Blahnik, MD, the Desert Doc,2024-07-24 This is the first of a three volume memoir in the author s provocative tell all journey to feature the artistic side of the human condition As such there are matters that go well beyond Dr Blahnik s professional career as a physician and scientist Yet they are the unbreakable rules of the Scientific Method that guide our deep understanding of the Darwinian evolution of the human mind the DNA driven emergence of the psychotic mental illnesses and what we call human creativity In this first volume the lively narrative quickly connects us to the author s True Love for the American desert lands indeed the desert is his mistress in particular Death Valley National Park Then the whimsical adventure travels to Europe to Paris and Berlin but also elsewhere along the way always with a keen interest and focus on thought provoking matters of history All three books have the words in their titles thy Death Valley House for Beatty Nevada It is the artist s legacy objective to build this house in the small historic mining town certified as the Gateway to Death Valley called Beatty Given the author s decades of experience in Death Valley as a professional landscape photographer his very long Chapter Six dramatically profiling the 1960s Charles Manson hippie cult in Death Valley Country is something whereby Dr Blahnik has been duly authorized to make the claim with confidence No one can tell this story of Charles Manson in Death Valley in the manner that I have Furthermore it is decidedly engaging and indeed surprising to observe the extent to which the history of some members of the cult serves as a foil to the author s character Imagine that Madonna Rebecca Gulick,1993 **Self Portrait** Annette

Hackney Evans,2014-01-10 Self Portrait is an empowering book for women who have searched for happiness in all the wrong places When artist Annette Hackney Evans only found fleeting happiness through relationships material things and accomplishments she was driven to discover the answer to a universal question How can I be happy more often For twenty five years Annette studied books written by or about the most the most influential people of our past and present Gathering quotes and stories into a scrapbook the secret the secret to her personal happiness revealed itself She compiled this timeless wisdom into Self Portrait and brings her storytelling to life through thirty fine art portraits of both ordinary and well known people To increase your happiness simply increase your grateful and loving thoughts Turn your life into a masterpiece through the gentle guidance of this creative extraordinary book Follow the 5 STEPS outlined and you will soon be living an authentically happy life For more information please visit www.annetteheevans.com *Madonna* Mary Gabriel,2023-10-10 New York Times Editors Choice One of NPR s Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years of her 1983 debut album a flagship Macy s store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna land But Madonna was more than just a pop star Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned down demeanor of the 1970s and feel relevant to a new generation Amid the scourge of AIDS she brought queer identities into the mainstream fiercely defending a person s right to love whomever and be whoever they wanted Despite fierce criticism she never separated her music from her political activism And as an artist she never stopped experimenting Madonna existed to push past boundaries by creating provocative visionary music videos films and live performances that changed culture globally Deftly tracing Madonna s story from her Michigan roots to her rise to super stardom master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time [Music/Video](#) Gina Arnold,Daniel Cookney,Kirsty Fairclough,Michael Goddard,2017-08-30 This book is a lively comprehensive and timely reader on the music video capitalising on cross disciplinary research expertise which represents a substantial academic engagement with the music video a mediated form and practice that still remains relatively under explored in a 21st century context The music video has remained suspended between two distinct poles On the one hand the music video as the visual sheen of late capitalism at the intersection of celebrity studies and postmodernism On the other hand the music video as art looking to a prehistory of avant garde film making while perpetually pushing forward the digital frontier with a taste for anarchy controversy and the integration of special effects into a form designed to be disseminated across digital platforms In this way the music video virally re engenders debates about high art and low culture This collection presents a comprehensive

account of the music video from a contemporary 21st century perspective This entails revisiting key moments in the canonical history of the music video exploring its articulations of sexuality and gender examining its functioning as a form of artistic expression between music film and video art and following the music video s dissemination into the digital domain considering how digital media and social media have come to re invent the forms and functions of the music video well beyond the limits of music television
