March,2002 Rewriting Scotland examines six of the most influential and cutting edge contemporary Scottish writers as they redefine outmoded notions of Scottish identity From Irvine Welsh s windows into Scottish youth culture in Trainspotting to Janice Galloway s examinations of the duality of female isolation and empowerment this unique work reveals new explorations of Scottish gender politics sexuality voice and self awareness      *Looped* Andrew Winston,2009-03-01 A remarkably assured and accomplished debut novel that encompasses the bursting life of contemporary Chicago *Looped* tells the separate stories of a diverse group of Chicagoans black brown and white gay straight and bi as their lives unfold in diverging and occasionally converging ways over the course of the year 2000 Among the characters are the family of a middle class black postman whose runaway daughter has just learned she s pregnant a gifted half Vietnamese high schooler whose troubled father spies on the son he abandoned years earlier a tradition bound Greek diner owner whose upwardly mobile daughter embarrassed by her ethnic roots is snarled in a loveless marriage a gay chef whose shaky relationship is strained by the visit of his closeted lover s uncle a Catholic priest and the motley members of an up and coming band shaken by the breakup of its ambitious lead guitarist and his sexually confused songwriter girlfriend Ambitious sprawling engrossing multifaceted insightful and readable *Looped* explodes with a life and vitality that mirrors the multicultural reality of 21st century Chicago where the families that sustain us are more likely to be those we ve created than those we re born to

The Chronicles of My Unique Life Darlene House,2012-06 The author was raised in the San Fernando Valley of Southern California when the Valley was a wide open area of orange groves homes and estates The large estates were owned by the movie stars such as Roy Rogers and other stars in their heyday After marriage my husband and I desired to raise our family in a country atmosphere with a minuscule population We sold our first home in the valley in order to move to the tiny town of Acton in the mountainous countryside sixty miles north of Los Angeles The time line of book is 1928 to 2011 with many odd happening in our lives and unusual memories and pleasant days in the country We cleared the land put down a well and built our home ourselves and raised a family of four children Upon completion of the house it was necessary to move the home if we wished to continue living in it It was a new home and yes we wanted it but this proved to be frightening experience and a near tragic disaster This is only one of the many unusual happenings in our life in the country Unwanted animals are freely given to people who live in the country from friends In this manner we acquired a burro that soon gave birth to a strong baby burro on its first day of birth kicked our young son and knocked him down several dogs a beautiful horse and another burro

Life in the country was always surprising and a pleasant place to raise a family sometimes difficult but nice We knew friends in a circle of twenty miles in every direction Our two sons still live in Acton our daughters have moved to the beach cities in California

The Legend of Zippy Chippy William Thomas, 2016-04-05 From acclaimed humorist William Thomas comes the funny yet poignant story of a thoroughbred racehorse that lost 100 races in a row but in everyone's eyes became the ultimate winner On April 20 1991 at Capritaur Farms in Upstate New York Zippy Chippy strolled into the world He was born from American horse racing royalty Compliance his father was Kentucky Derby winner Northern Dancer his great grandfather Native Dancer the Preakness and Belmont Stakes winner and Listen Lady great granddaughter of Native Dancer Even before his birth the hopes not to mention the bill for his planned production for Zippy Chippy were high His pedigree was horse racing gold Northern Dancer Man o War Count Fleet Bold Ruler War Admiral and Buckpasser were all ancestors His success and glory seemed inevitable But moments after his birth Zippy Chippy struggled to his feet took two steps forward and stopped dead in his tracks He looked around took in his surroundings maybe indulged in a little daydream then promptly lay down for a nap in the straw And thus began Zippy Chippy's storied racing career Vince Lombardi one of the greatest NFL coaches of all time famously said Winning isn't everything it's the only thing These words have become the battle cry of athletes coaches and teams everywhere but over the years sports have taken on a literal interpretation of Lombardi's mantra Match fixing doping sabotage cocky and mean sportsmanship all in the name of winning have infiltrated and scandalized games teams reputations and newspaper headlines Yet since his first moments in the world Zippy Chippy ignored Lombardi and turned his nose at the concept of winning at all costs In fact he decided to not win at all losing over the course of his career 100 consecutive races at some of the greatest tracks in the country Belmont Park Aqueduct Finger Lakes and Suffolk Downs among them And he did so with his owner Felix Monserate by his side a man who refused to sell Zippy or even retire him simply because he couldn't come in first Soon Zippy's cheering squad grew to include people who enchanted by his story would travel from all over North America to watch him lose but then happily gallop back to his stable To them Zippy Chippy was just like them someone who wasn't an athlete with a million dollar contract or someone with movie star looks he was a creature who struggled who lost and who failed even the lowest of expectations But somehow he found a way to enjoy himself and eagerly return for the next race Told with laugh out loud wit and a lot of heart The Legend of Zippy Chippy is the story of the losingest racehorse in North American history a perpetual loser who would become the winning thoroughbred in professional horse
