Scherr,2011-11-25 Why Millions Died reviews the painfully slow development of research by isolated investigators who believed that diseases could be caused by infectious organisms The brutally contentious and vivid arguments that raged between the proponents of the germ theory of disease and those who condemned it from both the scientific community and the pulpits delayed the implementation of vaccines and antimicrobial agents Such delays resulted in millions of deaths until the professional communities and the general public began to believe that certain health measures could protect against infection and reduce the enormous death tolls from disease Preeminent among these workers was an Italian scientist Agostino Bassi who articulated the germ theory of disease following twenty years of research Approximately thirty years later Pasteur repeated Bassi s research in order to gain prestige as the savior of the germ theory of disease Pasteur was also discovered to have committed fraud in claiming he had developed a vaccine for anthrax only to be exposed by the brilliant German microbiologist Robert Koch *Fatal Army Air Forces Aviation Accidents in the United States, 1941-1945* Anthony J. Ancient Bible Feasts Albert Bailey,2015-10-15 Ancient Bible Feasts opens hidden Bible truths concerning Israel Christ and the church These seven feasts given in their order and days of the year in Leviticus 23 are symbolic of the crucifixion and resurrection of Christ the descent of the Holy Spirit on the day of Pentecost the future rapture of the church and the great tribulation and second advent of Christ concluding with His thousand year millennial reign here on earth Other books written about these feasts deal with the same events but none has gone into detail or explained the meaning of the celebrations and sacrifices God commanded the Israelite s to celebrate so many years ago Dr Bailey explains the meaning of certain numbers in the Scriptures and shows their importance in these feasts and how these numbers prove the accuracy of the fulfillment of these feasts He also prove from Scripture that Jesus Christ died at the time the Passover Lamb was killed in Egypt the meaning of the blood being put on the doors of the houses that the Israelite s were in that Jesus resurrected at the same time the last Israelite came out of the Red Sea centuries earlier that the Holy Spirit came upon the disciples the exact time God came down on Mt Sinai some fourteen hundred years earlier He also explains the sacrifice at Mt Sinai that points to the fact that Jew and Gentile will become one in Christ This book is a treasure to all students of the Holy Scriptures
