Burrell Ph.D, 2013-04-09 This is a valuable book on the topical subjects of love sex and marriage from a practical Christian perspective The author uses clear understandable language to point out the God given purpose of sex in marriage and some of the potential dangers of sexual abuse He explores the early beginnings of new born babies and their subsequent growth over the years to puberty and adolescence Teenagers are like strangers in a foreign country They are experiencing a difficult period of transition between childhood and adulthood At this crucial stage of their development young people have a keen interest in fashion music and sex Many are sexually active and some begin to think about marriage and family life although they often confuse love with lust and they are not mature enough to assume the responsibility of parenthood      *Special Love / Special Sex* Robert S. Fogarty, 1994-10-01 Victor Hawley was a thirty year old dental assistant with a passion for collecting butterflies who fell in love with Mary Jones another colony member Because of the community s unique social and sexual practices however the two were kept apart and denied their request to have a child In the eyes of the community their love was unsanctified Instead on the order of colony founder John Humphrey Noyes Jones was subsequently impregnated by Noyes s son Fogarty effectively uses the diary to illuminate with particular clarity the largely ignored darker side of the community Thus this rare chronicle opens for radical

reinterpretation the Oneida Community's plan on procreation and the central role that sexual domination played in its history. Hawley's intense struggle to reconcile individual and community needs and desires illustrates a fundamental tension that characterized the community in the years immediately preceding its dissolution. In 1877, after twenty-three years at Oneida, Victor Hawley left the community with Mary Jones after he nursed her through an agonizing pregnancy that ended in stillbirth. They married, had five children, and lived on their own outside the embrace of Eden. From numerous entries in Hawley's secret diary, which were written in an arcane shorthand, Robert S. Fogarty successfully extracts some astonishing personal details which include descriptions of areas of community life never before revealed on such matters as religious commitment and experiments in eugenics. *Special Love, Special Sex* will be specifically of interest to scholars in utopian and communitarian studies and to social historians.

**The Bond of Love: Catholic Teaching on Marriage & Sexual Ethics** Willem Jacobus Cardinal Eijk, 2025-09-10. Contemporary attitudes toward marriage, family life, and human sexuality have undergone profound changes since the mid-twentieth century, spurred by a host of social and cultural factors. Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church. Indeed, Catholic teaching on the truth of marriage and human sexuality is open to strong criticism, including among groups of Catholics, and seems at best poorly understood. In *The Bond of Love*, Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the Church's teaching on marriage and sexual ethics, dispelling misconceptions and elucidating its truth with grace and clarity. As he demonstrates, far from being a set of arbitrary rules that constrain human freedom, this teaching is instead a deep wisdom for human flourishing, anchored in the truth of God and man, divinely revealed within Scripture, Tradition, and the Gospel. Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society. He follows this with an exposition of the fundamental starting point of the Church's teaching on the nature of marriage and sexuality, rooted in theological anthropology. Next, discussed is the virtue of chastity, the integration of the sexual faculties into the personality, and what it requires of both married and unmarried persons. The volume concludes by addressing practices and circumstances that violate the essence of marriage. This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors, teachers, and all of the Church's faithful striving to live in the love and communion that is grounded in Christ.

**Love and Sexuality in Social Theory** Emiliano Bevilacqua, Mariano Longo, Michael Hviid Jacobsen, 2024-11-27. *Love and Sexuality in Social Theory* considers the role that love and sexuality play in private and public life. Drawing on both classical and contemporary social theory, this book presents both theoretical and empirical studies of love and sexuality as social factors, from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love. With attention to the consequences that passions and desires have both on morals and behaviour, it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human

energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions
