musicians of that era Giles provides a new perspective on the music and poetry of Monteverdi's madrigals through the poetics of the marvellous In his madrigals Monteverdi created a reciprocity between poetry and music which encouraged audiences to contemplate their interactions and consequently to listen differently

Intratextuality and Latin Literature

Stephen J. Harrison, Stavros Frangoulidis, Theodore D. Papanghelis, 2018-10-08 Recent years have witnessed an increased interest in classical studies in the ways meaning is generated through the medium of intertextuality namely how different texts of the same or different authors communicate and interact with each other Attention although on a lesser scale has also been paid to the manner in which meaning is produced through interaction between various parts of the same text or body of texts within the overall production of a single author namely intratextuality Taking off from the seminal volume on Intratextuality Greek and Roman Textual Relations edited by A Sharrock H Morales Oxford 2000 which largely sets the theoretical framework for such internal associations within classical texts this collective volume brings together twenty seven contributions written by an international team of experts exploring the evolution of intratextuality from Late Republic to Late Antiquity across a wide range of authors genres and historical periods Of particular interest are also the combined instances of intra and intertextual poetics as well as the way in which intratextuality in Latin literature draws on reading practices and critical methods already theorized and operative in Greek antiquity

Green Thoughts, Green Shades Jonathan F. S. Post, 2002-02 What a delight it is to read these astute essays by poets one admires about poets one has treasured for years The critical intelligence and lively writing on every page should appeal to a wide audience Students of the Early Modern Lyric will find much to refresh their understanding the general reader will be seduced and rewarded Chana Bloch author of Mrs Dumpty and co translator of The Song of Songs This is a splendid collection shrewdly conceived and brilliantly executed which should be read by anyone who loves poetry As some of our most accomplished contemporary poets ruminate on the poetry of the seventeenth century they also illuminate the practices and possibilities of twenty first century poetry Michael Schoenfeldt author of Bodies and Selves in Early Modern England All poetry in English reaches back one way or another for its pith and sweetness to the sixteenth and seventeenth centuries There is always in every true poem some seed or element of that period honey of lute song or devotional bite I think that goes for Frank O'Hara and Allen Ginsberg for Elizabeth Bishop and Gwendolyn Brooks and Robert Lowell for Wallace Stevens and William Carlos Williams and Marianne Moore for Mark Strand and Frank Bidart and Louise Glück for C D Wright and Michael Palmer and for the young poets in college and high school You can hear it and feel it through infinite variations and that is why this book is a great idea Robert Pinsky former Poet Laureate of the United States I am delighted by Jonathan Post's collection There is no other collection or anthology of this sort or even remotely similar available to students of poetry of the past or to readers of contemporary poets Green Thoughts Green Shades is the liveliest collection of criticism I have read in a long time Richard Howard author of Trappings New Poems

Shipwreck Sea Jeffrey M. Duban,2019-04-12 Sappho in the words of poet Algernon Charles Swinburne 1837 1909 was simply nothing less as she is certainly nothing more than the greatest poet who ever was at all Born over 2 600 years ago on the Greek island of Lesbos Sappho the namesake lesbian wrote amorously of men and women alike exhibiting both masculine and feminine tendencies in her poetry and life What's left of her writing and what we know of her is fragmentary and thus ever subject to speculation and study The Shipwreck Sea highlights the love poetry of the soulful Sappho the impassioned Ibycus and the playful Anacreon among other Greek lyric poets of the age 7th to 5th centuries BC with verse translations into English by author Jeffrey Duban The book also features selected Latin poets who wrote on erotic themes Catullus Lucretius Horace and Petronius and poems by Charles Baudelaire with his milestone rejoinder to lesbian love Lesbos and in the same stanzaic meter a turn to the consoling power of memory in love's more frequently tormented recall Le Balcon Duban also translates selected Carmina Burana of Carl Orff the poems frequently Anacreontic in spirit The book's essays include a comprehensive analysis with a new translation of Horace's famed Odes 1 5 To Pyrrha in which the theme of love's shipwreck predominates and an opening treatise length argument exploring painting sculpture literature and other Western art forms on the irrelevance of gender to artistic creation No Homer was not a woman and it would make no difference if she were Twenty full color artwork reproductions masterpieces in their own right illustrate and bring Duban's argument to life Finally Duban presents a selection of his own love poems imitations and pastiches written over a lifetime these composed in the classical mode which is the leitmotif of this volume The Shipwreck Sea is a delightful and continually thought provoking companion to The Lesbian Lyre both books vividly demonstrating that classicism yet thrives in our time despite the

modernism marshaled against it **Communication Yearbook 23** Michael Roloff, 2012-03-22 Communication Yearbook 23 originally published in 2000 includes discussions about the relationship between communication and the emotional processes The authors do not confine the reviews to research conducted in a single context but instead draw upon scholarship that informs about shame and guilt in intimate family organizational and public discourse Also explored is literature on compliance resistance and the emotional reactions that accompany resistance Other reviews address issues involving communication about sexual harassment in the workplace cross cultural influences on management styles and the mass media's role in encouraging change in body shape Offering a tremendous variety of in depth analyses of communication scholarship in a broad array of research areas this is a vital sourcebook for researchers teachers and students alike

