LOST LEMON MINE

*According to legend, the legendary
miner who discovered it was a man of
great wealth and power.*

In the early 1900s, a man named
James W. Smith, who had been mining
for years in the area, discovered a large
deposit of silver and gold. He was
so excited that he named the mine
after his favorite fruit, the lemon.

The mine was very rich, and Smith
was able to make a fortune. He was
also a very successful businessman,
and he was able to make a lot of money
from the mine.

But the mine was not just a source of
wealth for Smith. It was also a source
of trouble. He was a very greedy man,
and he was willing to do anything to
get his hands on the money.

He was a very cruel man, and he was
willing to do anything to get his hands
on the money. He was a very greedy
man, and he was willing to do anything
to get his hands on the money.
