Wee Rockets Gerard Brennan, 2013-12-05 A gang of fourteen year old hoods rampage through West Belfast indulging in violent street crime and mugging pensioners to pay for cider cigarettes and sweets Branded scum by a shocked community and pursued by a dogged local vigilante the young gangsters antisocial behaviour soon escalates into something much worse The Wire This is Barbed Wire A cheeky slice of urban noir a drink soaked drug addled journey into the violent underbelly of one of Europe's most notorious ghettos Wee Rockets makes The Outsiders look like the Teletubbies Colin Bateman For fans of A Clockwork Orange Kidulthood The Wire Boyz n the Hood or City of God set in Belfast and for anyone with an open mind about disaffected disenfranchised youth in modern urban society What they're saying Gerard Brennan stands apart from the Irish crime fiction crowd with a novel rooted in the reality of today's Belfast The author's prose speaks with a rare authenticity about the pain of growing up in a fractured society shot through with a black humour that can only come from the streets Wee Rockets is urban crime fiction for the 21st century and Brennan is a unique voice among contemporary Irish writers Stuart Neville In Wee Rockets Gerard Brennan has written a fast paced exciting story of West Belfast gang culture brimming with violence authentic street dialogue and surprising black humour This is a great debut novel Brennan takes us into the heart of Belfast's chav underclass in a story that lies somewhere in the intersection between The Warriors Colin Bateman and Guy Ritchie This is the first in what undoubtedly will be a stellar literary career Adrian McKinty Brennan impressed me hugely with his debut novella The Point and Wee Rockets has cemented my opinion that he belongs among the top rank of Northern Irish crime writers Loitering With Intent So assured and mature you'd think this was his eight or ninth book not one of his first Spinetingler Magazine This is a tremendous book and I urge you to read it I Meant To Read That From the author I think the main theme is that of nature versus nurture The characters are presented as products of their environment I don't think it's a judgemental book it simply shows you how these kids and adults react to certain situations The reader may not always approve of the action taken but hopefully they can understand what has informed it It's also an exploration into how good people can do bad things and bad people can do good I've purposely tried to blur that line so that the characters aren't simply black or white Morally they operate in shades of grey It's my hope that a character you hated in the first chapter can

grow into a hero by the final act and vice versa *Movie Roadshows* Kim R. Holston, 2013-01-01 This work examines a film distribution system paralleling the rise of early features and persisting until 1972 when *Man of La Mancha* was the final roadshow to require reserved seating Synonymous with Hollywood's star-studded premieres roadshows were longer and cost more than regular features making the experience similar to attending the legitimate theater Roadshows often epic in subject matter played selected usually only one theaters in major urban centers until demand decreased De rigueur by the 1960s were musical overtures intermissions entre acte and exit music and souvenir programs for sale in the lobby Throughout the text are recollections by people who attended roadshows including actor John Kerr and actresses Barbara Eden and Ingrid Pitt The focus is on roadshows released in the United States but an appendix identifies international roadshows and films forecast but not released as roadshows Included are plots contemporary critical reaction premiere dates production background and methods of promotion i.e. the ballyhoo **Billboard** ,1997-01-25 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Video Magazine* ,1998 **The Apocalyptic Paul** Jamie Davies, 2022-05-09 The Apocalyptic Paul is rapidly becoming one of the most influential contemporary approaches to the apostle's letters and one which has generated its share of controversy Critiques of the movement have come from all sides Pauline specialists scholars of Jewish and Christian apocalyptic literature and systematic theologians have all raised critical questions Meanwhile many have found it a hard conversation to enter not least because of the contested nature of its key terms and convictions Non-specialists can find it difficult to sift through these arguments and to become familiar with the history of this movement its most important contemporary voices and its key claims In the first part of this book New Testament scholar Jamie Davies offers a retrospective introduction to the conversation charting its development from the turn of the twentieth century to the present surveying the contemporary situation In the second part Davies explores a more prospective account of the challenges and questions that are likely to energize discussion in the future before offering some contributions to the apocalyptic reading of Paul through an interdisciplinary conversation between the fields of New Testament scholarship Second Temple Jewish apocalypticism and Christian systematic theology *TLA Video & DVD Guide 2004* David Bleiler, 2003-10-24 This is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see **Uncovering the Theme of Revelation in Romans 1:16-3:26** Marcus A. Mininger, 2017-09-19 Past study of Rom 1:16-3:26 focuses on individual salvation or on social relations and also produces a host of interpretative quandaries Marcus A Mininger develops a new approach which includes but goes beyond these foci by unearthing the theme of revelation that runs throughout Paul's argument largely unnoticed More than a proof of sin or of social equality Paul provides a survey of numerous visible revelations in which otherwise

invisible realities like God's wrath, the power of sin, and God's righteousness are seen through the observable effects they produce in different people. Read this way, the rationale of Paul's argument becomes quite clear, including for problem texts like Rom 2 and 3:1-8, as Paul proves that the gospel, not the law, overcomes sin's power and that God's righteousness always exists in contrast to the human condition in this age. From publisher's description: Hollywood v. Beauty and the Synchronicity of the Six Kirk Henderson, 2020-05-04. Hollywood v. Beauty and the Synchronicity of the Six presents the biographies of six movie actresses from the 1920s to the 1970s, with a single actress representing her decade of activity: Louise Brooks (1920s), Jean Harlow (1930s), Hedy Lamarr (1940s), Barbara Payton (1950s), Jean Seberg (1960s), and Sondra Locke (1970s). The synchronicity between the lives of these women is phenomenal, and their stories are as dramatic and exciting as any to come from that town, stretching all the way from complete ruination to thrilling triumph. Along the way, the story of movies in the Golden Age unfolds as six movie actresses try to survive in the most artificial place on Earth. The power elite of Hollywood could transform unknowns into movie stars or erase the famous into oblivion. Since beauty has its own innate power, it is inevitable these two entities would face off.
