**Travelling Light: Masonic Meditations on the Search for Illumination** Jonti Marks,2023-04-04 Almost the first thing that we ask for as newly made Freemasons is light From that moment we are led through the teachings of the Craft until as Master Masons we face the ultimate test of our courage and fidelity only to be told that all the light we have thus far accumulated is but darkness visible And so we start to ask if the light of this world is only darkness visible what is true light Where does it come from How do we acquire it How do we benefit from it How do we use it for the benefit of others And how ultimately do we become it And so begins our quest      **Light and Truth - The Old Testament** Horatius Bonar,2023-09-01

God speaks to us through the Bible That Book embodies His words Creation itself is the visible embodiment of His power and wisdom It is the result of His words This Book of His is in a different way the effect of His speaking It is His written wisdom and power There is His voice to us The thunder and tempest are His loud voice of grandeur The sunshine and the gentle breeze are His still small voice But deeper clearer keener softer and still more penetrating than all of these is His written Word to us The Bible is what it is because it contains the words of God It is through the Word and in connection with it that God communicates with us The Word revives Your word has revived me Psalm 119 50 The word produces faith Faith comes from hearing Romans 10 17 The Word strengthens comforts heals nourishes and revives It gets into contact with each part of our souls and works its own work there And it does this because it is divine No human words could be trusted to work the work in a human soul so unrestrictedly It is not eloquence poetry nor argument but something more than all these together It is something peculiar and indescribable which man could not have formed and which he cannot understand that makes it so suitable for the soul of a foolish and sinful man      *365 Level steps Volume 2: Masonic Meditations for Every Day of Another Year* Jonti Marks,2025-01-31 This second compilation of books from the Masonic Meditations series brings together the full texts of Distant Peaks Travelling light and Widow s Sons as well as selections from Blessings of Peace Once again the author has set out to present a work that will accompany every mason through a full year of deep contemplation of the spiritual aspects of our beloved craft and which will be a vehicle for a daily advancement in meaningful and heartfelt knowledge
