Love is one of the choices Norma Klein,1984 Poems About Choices Jessica Cohn,2014-03-13 This book invites the reader to jump into a selection of poems about choices written by people from different places and times It gives the reader the keys needed to unlock poems It equips the reader to explore the meanings that a poem has and it explains the techniques poets use to create their effects

Love Is One of the Choices Norma Klein,1979 **Summa Theologiae, Prima Pars: Volume 1, The One God, QQ 1-26** Thomas Aquinas,Thomas de Vio Cajetan,2023-06-23 When Leo XII promulgated Aeterni Patris in 1879 he stipulated that the Leonine or official edition of the Summa should always be printed in conjunction with Cajetan s Commentary For five hundred years they were studied together Generations were trained by reading through the Summa article by article with Cajetan s commentaries in hand Early printed editions of the Summa typically included them in a Talmudic arrangement as marginal text running around each article by Aquinas This edition imitates that example Recently serious thinkers of all denominations and none have found new reasons to be interested in St Thomas His text is deceptively simple yet important issues are handled in every article sometimes below the surface Cajetan extracts these hidden issues and explains and elaborates on them with remarkable affinity to modern analytical philosophy Part of that affinity lies in the use of modal logic a tool whose importance was overlooked between the Renaissance and the twentieth century The time is ripe for an analytically inspired translation of Thomas hence this volume Never until now has Cajetan s Commentary been put into English in its entirety William Marshner s translation is consistent with fidelity to the technical force of the original The translator s footnotes acknowledge what empirical science has made obsolete in the work of St Thomas and also make clear how much today s science would have saved Thomas useless labor This volume will for the first time make Cajetan s help available to the modern reader

A Collection of Choice Music and Poetry, for Sabbath Schools and Gospel Meetings* Benjamin F. Nysewander,2024-05-04 Reprint of the original first published in 1881 **Love and its Critics** Michael Bryson,Arpi Movsesian,2017-07-10 This book is a history of love and the challenge love offers to the laws and customs of its times and places as told through poetry from the Song of Songs to John Milton's Paradise Lost It is also an account of the critical reception afforded to such literature and the ways in which criticism has attempted to stifle this challenge Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin amor love as an end in itself mutual and freely chosen even in the face of social religious or political retribution Neither eros nor agape neither exclusively of the body nor solely of the spirit this love is a middle path Alongside this tradition has grown a critical movement that employs a hermeneutics of suspicion in Paul Ricoeur's phrase to claim that passionate love poetry is not what it seems and should be properly understood as worship of God subordination to Empire or an entanglement with the structures of language itself in short the very things it resists The book engages with some of the seminal literature of the Western canon including the Bible the poetry of Ovid and works by English authors such as William Shakespeare and John Donne and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature Lively and enjoyable in its style it attempts to restore a sense of pleasure to the reading of poetry and to puncture critical insistence that literature must be outwitted It will be of value to professional graduate and advanced undergraduate scholars of literature and to the educated general reader interested in treatments of love in poetry throughout history **Christians Today—Questions—Choices We Make !** Charles
