Ferdinand Porsche the Volkswagen Beetle and Gene Bordinat the Ford Mustang among numerous other game changers Above all this comprehensive history demonstrates how the epic story of the car mirrors the history of the modern era from the brave hopes and soaring ambitions of the early twentieth century to the cynicism and ecological concerns of a century later Bringing to life the flamboyant entrepreneurs shrewd businessmen and gifted engineers that worked behind the scenes to bring us horsepower and performance The Life of the Automobile is a globe spanning account of the auto industry that is sure to rev the engines of entrepreneurs and gearheads alike A Biography of the Nuffield Foundation Ronald William Clark,1972 The British Motor Industry, 1945-94 Timothy Whisler,1999-05-06 A fascinating and well researched look at the British motor industry which will appeal to both academic readers and practitioners alike Why are there now no major car manufacturers in Britain Whisler considers this and the surrounding issues making valuable comparisons with overseas manufacturers operating both in the UK and abroad which provide us with additional interest and insight Based upon careful use of company archives this book covers in particular the issues of product development quality design and range ensuring that The British Motor Industry is destined to make a distinctive contribution to our understanding of the performance of UK manufacturers Oxford Dictionary of National Biography: Morant-Murray Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002

International Bibliography of Business History Francis Goodall,Terry Gourvish,Steven Tolliday,2013-12-16 The field of business history has changed and grown dramatically over the last few years There is less interest in the traditional company centred approach and more concern about the wider business context With the growth of multi national corporations in the 1980s international and inter firm comparisons have gained in importance In addition there has been a move towards improving links with mainstream economic financial and social history through techniques and outlook The International Bibliography of Business History brings all of the strands together and provides the user with a comprehensive guide to the literature in the field The Bibliography is a unique volume which covers the depth and breadth of research in business history This exhaustive volume has been compiled by a team of subject specialists from around the world under the editorship of three prestigious business historians **Sultan of Swing** Michael Crick,2018-10-25 Sir David Butler pioneered the science of elections transforming the way we analyse election results In 1945 aged only twenty Butler was the first to turn British constituency results into percentages and thereby founded the science of psephology Appearing as an expert on Britain s first TV election night in 1950 he promoted the idea of swing to explain gains and losses to the public Later he invented the BBC s popular Swingometer which is still used today He has publicly analysed every British general election since the Second World War and done more than anyone to transform TV coverage of elections with a style that combined authority and showmanship with his phenomenal memory for facts and figures First summoned by Churchill for polling advice when he was only twenty five David Butler got to know most of Britain s senior post war politicians and has acted as a

highly influential voice behind the scenes He wrote dozens of books and taught scores of leading figures in politics and the media around the world building a huge international reputation which regularly took him to America Australia and India Award winning TV correspondent Michael Crick has known David Butler for forty years In Sultan of Swing based on interviews with Butler himself his friends family and colleagues and with access to many previously unseen papers Crick chronicles the long and energetic life of the greatest analyst of British elections a story that weaves its way through post war history with surprises colour and humour William Morris, Viscount Nuffield R. J. Overy,1976 **Current Biography** ,1941 **From Dynasties to Dotcoms** Carol Kennedy,2003 Table of contents Luigi L. Pasinetti: An Intellectual Biography Mauro L. Baranzini,Amalia Mirante,2018-03-18 Luigi L Pasinetti born 1930 is arguably the most influential of the second generation of the Cambridge Keynesian School of Economics both because of his achievements and his early involvement with the direct pupils of John Maynard Keynes This comprehensive intellectual biography traces his research from his early groundbreaking contribution in the field of structural economic dynamics to the Pasinetti Theorem With scientific outputs spanning more than six decades 1955 2017 Baranzini and Mirante analyse the impact of his research work and roles at Cambridge the Catholic University of Milan and at the new University of Lugano Pasinetti s whole scientific life has been driven by the desire to provide new frameworks to explain the mechanisms of modern economic systems and this book assesses how far this has been achieved Lord Nuffield Peter Hull,1977-01-01 **Triumph of the South** Peter Scott,2017-11-22 This book provides a scholarly but accessible account of British regional development during the twentieth century focusing on the emergence and development of theNorth South divide Beginning with regional imbalance in the Victorian and Edwardian economies the book goes on to discuss the effects on the First World War and its aftermath which created a discernible split between the depressed North and West and the relatively prosperous South Attention is also paid to the impact of government policy on regional development during the interwar years and beyond and factors affecting industrial location in this period Current Biography ,1948 Dictionary of National Biography ,1986 **The Oxford Handbook of Entrepreneurship** Mark Casson,2008 Entrepreneurship is a key factor in economic growth innovation the development of firms businesses Written by leading scholars this book presents a comprehensive review of the research in entrepreneurship **A Life Awheel** Richard Skelton,Wilberforce de Forte,2016 Born in Shropshire soon after the end of the First World War venerable motoring writer W de Forte has driven everything from his grandfather s first Daimler to modern day supercars ridden everything from vertiginous Victorian penny farthings to high velocity twenty first century superbikes travelled everywhere from the permafrost of the Arctic Circle to the baking sands of the Baja Peninsula and met everyone from Tazio Nuvolari to Valentino Rossi W de Forte enjoyed an eventful career as a top level journalist spanning 75 years during which time he tested many thousands of cars and reported on countless automotive events around the world This made him uniquely qualified to comment on all aspects of classic and vintage motoring and motorcycling Relatively

undimmed by age and age even in his 90s de Forte had no plans to retire but in early 2011 a high speed prang while testing a wayward Rudge Ulster at a racing circuit in Belgium brought him up with a jolt both literally and metaphorically After recuperating in hospital he settled down to write his long awaited and much requested autobiography This unique and insightful book is the result Packed with fascinating stories about classic cars and motorcycles A Life Awheel the Auto Biography of W de Forte is an account of an extraordinary motoring life and the story of motoring in the 20th century
