*A Reading of Edward Taylor* is a study of Taylor s poetry in the sense that Thomas M Davis is interested in how the nature of the poems evolves during the nearly fifty years Taylor served as minister in Westfield Massachusetts The first part of the book examines the long doctrinal poem *Gods Determinations* as the poem in which Taylor emerges as an accomplished poet The final section of the poem the Choral Epilogue with its emphasis on praising God in song leads directly to the initial poems of the Preparatory Meditations the more than two hundred meditative poems that Taylor wrote over the next forty years The early poems in Series 1 exhibit only loosely organized sequences some are directly prompted by the Lord s Supper but many are related in only indirect ways to the Sacrament These poems in their range and celebration of the joys of grace are some of Taylor s best In *Meditations* 19 22 he writes four interlocked poems dealing with the relation of his poetry to his spiritual condition Despite Taylor s disclaimers about the quality of his poetry in these poems he also makes his most elevated claim about his ability to praise What reservations he has about his ability to praise adequately are relatively minor in subsequent *Meditations* But after the death of his wife Elizabeth Taylor reexamines the nature of his poetry and the relationship of grace to his ability to write in praise of Christ And he begins to equate shoddy poetry with his own sin In the central *Meditations* in this process *Meditations* 39 and 40 the intense examination of his sinful state *My Sin my Sin My God these Cursed Dregs* leads him to beg Christ to destroy his Taylor s sins so that his rough Feet shall Christ s smooth praises sing By the end of Series 1 he has come to accept a more limited view of the possibility of writing praise commensurate with Christ s glory He acknowledges that until he receives the Crown of Life I cannot sing my tongue is tide Accept this Lisp till I am glorified He then turns at the beginning of Series 2 to the poems on typology These poems are often mechanical particularly those where he is too strictly bound by the large number of typological parallels He also recognizes these limitations and moves increasingly to other texts particularly those from the *Canticles* In the allegory of the Song Taylor finds the openness and sensuous imagery that allow him to express as fully as is possible his love of Christ and his passionate desire to be with the Bridegroom in the heavenly Garden The more than forty *Meditations* based on *Canticles* texts near the end of Series 2 reveal Taylor s sense of drawing closer and closer to being in the Garden itself and of replacing his lisp with the true voice of the
