Love Me With Stubborn Love:

Love Me with Stubborn Love Anne Ortlund, 2000-04-17 Here is a how to disciple book that shows clearly and practically how Christians can forge meaningful relations with other members of God's family. It is also a heartfelt why to book a powerful call for a spirit of unity and love within the body of Christ. Drawing on years of experience in churches and small groups, Anne Ortlund offers valuable specifics on forming small spiritual family groups that rejoice, suffer, pray, encourage, confess, forgive, and communicate with one another, combining the ingredients of small group gatherings: worship, Bible study, sharing prayer, and accountability. Solving problems in the home by applying principles used in learning to function as a spiritual family. Understanding the discipling process. You must be continually learning from someone who knows more than you do, and then you must be continually passing on what you know to someone who knows less. Practicing the new commandment, John 13:34-35, that translates into authentic biblical tough love for one another. Only a most blasphemous reader could get through this book without becoming genuinely excited. The author's enthusiasm for the church is expressed so cleverly so persuasively that it is bound to be contagious. Includes sample small group curricula for discipling men and women.

Stubborn Love Wendy Owens, 2014-01-15 A gripping novel about personal demons and discovering forgiveness for the unforgivable. Emmie had never grieved for her husband because she was too busy feeling guilty for his death. When she decides to head to art school in New York, she's sworn off men and focuses on escaping her past. She never anticipated her new sexy landlord being such a tempting distraction, though Colin had never met someone trustworthy, including his own family members. Women were no different. That's when she walked into his life. Emmie had no interest in him, which only made him want her more, and Colin always got what he wanted. Will Emmie's secrets and closed-off heart prove too much of a challenge even for the persistent Colin?

Stubborn Love Janet Whitson, 2022-02-19 One ex-black ops Marine. One stubborn single mom. And a stalker planning to teach her a lesson. After ending his stint with the Marine Corps, Jim Donovan dialed back his alpha attitude and befriended military widow Sally Johnston. That was three years ago. Now the new partner in Jim's veterinary clinic is hitting on Sally, and there's an unknown stalker on her tail. Following his own code of honor, Jim must protect the woman he loves but won't allow himself to chase her. She's going to have to come to him. Sally doesn't want protection or to fall in love. She'll consider a fling with Jim's new colleague, but Jim himself is off the menu. Keeping his friendship is more important. And the anonymous messages Sally won't play that game. She'll do what has worked for her in the past: ignore them until they stop. She and her son have made it fine so far. That isn't going to change now. But from the woods behind her home, cold eyes watch Sally's every move, and an unhinged mind plans vengeance for imagined sins. I previously published a steamy version of this story using my former pen name Susan Craig. I have rewritten it as a closed-door romantic suspense. I like it better this way, and hope you will too.

Dust,2017-09-09 Ever wondered about the connection between psychological and physical illness We sense that the mind and

the body don't exist in separate spheres that at some deep level they are fused and interrelate constantly in our daily lives. Finished Business takes our curiosity about this reality to a new level with a passionate focus on two psychosomatic phenomena: fibromyalgia syndrome and an eating disorder. The roots of these conditions are examined in one person's experience of complex childhood trauma. Employing the interdisciplinary lens offered by the powerful new method of Neuropsychanalysis, this volume confronts head-on the realities of early abuse, lost love, identity dysregulation, and physical illness. Reaching beyond it, it forges a means for repair, a healthy autonomy, and an experience of recovery. The memoir of Part One opens up wounds from the past and confronts the demons of childhood. Part Two describes a post-therapy period in which the examined life yields the first fruits of a recovery. Part Three engages some of the most exciting, cutting-edge knowledge of the brain available today and connects critical issues concerning trauma and health with a nascent neuroscience of the whole person. Part Four, titled Afterthoughts, deals with memory reconsolidation, epigenetics, dissociation, and the creative unconscious. Finished Business will appeal to those who know the rigors of mind-body challenges to clinicians, researchers, and indeed to anyone who has pondered the enigmas of our mesmerizing body-brain-mind existence.

