**The Heronmaster and other stories** Alex McGilvery, 2015-11-19 The Heronmaster is the second collection of Alex McGilvery's stories. They include the title story which is the tale of Leaper who grows from a tadpole to become a legend. Murder in the Woods is a noir style mystery with animals rather than people. Nick a young wolf is forced to seek out the answer to Bob the moose's disappearance. Sammy is the story of a young man on a cruise with his new car, the elderly man he takes with him and a red balloon. Madison's Meteor tells the story of Frank Madison, a farmer outside of the town of Madison which has fallen on hard times with the closing of the plant, the main employer for the town. Frank finds a meteor one night and changes start in both him and the town.

*Lost Pals!* Dean Davies, 2014-10-13 Dean Rhys or Taff to his mates has been AWOL from the British army for quite some time now along with his ex-recce team. What was left of them. Most of his recce team had died in the last adventure they had gotten mixed up in which had forced them to abscond from the British army. There were only three of them left now: Dean Rhys, Taff, Moose, and Dunc. A while ago whilst they were serving in Bosnia in the reconnaissance platoon they were following orders to set up an ambush coordinated and lead by a drunken platoon sergeant who had taken over instead of the platoon commander. Things went wrong. Their own ambush got ambushed. The team got involved with taking a hell of a large amount of silver bullion from the Serbs after some suspicious ugly killings. The UN went mad, international embarrassment occurred. The silver bullion was sneaked back to the UK, the platoon's corrupt platoon sergeant double crosses the recce team. Somehow the IRA got involved and the recce team decides to go AWOL to sort out the problems their own way. The team is hunted down by government agents across international waters. The team got away with it. They managed to escape on a high class boat to Brazil, captained by Dunk's uncle, another dodgy character. Dean has a female partner called Carmem, originally born in Brazil, she came to the UK a long while ago. Dean and Carmem both had their identities changed completely with the help of Brazilian black market friends. With all the money from the mission cleaned up and changed into a lot of different currencies, they both took over a local café. It was Carmem's dream. Dean and Carmem go off cruising around the world on their posh boat and their share of the money from the silver bullion. Dean's pal Duncan, after he has his identity changed, decides to drive round Brazil with his girlfriend. They decide to check out the Brazilian Amazon rain forest and go missing in there. Moose receives a coded message on his secure pager from Dunc asking for help. Dunc's vehicle found in the Amazon River. No bodies are found, there are strange tribal arrows in the tyres. Moose sends me a text on my pager asking for help. It takes too long to get back to Brazil on our boat. Moose had already left in search of Dunc. Carmem gets me help to find my pals. Three ex-soldiers from the Brazilian armed forces. I set off to the Amazon rain forest to find my lost pals.
