**The Physician Assistant's Business Practice and Legal Guide** Michele Roth-Kauffman, 2006 This text is offered as a medical legal resource of the physician assistant profession. It is intended for use through all phases of the professional development of the physician assistant, from the high school student sorting through options in career choices to physician assistant students, practicing physician assistants, and supervisory physicians or those who are considering practicing with a physician assistant. The history and development of the profession is reviewed, allowing an understanding of the role the physician assistant plays in the healthcare team approach to patient care. The scope of practice is defined along with the key collaboration between the physician assistant and the supervising physician.

Regulatory requirements are delineated by state including basic requirements and maintenance of licensure and certification

**Handbook of Institutional Pharmacy Practice** Thomas R. Brown, 2006 This comprehensive text provides fundamental information on a broad spectrum of essential topics in health system pharmacy practice From an overview of health delivery systems and hospital pharmacy through various practice settings such as home care long term care hospice and palliative care ambulatory care and managed care this text focuses on various elements important to health system pharmacies The Handbook of Institutional Pharmacy Practice is the first step in developing a career in pharmacy and provides opportunities for study in career enhancement New chapters included in the fourth edition Integrity of the Drug Supply Overview of the History of Hospital Pharmacy in the United States Interprofessional Teams Collaborative Practice Models Development Implementation and Monitoring Therapeutic Plans and Evidence Based Medicine

**First, Do Less Harm** Vanessa Gruben, Chelsea Cox, 2025-02-25 Readers will be able to gain a deeper understanding of how different approaches to harm reduction can create a stronger foundation for more effective policies and legislation Scholars from law and social sciences collaborate with frontline organizations as well as with individuals with lived experience to reflect diverse perspectives and transform how society addresses substance related challenges Each chapter provides unique findings drawing from examples of harm reduction strategies implemented for opioids cannabis and tobacco in Canada and beyond While harm reduction has been a central aspect of the legal and policy responses to all three substances its application has varied significantly First Do Less Harm explores how the ongoing opioid crisis emphasizes the pressing need for safe consumption sites and life saving tools like naloxone Case studies on Canada's legalization of cannabis highlight both the benefits and challenges of providing legal and regulated access to a drug The volume further examines the evolving landscape of tobacco regulations where recent innovations such as vaping offer less harmful alternatives yet raise significant concerns about youth uptake and public health Designed for policymakers health professionals academics and anyone interested in creating safer communities this collection not only presents thought provoking ideas but also provides inspiration to take action
