Nutcracker Backstage The Story And The Magic:

The Nutcracker Backstage Angela Whitehill, William Noble, 2004 Looks at the Nutcracker from the story and the performance point of view and provides an in depth look at characters musical score and production aspects The Publishers Weekly, 2004 *Forthcoming Books* Rose Army, 2004 □□□□, 2008 **American Book Publishing Record**, 2005 Maurice Sendak Hal Marcovitz, 2013-11 A biography of American children s book author and illustrator Maurice Sendak Raising A Reader Jennie Nash, 2013-07-30 What were my kids born to do That is the question I hope to help them answer And because reading is the thing I love most it s only natural for me to hope it will become something they love too The trouble is that reading is a particularly slippery passion to want to pass along because it s a skill most parents would agree their children have to master to one degree or another from *Raising a Reader* Can passion be passed along from parent to child Can you in other words make someone love baseball ballet or books Of course you can t but that doesn t stop parents from trying Jennie Nash was one of those parents a parent so obsessed about getting her kids to read that her desire sometimes strayed into desperation her hope often became an obsession and instead of helping her resolve got in the way In the end she found that like so many of the things we do as parents passing along a passion for reading happens in the push and pull of digging in and letting go day in and day out both because of and in spite of our efforts Nash shares stories and misadventures from the years when her young daughters were learning what it meant to have a relationship with words and she was learning to let them She reminds us how the magic moments happen in their own sweet time by being together in the presence of good books and seeing each child as unique Each chapter of *Raising a Reader* ends with personal practical tips and games that spring straight from the narrative A comprehensive index discusses many of the books Nash has enjoyed with her children providing a year s worth of titles for parents and their children to explore **Blockbuster Video Guide to Movies and Videos 1996** Ron Castell, 1995 With over 300 new entries added since the 1995 edition this ultimate video guidebook for all video viewers gives a clear plot summary of each film an MPAA rating and extensive indices From new releases to classics foreign films to children s viewing this reference contains over 20 000 entries of films available on video
