Resources in Education, 1998 **The School Principal** Theodore J. Kowalski, 2010-08-14 Over the past two decades efforts to improve schools have significantly modified role expectations for principals Today school level administrators are expected to be both visionary leaders and competent managers Based on the conviction that administration is an amalgam of leadership and management The School Principal emphasizes the need for practitioners to apply conceptual skills to make what to do decisions to apply technical skills to make how to do decisions and to apply relational skills to engage in democratic decision making Kowalski frames the book with a discussion of the nature of schools the roles of principals and their need to improve schools The book then provides a balanced treatment of leadership and management covering issues of personal behavior instructional leadership relationship building issues finances facilities personnel management pupil services and maintaining safe schools The text closes with discussion of the vital aspects of practice for contemporary principals addressing problem solving collaborative change strategies and personal commitment to being a principal Special Features Vignettes introduce the subject matter in the context of common challenges faced by practitioners Knowledge Based Questions and Skill Based Activities prompt readers to engage with and reflect on the chapter content The School Principal aligns with the Educational Leadership Consortium Council ELCC Standards Treating principals as concurrently visionary leaders and competent managers this excellent text addresses the needs of aspiring and practicing principals providing the tools to build effective and efficient schools Practical School Security Kenneth S. Trump, 1998 A thorough

guide to creating and implementing a workable safety and security plan for your school **Passing the Superintendent TExES Exam** Elaine L. Wilmore, 2009-11-24 Elaine L Wilmore guides superintendents in Texas and elsewhere through the certification test in Passing the Superintendent TExES Exam the sequel to her best selling Passing the Principal TExES Exam This comprehensive resource is a must have for anyone taking the superintendent TExES exam but it will also be useful to others across the nation and around the world as the Texas standards are closely aligned with those of the Educational Leadership Constituent Council ELCC By breaking down the domains and competencies of the test into manageable components Wilmore guides readers through personal success plans to superintendent certification **Classroom Killers?**

Hallway Hostages? Kenneth S. Trump, 2000-06-23 Tragic school violence rocked the United States in the late 1990s and sent Americans scurrying to understand why these incidents occurred how to prevent future incidents and how to prepare to better manage those incidents which cannot be prevented If there is anything positive that came out of these tragedies it is unquestionably the placement of school safety at the top of the educational agenda and discussion list for school and community leaders nationwide This book attempts to help sort out the political administrative and other dynamics so that readers can get to the bottom line of what really has been learned from these violent incidents This book following Trump's successful first book guides schools in being proactive in school security and in handling the crisis and the media when events that cannot be anticipated do occur These steps include being aware of early warning signs educating the staff about the best responses working with emergency personnel handling the injured handling with family members of the injured and proactive strategies for the media spotlight

Public Relations in Schools Theodore J. Kowalski, 2011 For educational administration and leadership students studying school and community relations A contemporary and practice based school public relations text that centers on the importance of communication relationships and technology Outfitting students with a wealth of practical practice based knowledge that they can take directly into the halls of their school the new fifth edition of Public Relations in Schools has a fresh contemporary focus on both how administrators can effectively communicate with the community and how building strong relationships with stakeholders can ultimately lead to overall school improvement Through a blend of theoretical and tacit knowledge this text offers students an in depth guide to 1 how to successfully communicate with both internal and external school entities 2 how to build and maintain positive and active relationships via social and political capital and 3 how to translate the value of these relationships into positive change within the school While exploring these three central themes the book emphasizes how new technologies can aid school success At the same time real world case studies at the beginning of each chapter introduce readers to actual public relations issues and bring the material to life The revised fifth edition of Public Relations in Schools is updated with new materials and references throughout the text including two new chapters one on harnessing technology for your public relations needs and one on collecting assessing and applying public opinion In addition the new fifth edition text contains a matrix at the front of the book showing how content relates to ELCC NCATE Standards the widely used criteria for administrator preparation and licensing

Superintendent Leadership Elaine L. Wilmore, 2008-02-13 Targeted to meet the needs of superintendents or those aspiring to the position The stories vignettes and reflective exercises for the reader are major strengths Dan Lawson Superintendent Tullahoma City Schools TN This is the first professional book that I have found exciting to read in a long time I really couldn't put it down It made me immediately want to gather my leadership team together to devise our own plan A terrific discussion starter as well as a step by step plan for implementing and assessing new programs Marie Blum Superintendent Canaseraga Central School District NY Maximize districtwide performance through realistic standards based
