**Studies in Occultism** Helena Petrovna Blavatsky,2014-04 *Studies in Occultism* by H P Blavatsky **Practical Occultism Occultism Versus the Occult Arts** Occultism is not magic It is comparatively easy to learn the trick of spells and the methods

of using the subtler but still material forces of physical nature the powers of the animal soul in man are soon awakened the forces which his love his hate his passion can call into operation are readily developed But this is Black Magic Sorcery For it is the motive and the motive alone which makes any exercise of power become black malignant or white beneficent Magic It is impossible to employ spiritual forces if there is the slightest tinge of selfishness remaining in the operator For unless the intention is entirely unalloyed the spiritual will transform itself into the psychic act on the astral plane and dire results may be produced by it The powers and forces of animal nature can equally be used by the selfish and revengeful as by the unselfish and the all forgiving the powers and forces of spirit lend themselves only to the perfectly pure in heart and this is Divine Magic

**Theoretical and Practical Occultism** Helena Petrovna Blavatsky, 2018-02-21 While the study of theoretical Occultism is harmless and may do good practical Occultism being the Science of Good and Evil is fraught with perils and pitfalls The student of Occult Arts who is not intellectually or ethically fit will be unable to discern the Right from the Left Path He will bring on himself and his family unexpected woes and sorrows never suspecting whence they come Only Absolute Unity physical and metaphysical can provide safe passage to the other shore Whoever indulges after having pledged himself to Occultism in the gratification of a worldly love or lust must feel an almost immediate result that of being irresistibly dragged from the impersonal divine state down to the lower plane of matter
