*Place Names of the United States* Henry Gannett, 1928 *Place Names of Hawaii* Mary Kawena Pukui, Samuel H. Elbert, Esther T. Mookini, 1976-12-01 How many place names are there in the Hawaiian Islands Even a rough estimate is impossible Hawaiians named taro patches rocks trees canoe landings resting places in the forests and the tiniest spots where miraculous events are believed to have taken place And place names are far from static names are constantly being given to new houses and buildings streets and towns and old names are replaced by new ones It is essential then to record the names and the lore

associated with them now while Hawaiians are here to lend us their knowledge And whatever the fate of the Hawaiian language the place names will endure The first edition of Place Names of Hawaii contained only 1 125 entries The coverage is expanded in the present edition to include about 4 000 entries including names in English Also approximately 800 more names are included in this volume than appear in the second edition of the Atlas of Hawaii America's Place Names ,1981

**Place-Name Politics in Multilingual Areas** Peter Jordan,Přemysl Mácha,Marika Balode,Luděk Krτίčka,Urřula Obrusník,Pavel Pilch,Alexis Sancho Reinoso,2021-07-31 This book explores the role of place names in the formation and maintenance of individual and group identities in multilingual and multi ethnic situations Using examples from Austria and Czechia as case studies the authors examine the power of place names through an interdisciplinary and multi methods approach that draws from the fields of anthropology geography sociolinguistics and toponomastics The book contextualises both places within their social and political histories and probes recent debates in the social sciences relating to place names identity and power It will be of interest to scholars and students focusing on place names and naming practices minority communities and languages and linguistic landscapes Placenames of the World Adrian Room,2024-10-17 A placename is often much more than just a label A name may bespeak the history of a nation the culture of a people or the hopes of an individual Such connections are revealed in this very large reference work on placenames of the world which offers an in depth look at the origins of each First published in 1997 this 2006 edition contains 6 000 entries natural features such as mountains rivers and lakes and human entities such as cities and countries Each entry includes the name of the feature a brief description and its geographical location and the origin of the name with relevant historical biographical and topographical details Appendices give the meanings of common elements of non English placenames e g Abu as in Abu Dhabi means father of major placenames in European languages e g Pays Bas and Paesi Bassi are the French and Italian names respectively for what English speakers call the Netherlands and transcribed Chinese language equivalents for the names of the world s countries and capitals Oddest Place Names Jasper Holt,Al,2025-03-31 Oddest Place Names explores the captivating world of toponymy revealing the stories and cultural significance behind unusual place names This book isn t just a list of oddities it s a journey into the histories and meanings embedded within these names Did you know some towns were named due to linguistic mishaps and others after historical figures long forgotten The book argues that a place s name is a condensed narrative reflecting its history and the values of its inhabitants The book progresses thematically examining funny repetitive and unexpectedly sourced names Each chapter delves into case studies analyzing the origins and significance of specific place names By studying these names we uncover insights into migration patterns linguistic shifts and even the humor of early settlers For instance repetitive place names can reveal patterns in naming conventions much like echoes in a historical hall This approach sets the book apart focusing on the narrative potential of place names rather than just cataloging them Ultimately Oddest Place Names provides a unique lens for understanding human history It connects

linguistics history and cultural anthropology offering a holistic view of how place names shape our understanding of cultural identity and historical memory The book aims to show how seemingly strange or funny place names are actually windows into the past