Pastoral Drama and Healing in Early Modern Italy Federico Schneider, 2016-05-13 Pastoral Drama and Healing in Early Modern Italy represents the first full length study to confront seriously the well rehearsed analogy of the pastoral poet as healer Usually associated with the edifying function of the Renaissance pastoral this analogy if engaged more profoundly raises a number of questions that remain unanswered to this day How does the pastoral heal How exactly do the inner workings of the text cater to the healing What socio cultural conventions make the healing possible What are the major problems that pastoral poetry as mimesis must overcome to make its healing morally legitimate In the wake of Derrida's seminal work on the Platonic pharmakon which has in turn led recent criticism to formulate a much more concrete understanding of the theater drug analogy the stringent approach to the therapeutic function of the Renaissance pastoral offered in this work provides a valuable critical tool to unpack the complexity contained within a little understood cliché

The Roxburghe Ballads, Etc Ballad Society (London), 1893 **Ennobling Love** C. Stephen Jaeger, 2010-08-03 Richard Duke of Aquitaine son of the King of England remained with Philip the King of France who so honored him for so long that they ate every day at the same table and from the same dish and at night their beds did not separate them And the King of France loved him as his own soul and they loved each other so much that the King of England was absolutely astonished at the vehement love between them and marveled at what it could mean Public avowals of love between men were common from antiquity through the Middle Ages What do these expressions leave to interpretation An extraordinary amount as Stephen Jaeger demonstrates Unlike current efforts to read medieval culture through modern mores Stephen Jaeger contends that love and sex in the Middle Ages relate to each other very differently than in the postmedieval period Love was not only a mode of feeling and desiring or an exclusively private sentiment but a way of behaving and a social ideal It was a form of aristocratic self representation its social function to show forth virtue in lovers to raise their inner worth to increase their honor and enhance their reputation To judge from the number of royal love relationships documented it seems normal rather than exceptional that a king loved his favorites and the courtiers and advisors clerical and lay loved their superiors and each other Jaeger makes an elaborate accessible and certain to be controversial case for the centrality of friendship and

love as aristocratic lay clerical and monastic ideals Ennobling Love is a magisterial work a book that charts the social constructions of passion and sexuality in our own times no less than in the Middle Ages *The Severed Word* Marina Scordilis Brownlee, 2014-07-14 In this wide ranging study Marina Scordilis Brownlee investigates the importance of the letter often a complex interplay of objectivity and subjectivity in the establishment of novelistic discourse She shows how Ovid's *Heroides* explore the discourse of epistolarity in a way that exerted a lasting effect on Italian French and Spanish works of the Middle Ages and Renaissance especially on the fifteenth century Spanish *novela sentimental* or sentimental romance Presenting this proto novelistic form as a highly original rewriting of Ovid Brownlee demonstrates that its language model interrogates rather than affirms the linguistic referentiality implied by romance Whereas the ambiguity of the sign had been articulated in fourteenth century Spain most notably by the *Libro de buen amor* it is the fifteenth century *novela sentimental* that fully grasps the existentially novelistically dire consequences of this ambiguity And in the process of deconstructing the referentiality that underlies romance the *novela sentimental* reveals itself to be a discursively essential step in the evolution of the modern novel Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Courtly Love Undressed** E. Jane Burns, 2014-07-09 Clothing was used in the Middle Ages to mark religious military and chivalric orders lepers and prostitutes The ostentatious display of luxury dress more specifically served as a means of self definition for members of the ruling elite and the courtly lovers among them In *Courtly Love Undressed* E Jane Burns unfolds the rich display of costly garments worn by amorous partners in literary texts and other cultural documents in the French High Middle Ages Burns reads through clothes in lyric romance and didactic literary works vernacular sermons and sumptuary laws to show how courtly attire is used to negotiate desire sexuality and symbolic space as well as social class Reading through clothes reveals that the expression of female desire so often effaced in courtly lyric and romance can be registered in the poetic deployment of fabric and adornment and that gender is often configured along a sartorial continuum rather than in terms of naturally derived categories of woman and man The symbolic identification of the court itself as a hybrid crossing place between Europe and the East also emerges through Burns's reading of literary allusions to the trade travel and pilgrimage that brought luxury cloth to France
