## **Love In A Proper City:**

**The city banker; or, Love and money. By the author of 'Whitefriars'.** Emma Robinson, 1856      The City of God St. Augustine of Hippo, 2012 This volume is accurately annotated including an extensive biography of the author and his life working interactive footnotes De Civitate Dei full title De Civitate Dei contra Paganos translated in English as The City of God is a book of Christian philosophy written in Latin by Augustine of Hippo in the early 5th century AD It is one of Augustine's major works standing alongside his The Confessions On Christian Doctrine and On the Trinity Augustine is considered the most influential Father of the Church in Western Christianity and The City of God profoundly shaped Western civilization Augustine wrote the treatise to explain Christianity's relationship with competing religions and philosophies as well as its relationship with the Roman government with which it was increasingly intertwined It was written soon after Rome was sacked by the Visigoths in 410 This event left Romans in a deep state of shock and many saw it as punishment for abandoning traditional Roman religion for Catholic Christianity It was in this atmosphere that Augustine set out to console Christians writing that even if the earthly rule of the Empire was imperiled it was the City of God that would ultimately triumph Augustine's eyes were fixed on Heaven a theme of many Christian works of Late Antiquity from wikipedia.com      **Digging in the City of Brotherly Love** Rebecca Yamin, 2023-09-08 This archaeological investigation into eighteenth and nineteenth century Philadelphia includes updates and three new chapters covering recent developments recognition of unmarked African American and other burial grounds discoveries in the path of Interstate 95 construction and findings from the excavation of the site of the Museum of the American Revolution      A Guide to the Holy City. Or, directions and helps to an holy life, etc John Reading, 1651      **More Than a Labour of Love** Meg Luxton, 1980 Originally published in 1980 this new edition of More Than a Labour of Love is the first of our Women's Press Classics series which celebrates our most enduring titles Based on participant observation and in depth interviews this book describes the work women do in their homes caring for children and partners and maintaining the house It shows how their lives are shaped by domestic responsibilities and challenges the ways in which their work is neither recognized nor valued Arguing that the work they do is socially necessary and central to the economy it calls for a transformation of current social and economic relations      **History of Political Philosophy** Leo Strauss, Joseph Cropsey, 2012-06-15 Designed for undergraduate students a historical survey of the most important political philosophers in the Western tradition This volume provides an unequalled introduction to the thought of chief contributors to the Western tradition of political philosophy from classical Greek antiquity to the twentieth century Written by specialists on the various philosophers this third edition has been expanded significantly to include both new and revised essays      Selected Philosophical Writings Saint Thomas (Aquinas), 1998 St Thomas Aquinas 1225-1274 saw religion as part of the natural human propensity to worship His ability to recognize the naturalness of this phenomenon and simultaneously to go beyond it to explore spiritual revelation makes his work fresh and highly readable today While drawing

on a strong distinction between theology and philosophy Aquinas interleaved them intricately in his writings which range from an examination of the structures of thought to the concept of God as the end of all things This accessible new translation chooses substantial passages not only from the indispensable Summa Theologiae but from many other works fully illustrating the breadth and progression of Aquinas's philosophy

*Sex and Love in Porfirian Mexico City* Michael Matthews, 2025-05-06 Exploring the sexual lives of the poor and working class in turn of the century Mexico This social history explores the romantic and sexual lives of the poor and working class in Mexico City during the rule of dictator Porfirio Díaz from 1876 to 1911 By analyzing sexually based crime cases and stories in the penny press Michael Matthews sheds light on everyday struggles joys and desires Matthews argues that lower class individuals had more liberated sexual lives than their wealthier counterparts influenced by the city's growth and cultural changes In this book Matthews examines how Mexico City's expanding infrastructure increasing factory work and new leisure and entertainment activities shaped courtship and sexual practices He delves into the world of tenement buildings and street life to reconstruct days defined by love and desire romance and rape seduction and sex work and promises kept and broken Matthews connects the sexual culture of the poor to the changes taking place as the Mexican state modernized and underwent tremendous capitalist growth and development *Sex and Love in Porfirian Mexico City* provides insights into how social and economic developments shaped cultural norms surrounding honor marriage morality and parental authority during this period It will spur new reflections on the possible influence of lower class culture on modern day romance and sexual values

**Love in a Fallen City** Eileen Chang,2006-10-10 Masterful short works about passion family and human relationships by one of the greatest writers of 20th century China A New York Review Books Original A giant of modern Chinese literature The New York Times With language as sharp as a knife edge Eileen Chang cut open a huge divide in Chinese culture between the classical patriarchy and our troubled modernity She was one of the very few able truly to connect that divide just as her heroines often disappeared inside it She is the fallen angel of Chinese literature and now with these excellent new translations English readers can discover why she is so revered by Chinese readers everywhere Ang Lee

