Pistols on the Pecos Paul Evan Lehman, 1953 **Age of the Gunfighter** Joseph G. Rosa, 1995 Joseph G Rosa s vivid and expertly written tale of this violent time combines contemporary accounts with meticulous historical research and an unjaundiced appraisal of the facts Telling the story of every major gunfighter peace officer and outlaw of the West Rosa places them within the context of a violent frontier and the coming of law and order Complementing the text are twenty seven outstanding color spreads featuring firearms from the Gene Autry Western Heritage Museum Los Angeles and the Buffalo Bill Historical Center Cody Many of the spreads contain guns owned and used by such well known individuals as Pat Garrett Billy the Kid Doc Holliday Wyatt Earp Wild Bill Hickok John Wesley Hardin Frank James and Harvey Logan **Billy the Kid** Richard W. Etulain, 2020-07-16 A central character in legends and histories of the Old West Billy the Kid rivals such western icons as Jesse James and General George Armstrong Custer for the number of books and movies his brief violent life inspired Billy the Kid A Reader s Guide introduces readers to the most significant of these written and filmed works Compiled and written by a respected historian of the Old West and author of a masterful new biography of Billy the Kid this reader s guide includes summaries and evaluations of biographies histories novels and movies as well as archival sources and research collections Surveying newspaper articles books pamphlets essays and book chapters Richard W Etulain traces the shifting views of Billy the Kid from his own era to the present Etulain s discussion of novels and movies reveals a similar shift even as it points out both the historical inaccuracies and the literary and cinematic achievements of these works A brief section on the authentic and supposed photographs of the Kid demonstrates the difficulties specialists and collectors have encountered in locating dependable photographic sources This discerning overview will guide readers through the plethora of words and images generated by Billy the Kid s life and legend over more than a century It will prove invaluable to those interested in the demigods of the Old West and in the ever changing cultural landscape in which they appear to us **Bad Hombres** William W. The Life and Times of Ward Kimball Todd James Pierce, 2019-01-17 Besides Walt Disney no one seemed more key to the development of animation at the Disney Studios than Ward Kimball 1914 2002 Kimball was Disney s friend and confidant In this engaging cradle to grave biography award winning author Todd James Pierce explores the life of Ward Kimball a lead Disney animator who worked on characters such as Mickey Mouse Donald Duck Jiminy Cricket the Cheshire Cat and the Mad Hatter Through unpublished excerpts from Kimball s personal writing material from unpublished interviews and new information based on interviews conducted by the author Pierce defines the life of perhaps the most influential animator of the twentieth century As well as contributing to classics such as Snow White and the Seven Dwarfs and Pinocchio from the late 1940s to the early 1970s Kimball established a highly graphic idiosyncratic approach to animation alongside the studio s more recognizable storybook realism In effect Ward Kimball became the only animator to run his own in studio production team largely outside of Walt Disney s direction In the 1950s and 1960s he emerged as a director and producer of his own animation while remaining inside Disney s studio Through Kimball the studio developed a series of nonfiction animation programs in the 1950s that members of Congress pointed to as paving the way for NASA The studio also allowed Kimball s work to abandon some ties to conventional animation looking instead to high art and graphic design as a means of creating

new animated forms which resulted in films that received multiple Academy Award nominations and two awards Throughout his life Kimball was a maverick animator an artist who helped define the field of American animation and a visionary who sought to expand the influence of animated films The Billy the Kid Reader Frederick Nolan,2012-01-05 Despite the countless books and films devoted to him Billy the Kid remains one of the most elusive figures of the Old West Now award winning western historian Frederick Nolan has scoured the published literature to offer this well rounded compendium on the life and times of William H Bonney The Billy the Kid Reader contains some of the best articles on the Kid including gems no longer in print From the first dime novel that appeared shortly after his death to the research of today s historians these writings bring Bonney s life into sharp focus Nolan highlights two distinct schools of Billy the Kid studies works of popularizers who tended to exaggerate his historical role and the findings of grassroots researchers who have reassessed our perceptions of the Kid Dozens of illustrations enhance the text illuminating the Kid s career and notoriety This collection shows that the life of William H Bonney is not yet a closed book far from it Many versions of his life remain little more than unchallenged tradition The Billy the Kid Reader puts that lengthy body of work in perspective and will satisfy seasoned Kid aficionados as well as first time readers eager to learn more about the man and the legend **Six-Guns and Saddle**
