THE BEAUTIFUL ILLUSION OF BEING IN LOVE Adrian Gabriel Dumitru, The book *The beautiful illusion of being in love* is a collection of writings with what is love about Starting from the philosophical idea that everything we see in life is just an illusion the book is defining the concept of love in the same way But the illusion itself is also named beautiful Falling in love is an experience that any human being must see with its own soul It can be a beautiful experience an illusion or a beautiful illusion The book is more like a collection of poems but the writer is not knowing to write poetry but only essays Trying to define love in many ways the essays speak about the beautiful illusion as part of the life maybe the most important part Defining is done in a micro and macro way but the love is always seen as something very beautiful The book could be a very nice reading for the ones that are in the dreaming period of a love story or the ones that want to understand love from a philosophical point of view Enjoy it **Rocco and Blossom A Love Story** Margie Lockwood,2013 Dr Carnavale
