**Christianity as Distinct Practices** Jan-Olav Henriksen,2019-01-10 Jan Olav Henriksen reconstructs and analyzes Christianity as a cluster of practices that manifest a distinct historically and contextually shaped mode of being in the world Henriksen suggests that these practices imply a complicated relationship between the tradition in which they originate the community that emerges from and is constituted by that tradition and the individuals who appropriate the tradition that these communities mediate through their practices Thus to think of Christianity simply in terms of belief is misleading and represents an underdetermination of its distinct character Henriksen further argues this relationship needs to be described primarily as practices aimed at orientation and transformation His analysis points to Christianity s similarity to other religions in regard to the functional or pragmatic dimensions it displays Examining facets such as prayer the use of scripture preaching and doctrine Henriksen emphasizes that the element that makes a practice distinctively Christian is how it relates to and is informed by the Jesus story

Johnson, 2010-12-16 Exploration of the global spread of Eastern Orthodox practices from local settings and the resulting divergence of interpretations as a struggle over larger issues **Creating a Life with God Revised Edition** Daniel Wolpert, 2023-09-01 Over the past four decades author Daniel Wolpert has answered the question What do you do for a living with I am a student of the spiritual life In the original foreword to Creating a Life with God Wolpert was called a Prayerer someone who knew how his life was altered and transformed by prayer and someone who accepted the invitation to join Jesus in prayer to tend the longing in his heart Both statements are still true today In the twenty years since this book was first released Wolpert's work has inspired many to reflect on the life of prayer and what it means to be intentional about creating daily life with God The longevity of the book speaks to a deep hunger for the practice of prayer and contemplation Over the years interest in spiritual life has grown stronger both within the church and within popular culture In the face of a world filled with chaos uncertainty and constant change spiritual practices and prayer shape us into people who can provide healing love and compassion in response The twelve prayer practices in this book will help you take your relationship with God to a new level by Inviting you to solitude and silence Inviting you to use your mind and imagination Inviting you to use your body and your creativity Inviting you to connect with nature and community Creating a Life with God invites you to join traveling companions like Julian of Norwich and Ignatius to help illuminate each of these prayer practices This 20th Anniversary Edition includes two new chapters and two new companions Saint Brigit who invites us to take a spiritual look at climate change and Howard Thurman noted pastor author and contemplative who invites us to explore how spiritual practices inspire social transformation These new chapters build on the original twelve prayer practices and ask how we can use the practice of prayer to engage a world in crisis Alongside these traveling companions you will discover how classical approaches to God can deepen your prayer life and help prepare you to engage the world as a fearless ambassador for God's goodness **Prayers For People Who Say They Can't Pray** Donna Schaper, 2014-11-04 Almost everyone prays believers unbelievers wanna be believers and might have been believers It assures us all in our many parts and many moods that everything is going to be okay despite any evidence to the contrary When people say I don't know how

to pray what they often mean is I don't believe. Or perhaps they are struggling with disappointment or anger with God and have taken a break from their prayer life. This book is written to remove these obstacles to prayer and to show how honest prayer doesn't require belief or trust nor does it need constant satisfaction. This book introduces new ways of prayer and thinking about what prayer is to offer the reader a new experience because sometimes our heart has a wisdom that our head does not. Whether you are someone who believes, hopes to believe, almost believes, or simply trusts that offering a prayer means something, this book is for you. *In the Potter's Workshop* Robert P. Vande Kappelle, 2019-03-08. When you think of God, what images come to mind? Do you see God in others? Do you acknowledge God's presence in each circumstance and situation of your everyday life, no matter how trivial? How you conceive God determines how you experience God. As contemporary author Frederick Buechner advises: Listen to your life. Listen to what happens to you because it is through what happens to you that God speaks. While spiritual life of some kind is necessary for psychological health, psychotherapist Thomas Moore indicates in *Care of the Soul* that excessive or ungrounded spirituality can be dangerous, leading to compulsive and even violent behavior. It is better for religious seekers to embrace a religious practice that has been tested and refined over time than to experiment solo or by joining some exotic new sect. In this book, Dr. Vande Kappelle explores the richness of Catholic and Protestant spiritual traditions and the power of intuition and imagination to chart an approach to the sacred that is simple, practical, and effective. Holistic religion requires three elements in creative tension: a historical or institutional element, a mystical or emotional element, and an intellectual or scientific element. If you want to know what this means and how it is accomplished, read this book. Designed as a study guide for group or individual use, *In the Potter's Workshop* will challenge and inspire you to experience God in ways that are sustainable and transformative. **The**
