The Practice of Autosuggestion by the Method of Emile Coué Cyrus Harry Brooks,1922 **The Method and Practice of Autosuggestion** Emile Coue ,C. Harry Brooks,2011-06 Two Classics in One Self Mastery Through Conscious Autosuggestion by Emile Cou PLUS The Practice of Autosuggestion by C Harry Brooks Self Mastery Through Conscious Autosuggestion Emile Cou was a French psychologist and pharmacist who introduced a new method of healing and self improvement using the influence and power of autosuggestion The application of his mantra like conscious autosuggestion Every day in every way I m getting better and better Cou s method focuses on a routine repetition of this particular expression according to a specified ritual in a given physical state and in the absence of any sort of allied mental imagery at the beginning and at the end of each day Self Mastery fully details his method and explains how the concept of auto suggestion works to bring about a desired circumstance Although stressing that he was not primarily a healer but one who taught others to heal themselves Cou claimed to have effected organic changes through autosuggestion The Practice of Autosuggestion by the Method of Emile Cou by C Harry Brooks From the Foreword The method of M Cou is in no sense opposed to the ordinary practice of medicine It is not intended to supplant it but to supplement it It is a new ally bringing valuable reinforcements to the common crusade against disease and unhappiness Induced Autosuggestion does not involve as several hasty critics have assumed an attack upon the Will It simply teaches that during the actual formulation of suggestions that is for a few minutes daily the Will should be quiescent At other times the exercise of the Will is encouraged indeed we are shown how to use it properly that is without friction or waste of energy The Practice of Auto-Suggestion by the Method of Émile Coué. Brooks,2017-11-19 The Practice of Autosuggestion by the Method of Emile Coue by C Harry Brooks Your life Will Be Better If You Buy This Book To my American readers a special word of gratitude is due for their generosity to this little book I hope that it has given them as much encouragement and help as they have given me In America the home of so many systems of mental healing it is perhaps even more necessary than in Europe to insist on the distinctive features of M Cou s teaching The discoveries of Emile Cou are of such moment for the happiness and efficiency of the individual life that it is the duty of anyone acquainted with them to pass them on to his fellows The lives of many men and women are robbed of their true value by twists and flaws of character and temperament which while defying the efforts of the will would yield rapidly to the influence of autosuggestion Unfortunately the knowledge of this method has hitherto been available in England only in the somewhat detailed and technical work of Professor Charles

Baudouin and in a small pamphlet printed privately by M Cou which has not been publicly exposed for sale To fill this gap is the aim of the following pages They are designed to present to the layman in non technical form the information necessary to enable him to practise autosuggestion for himself