Eileen Chang is one of the great writers of twentieth century China where she enjoys a passionate following both on the mainland and in Taiwan At the heart of Chang s achievement is her short fiction tales of love longing and the shifting and endlessly treacherous shoals of family life Written when Chang was still in her twenties these extraordinary stories combine an unsettled probing utterly contemporary sensibility keenly alert to sexual politics and psychological ambiguity with an intense lyricism that echoes the classics of Chinese literature Love in a Fallen City the first collection in English of this dazzling body of work introduces American readers to the stark and glamorous vision of a modern master The Feast of Love Charles Baxter,2009-05-14 National Book Award Finalist A superb novel that delicately unearths the myriad manifestations of extraordinary love between ordinary people from one of our most gifted writers Chicago Tribune and the winner of the PEN Malamud Award A near perfect book as deep as it is broad in its humaneness comedy and wisdom The Washington Post The Feast of Love is just that a sumptuous work of fiction about the thing that most distracts and delights us In a re imagined Midsummer Night s Dream men and women speak of and desire their ideal mates parents seek out their lost children adult children try to come to terms with their own parents and in some cases find new ones In vignettes both comic and sexy the owner of a coffee shop recalls the day his first wife seemed to achieve a moment of simple perfection while she remembers the women s softball game during which she was stricken by the beauty of the shortstop A young couple spends hours at the coffee shop fueling the idea of their fierce love A professor of philosophy stopping by for a cup of coffee makes a valiant attempt to explain what he knows to be the inexplicable workings of the human heart Their voices resonate with each other disparate people joined by the meanderings of love and come together in a tapestry that depicts the most irresistible arena of life Crafted with subtlety grace and power The Feast of Love is a masterful novel Resurrection City Peter Heltzel,2012-11-23 In Resurrection City Peter Heltzel paints a prophetic picture of an evangelical Christianity that eschews a majority mentality and instead fights against racism inequality and injustice embracing the concerns of the poor and marginalized just as Jesus did Placing society s needs front and center Heltzel calls for radical change and collective activism modeled on God s love and justice In particular Heltzel explores the social forms that love and justice can take as religious communities join together to build beloved cities He proclaims the importance of improvising for justice likening the church s prophetic ministry to jazz music and develops a biblical theology of shalom justice His vision draws inspiration from the black freedom struggle and the lives of Sojourner Truth Howard Thurman and Martin Luther King Jr Pulsing with hope and beauty Resurrection City compels evangelical Christians to begin a global movement for love and justice that truly embodies the kingdom of God Of the City of God. With the Commentaries of J.L. Vives, and the Life of the Author by Alban Butler Saint Augustine (of Hippo),1822 **The Way to Love** Matt Boswell,2018-09-04 Love people An oft proclaimed rallying cry for Christians but what does it look like in practice to love We may believe that love is the greatest 1 Cor 13 13 Love may be our destination But do we know how to get there This book addresses essential questions about the Christian life What is a true

compelling and helpful Christian understanding of love What is spiritual growth supposed to do to us or for us or for others through us How can we speak of grace and personal initiative in one theological vision How do we go beyond a spirituality that is either too privatized and insular or too activist without the undergirding character needed to sustain such activism How do we ensure love is not simply a principle we hold or a slogan we applaud but a powerful force that perpetually grows in us and ripples out to others in concrete transformative ways This book is a guide to love Drawing on virtue ethics psychology theology and spirituality it offers a love centered hopeful vision of the Christian spiritual life The story in which God invites us to live is about a journey of love toward love Is this your story      City of God St. Augustine, 1958-01-19 No book except the Bible itself had a greater influence on the Middle Ages than City of God Since medieval Europe was the cradle of today's Western civilization this work by consequence is vital for understanding our world and how it came into being Saint Augustine is often regarded as the most influential Christian thinker after Saint Paul and City of God is his masterpiece a cast synthesis of religious and secular knowledge It began as a reply to the charge that Christian otherworldiness was causing the decline of the Roman Empire Augustine produced a wealth of evidence to prove that paganism bore within itself the seeds of its own destruction Then he proceeded to his larger theme a cosmic interpretation of in terms of the struggle between good and evil the City of God in conflict with the Earthly City or the City of the Devil This the first serious attempt at a philosophy of history was to have incalculable influence in forming the Western mind on the relations of church and state and on the Christian's place in the temporal order The original City of God contained twenty two books and fills three regular sized volumes This edition has been skillfully abridged for the intelligent general reader by Vernon J Bourke author of Augustine's Quest for Wisdom making the heart of this monumental work available to a wide audience      **St. Augustine's 'City of God' #1 (De civitate dei)** Apostle Arne Horn, 2017-10-03 Preface explaining his design in undertaking this work The glorious city of God is my theme in this work which you my dearest son Marcellinus suggested and which is due to you by my promise I have undertaken its defence against those who prefer their own gods to the Founder of this city a city surpassingly glorious whether we view it as it still lives by faith in this fleeting course of time and sojourns as a stranger in the midst of the ungodly or as it shall dwell in the fixed stability of its eternal seat which it now with patience waits for expecting until righteousness shall return unto judgment and it obtain by virtue of its excellence final victory and perfect peace A great work this and an arduous but God is my helper For I am aware what ability is requisite to persuade the proud how great is the virtue of humility which raises us not by a quite human arrogance but by a divine grace above all earthly dignities that totter on this shifting scene
