Ethics and Business Bart Wernaart, 2021-05-26 Ethics in business is not a new topic and has been intensely discussed since the emergence of the so called limited companies However privatization technological and digital innovation changes in moral perception economic and financial crises and

globalization stir a more recent debate on how companies should behave in our societies This book starts from the position that ethics in business should imply an open debate on norms and values using a sound methodology to get there Ethics should cross borders not only the borders of a country but also the borders of someone's moral imagination Ethics should not only be about harmony but also about conflict and how to deal with that Ethics should be realistic and well substantiated by academic research Ethics should be used to understand the complexity of the world and the challenges companies struggle with on various levels Therefore this book is composed of three parts in which ethics is discussed at different levels In part one we discuss ethics at the level of the individual In part two we discuss ethics and business In the third part ethics is discussed in the context of a globalized world In each chapter we discuss the ethical complications of each topic from various and preferably opposing perspectives Each perspective is methodologically and academically substantiated Each chapter ends with an extensive literature list in which the original sources are listed for further reading Furthermore at the end of each chapter a summary is written in which the most important definitions and viewpoints are highlighted The frequent use of colorful and bold examples make this an accessible read for bachelor and master students at business schools and professionals in international business

Interpretation of Love Dennis Ngien, 2012-12-24. The ministry is more than preaching but preaching is its priority. This conviction is one Dr Ngien has lived and worked with. As a sequel to *A Faith Worth Believing*, *Commending and Living*, and *Giving Wings to the Soul*, *Interpretation of Love* God's Love and Ours is a third collection of sermons and talks preached with rigor and humor, reverence and relevance. Basic to the book is the assertion that the one possessed of a penetrating eye coupled with a compassionate heart could interpret and thus be an effective agency of love. We are saved not so that we might be good but so that we are God's chosen and set apart to be his holy beloved family. Because we are his we are to dress ourselves differently. Col 3:12-13. The wardrobe of the holy saints is full of love. The imperative of the new self is to reflect Christ's holiness in the way that we relate to each other. The selfishness that was at the core of our existence now gives way to a loving self-sacrifice for the good of others, resulting in a theology of radical reversal which is the theology of a holy life: i) compassion instead of contempt for or indifference to others; ii) kindness instead of malice; iii) humility instead of arrogance; iv) gentleness instead of rudeness; v) patience instead of anger; vi) forbearance instead of resentment; and vii) forgiveness instead of revenge. This is the fruit of Christ's redemptive act on the cross, manifest in those who live in joyous obedience and willful submission to the Holy Spirit. Readers will be drawn into the depth of biblical and theological truths presented with anecdotes and antidotes.

*Love Forbidden* Victoria Gem, 2017-11-20. When Belle's father died, he left her everything: his business, his estate, his money, and a wealth of knowledge. With her step-family determined to see her fail, she is equally determined to prove them wrong. Her only focus is her work; the only people she has made room for in her life are her Nan and her friends. But on a night out with friends, she meets a boyish and playful Parker Wilson who rocks her to her very core. She's determined to forget their encounter, determined to forget that he exists, but when he keeps showing up and keeps filling her with all kinds of needs that she doesn't want to feel, gives her all kinds of pleasure she never thought she would feel, she finds herself falling in love with him. Will Belle allow herself to fall? For Parker, the connection is instant. Belle does not want to be attracted to him, but she is determined to have her. He does not give up. For him, it was love at first sight; there was nothing he could do to stop it. It happened. He doesn't want to do anything to stop it from happening; he knows how he feels, and he knows deep down Belle feels the same way. She just has to admit it, she just has to let him in. And he's not going to stop until she does.
