ayrshire has a rich and varied history The region has been inhabited from earliest times as the remains of duns cairns and barrows show In the medieval period it played a key role in the emergence and consolidation of a unified Scotland and it was from one of Ayrshire s many powerful families that the Stewart line of kings emerged From this period there remain many castles and tower houses In more recent times great houses such as Culzean were rebuilt by the finest architects of their day and there are a number of important sites dating from the Industrial Revolution This book is both a narrative history and a guidebook featuring maps and plans as well as a detailed gazetteer enabling the visitor to locate and fully appreciate the many sites described

Historical Dictionary of the British Monarchy Kenneth J. Panton,2011-02-24 The monarch is the United Kingdom s head of state exercising powers that are circumscribed by common law convention and

statute law Nowadays many of the sovereign's functions are ceremonial but in the past the balance between ceremony and decision making was very different The foundations of the modern monarchy were laid more than a millennium ago in Anglo Saxon and Celtic Britain so its modern form is a stage in an evolution that has been shaped by attitudes towards divorce the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political power and territorial aggrandizement Covering some of the most famous figures in world history including William the Conqueror Henry VIII and Queens Victoria Elizabeth I and Elizabeth II the Historical Dictionary of the British Monarchy provides a chronology starting with the year 495 and continuing to the present day an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on significant persons places events institutions and other aspects of British culture society economy and politics This book is a must for anyone interested in the British monarchy

Outlaws of Medieval Scotland Russell Andrew McDonald, 2003 The history of the so called Canmore kings in Scotland from the reign of Malcolm III 1058-93 down to that of Alexander III 1249-86 is marked by an array of insurrections led by discontented dynasts and native warlords with grievances against these kings Although none of the challenges ultimately proved successful they nevertheless form a much neglected theme across a formative era of Scottish history which they in part define This book demonstrates that the Canmore kings maintained their grip on power in large measure through crushing rivals and quashing numerous insurrections their claim to be the founders of the medieval kingdom is valid but the roles of violence and military confrontations in the consolidation of their power and the formation of the medieval kingdom are given new emphasis here

Arran Thorbjorn Campbell, 2013-05-13 Arran is an archaeological and geological treasure trove of stunning scenic beauty Its history stretches back to the great stone circles more than 5 000 years old whose remnants still decorate the plains of Machrie Runic inscriptions tell of a Viking occupation lasting centuries Later in 1307 King Robert the Bruce began his triumphant comeback from Arran Subsequently the island was repeatedly caught up and devastated in the savage dynastic struggles of medieval Scotland After the 1707 Parliamentary Union came a new and strange upheaval unwarlike but equally unsettling Arran became a test bed for the new theories of the ideologists of the Industrial Revolution The ancient runrig style of farming gave way to enclosed fields and labour saving methods which eventually lead to the socially disastrous Highland Clearances to Arran and the misfortune of the times was culminated by the Great Irish Potato Famine of 1845 At last the area began to settle down through an increasingly stable mixture of agriculture and tourism in the 19th and 20th centuries In this book Thorbjorn Campbell gives an original fascinating and comprehensive account of Arran's long and eventful history
