

A sepia-toned photograph of three women standing side-by-side, wearing high-collared, long-sleeved dresses with decorative lacing. The woman on the left is holding a book. The woman in the middle is holding a small object. The woman on the right is holding a long, light-colored shawl or wrap.

PLAINS WOMAN

THE DIARY OF
MARTHA FARNSWORTH,
1882—1922

EDITED BY
Marlene Springer and Haskell Springer

Plains Woman The Diary Of Martha Farnsworth 1882 19

Laura Moriarty

Plains Woman The Diary Of Martha Farnsworth 1882 19:

Plains Woman Haskell Springer, Marlene Springer, 1989 **Plains Woman** Martha Farnsworth, 1986 This book is an edition of the 40 year diary of Martha Farnsworth Kansan who from 1882 to 1922 kept a daily record extraordinarily rich in public and private endeavors Not only historically interesting but emotionally moving her record is of a lower middle class life lived just this side of chronically the American frontier Plains Woman Martha Farnsworth, 1986 This book is an edition of the 40 year diary of Martha Farnsworth Kansan who from 1882 to 1922 kept a daily record extraordinarily rich in public and private endeavors Not only historically interesting but emotionally moving her record is of a lower middle class life lived just this side of chronically the American frontier **The Age of Acrimony** Jon Grinspan, 2021-04-27 A penetrating character filled history in the manner of David McCullough WSJ revealing the deep roots of our tormented present day politics Democracy was broken Or that was what many Americans believed in the decades after the Civil War Shaken by economic and technological disruption they sought safety in aggressive tribal partisanship The results were the loudest closest most violent elections in U S history driven by vibrant campaigns that drew our highest ever voter turnouts At the century s end reformers finally restrained this wild system trading away participation for civility in the process They built a calmer cleaner democracy but also a more distant one Americans voting rates crashed and never fully recovered This is the origin story of the normal politics of the 20th century Only by exploring where that civility and restraint came from can we understand what is happening to our democracy today The Age of Acrimony charts the rise and fall of 19th century America s unruly politics through the lives of a remarkable father daughter dynasty The radical congressman William Pigg Iron Kelley and his fiery Progressive daughter Florence Kelley led lives packed with drama intimately tied to their nation s politics Through their friendships and feuds campaigns and crusades Will and Florie trace the narrative of a democracy in crisis In telling the tale of what it cost to cool our republic historian Jon Grinspan reveals our divisive political system s enduring capacity to reinvent itself **Midwestern Women** Lucy Eldersveld Murphy, Wendy Hamand Venet, 1997-12-22 an excellent introduction to a complex subject Anyone interested in the Midwest or in women s history will find it a valuable resource Agricultural History the volume as a whole invigorates the field of midwestern history Wisconsin Magazine of History examines four centuries of Midwestern women s history including urban and rural frontier settlers and American Indians Mexican and European migrants The book mixes telling anecdotes with scholarly research Indianapolis Star Writing about four centuries of midwestern women s history including urban rural and frontier women Native Americans African Americans Mexicanas as well as European migrants essayists discuss ways midwestern women s lives resemble those women of other regions and ways in which their lives are distinctive By addressing a broad range of questions about the lives of midwestern women this volume encourages further research of this neglected but important group The volume also includes a lengthy bibliography **The Virgin Vote** Jon Grinspan, 2016-02-13 There was a time when young people were the most passionate

participants in American democracy In the second half of the nineteenth century as voter turnout reached unprecedented peaks young people led the way hollering fighting and flirting at massive midnight rallies Parents trained their children to be violent little partisans while politicians lobbied twenty one year olds for their virgin votes the first ballot cast upon reaching adulthood In schoolhouses saloons and squares young men and women proved that democracy is social and politics is personal earning their adulthood by participating in public life Drawing on hundreds of diaries and letters of diverse young Americans from barmaids to belles sharecroppers to cowboys this book explores how exuberant young people and scheming party bosses relied on each other from the 1840s to the turn of the twentieth century It also explains why this era ended so dramatically and asks if aspects of that strange period might be useful today In a vivid evocation of this formative but forgotten world Jon Grinspan recalls a time when struggling young citizens found identity and maturity in democracy

Making History Barbara Brackman, 2022-09-27 This wide ranging book shows how to create quilts with an authentic antique look collect period textiles while revealing the history of American fabrics Learn the fascinating true story of fabrics in America and make your own period quilts with this comprehensive guide to fabrics and their influence on American quilts from the machine age to the atomic age From quilt historian Barbara Brackman author of *America's Printed Fabrics 1770-1890* *Making History* not only includes 9 quilt projects inspired by vintage quilt designs and fabrics but is packed with historic photos stories and insights into the role of fabrics in everyday life

Hard Living in America's Heartland Paula vW. Dáil, 2015-01-28 Despite living hard endlessly challenging lives the rural poor remain tirelessly optimistic believing things will get better next year As one struggling farmer explained Sometimes I feel like a jackass in a hailstorm I just have to stand here and take it but what the hell it ll stop hailing sooner or later The struggle to survive on the richest farmland in America has produced some of the nation's poorest people However rural poverty is not the same as urban poverty the usual definitions and criteria do not always apply the known predictors do not necessarily hold up and again and again the rural poor save themselves because they know no one else will This book refutes the common image of the poor as lazy slackers averse to work In reality fiercely independent politically astute hard working men and women who possess a wide array of useful skills populate the rural heartland and they struggle to stay afloat in small town economies that rise and fall on the whims of remote farm policy decisions a volatile world marketplace and Mother Nature who is a fickle wildly unpredictable business partner

The Chaperone Laura Moriarty, 2012-06-05 Soon to be a feature film from the creators of *Downton Abbey* starring Elizabeth McGovern *The Chaperone* is a New York Times bestselling novel about the woman who chaperoned an irreverent Louise Brooks to New York City in the 1920s and the summer that would change them both Only a few years before becoming a famous silent film star and an icon of her generation a fifteen year old Louise Brooks leaves Wichita Kansas to study with the prestigious Denishawn School of Dancing in New York Much to her annoyance she is accompanied by a thirty six year old chaperone who is neither mother nor friend Cora Carlisle a complicated but traditional woman with

her own reasons for making the trip has no idea what she's in for Young Louise already stunningly beautiful and sporting her famous black bob with blunt bangs is known for her arrogance and her lack of respect for convention Ultimately the five weeks they spend together will transform their lives forever For Cora the city holds the promise of discovery that might answer the question at the core of her being and even as she does her best to watch over Louise in this strange and bustling place she embarks on a mission of her own And while what she finds isn't what she anticipated she is liberated in a way she could not have imagined Over the course of Cora's relationship with Louise her eyes are opened to the promise of the twentieth century and a new understanding of the possibilities for being fully alive Drawing on the rich history of the 1920s 30s and beyond from the orphan trains to Prohibition flappers and the onset of the Great Depression to the burgeoning movement for equal rights and new opportunities for women Laura Moriarty's *The Chaperone* illustrates how rapidly everything from fashion and hemlines to values and attitudes was changing at this time and what a vast difference it all made for Louise Brooks Cora Carlisle and others like them

Dressed for the Photographer Joan L. Severa, 1995 A visual analysis of the dress of middle class Americans from the mid to late 19th century Using images and writings it shows how even economically disadvantaged Americans could wear styles within a year or so of current fashion