The Man that Most Loved You, 2022-01-02. SOME ROMANCES ARE MORE THAN LOVE. THEY'RE RELATIONSHIPS THAT SHAPE AND MOLD POSSIBILITY, THE VERY CORE OF A LOVE THAT ENDURES ALIENATION AND A FIGHT FOR ITS EXISTENCE. The Man That Most Loved You is a very special romantic gay love novel that actually happened. Jonatan and Bryan fall in love through an App to find love, which found them. Jonatan, 18 years old, and Bryan Schafer, 26. Bryan, wanting to be a businessman, and Jonatan, a great successful writer, have a serious and lasting relationship with Bryan Schafer. Jonathan is a student writer; he writes many poems to his love, Bryan Schafer. Poems included in the novel. Bryan, living in Washington DC, and Jonatan in California. Regardless of the distance, love will make them know and love each other. They are so different: one likes adrenaline, bungee jump, modeling, wrestling, and the other likes literature. But the same love, so strong and beautiful. They will spend time together, but something will happen when they are so in love. From one day to the next, Bryan Schafer will leave without saying goodbye, a good man but who does not accept himself with insecurities about what his family has put in his mind throughout his life: prejudices, homophobia, not loving himself. Jonatan, without knowing why Bryan ruined everything, will try to find answers. It is a novel with many learnings about manipulation at a sentimental level, affective attachment, detachment, self-acceptance, and social acceptance for Bryan Schafer's sexual orientation, the homophobic ideology of a family, and Bryan's friends who oppose out of selfishness to Jonatan and Bryan's relationship and love. The Man That Most Loved You speaks of that hope that is difficult to extinguish even when everything is finished. The wait is so intense that Jonatan prefers to keep it all quiet and not damage the story any more in case that person decides to return. It seeks to put an end to discrimination and promote the right to love for people of the same sex through the characters, and the novel itself being a personal experience of the author. Jonatan realizes many things; he learns detachment.

and self love control and peace of mind that at the same time makes him more spiritual and grateful He will survive the battle of love and lack of love that will make him stronger and more determined in his life because he will realize that in a relationship there must be peace tranquility and harmony to see things clearly Jonatan s poet and incredible being will always be reborn from the ashes of the memory of his limiting love Bryan and his heartbreak What Bryan Schafer does not know is that Jonatan will never be the same again he will be better and he will be renewed The novel also talks about giving thanks Thank life God that the people who do not deserve to be in your life have left Sometimes we need to die a little in our thoughts and let go of the end of a stage for a new one to take place in our lives It is a novel that can help people to give more self esteem especially to people of the same sex who love each other love begins with oneself and we must not let anyone stop us from wanting to move on the novel says something like We should not let any ex love block our hearts when the relationship is over The novel focuses on self love and not letting your family get into your life The Guy in the cover picture is my ex love Bryan Schafer This Story is a true story about me and my ex lover Elements of Good & Happy Marriages Mvelo Tabeni,2022-10-10 Elements of Good and Happy Marriages is an excellent and practical tool to help with the working out of marriage It is like a mirror to look into it will help to reveal the true condition of your marriage but at the same time it will encourage you and guide you to a Good and Happy Marriage The quizzes after each chapter are very helpful and they encourage transparency and honesty It also encourages the couples to read and work through this book together

Engineer Liana Margiva,2020-09-10 Two days later Douglas called Lorena his best friend ever His words touched Lorena deeply she sat staring into the front yard through the glass door thinking of Douglas Little did she know then that she would never be able to shut him out of her soul that he would always be beside her in her dreams The cage she was confined to albeit temporarily hardly brought Lorena any joy but it couldn t prevent her from being carried away in her dream to the ocean beach next to Douglas They were on the beach side by side Lorena s eyes fixated on Douglas s smiley face Unable to speak mesmerized by his presence Lorena longed to touch his cheek caress his face but resisted the urge After a while feeling emboldened she uttered in a low voice almost whispered May I touch your face Douglas kept on staring at her smiling smartly as if knowing what was happening in Lorena s soul Certainly he whispered back and smiled again Lorena reached out slowly and run her shaky fingers gently across his cheek Douglas kept smiling then took Lorena by the hand and looked straight into her eyes He then reached out with his own hand and touched Lorena s cheek leaned over and gently kissed her on the lips Lorena closed her eyes she wanted to save this memory to be able to savor it to warm her soul once she became lonely once again
