I Rise to Inspire Olivia Ansa-Sam Gavua, 2018-02-26 I Rise to Inspire will challenge you to persevere in your daily struggles; it will soothe and uplift you, bring a smile to your face, and ignite hope in you daily. It is your story, my story, our song, and our Journey. The poems on perseverance convict readers that there is a staying power in every soul. Readers are therefore encouraged not to be content with mediocrity but to strive hard and transcend every negative situation that comes their way. Furthermore, Men, Women, and children are called on to discover their unique potentials and roles in society and are inspired to answer to the call of duty in society when called on. Readers are also impressed on to love unconditionally and forgive.

The Agency of Access Amanda Cachia, 2024-12-13 In this book, Amanda Cachia argues that contemporary disabled artists make inequities in the museum more transparent by moving away from representations of disability. She argues that they instead create an art of access where they engage in institutional critique and demand agency, voice, empowerment, and social justice.

Transformations Mark William Pezzelato, 2011-08-16 We are not human beings having a spiritual experience; we are spiritual beings having a human experience. Teilhard de Chardin. Transforming who you are begins by exploring your inner being. Transformations: Your Inner Guide To Self Exploration leads the reader to an understanding of universal concepts and teachings. Each day with this book brings a new topic, inspirational quote, and reflection providing a basis for transforming one's life. Transformations traces the six phases of personal growth necessary to achieve a greater sense of self-worth, reduced stress levels, appreciation, acceptance, and an expansion of conscious awareness. Over the course of a year, Transformations is an effective day-by-day guide through the fundamental disciplines of thought, insights from ancient Chinese philosophy, feelings, and choices, chakras, and senses, and the wisdom of nature. By exploring your inner being and transforming to a more purposeful life, new possibilities of limitless potential will be opened to you. Now is the time to find your inner peace, fulfillment, and joy.
