# Pragmatic Presidency

**Amnon Cavari, Richard J.  
Powell, Kenneth R. Mayer**

## **Pragmatic Presidency:**

*After Obama* Todd Shaw, Robert A Brown, Joseph P McCormick II, 2021-02-16 Examines the complicated political legacy of our first black president Written during the presidency of Donald Trump *After Obama* examines the impact President Barack Obama and his administration have continued to have upon African American politics In this comprehensive volume Todd C Shaw Robert A Brown and Joseph P McCormick II bring together more than a dozen scholars to explore his complex legacy including his successes failures and contradictions Contributors focus on a wide range of topics including how President Obama affected aspects of African American politics how his public policies influenced the quality of Black citizenship and life and what future administrations can learn from his experiences They also examine the present day significance of Donald Trump in relation to African American politics A timely and thorough work *After Obama* provides the first examination of the Obama administration in its entirety and the lasting impact it has had on African American politics *The Reagan*

*Presidency* W. Elliot Brownlee, Hugh Davis Graham, 2003 Table of contents **The White House Speaks** Craig A.

Smith, Kathy B. Smith, 1994-04-11 This work treats presidential leadership as persuasive communication The major theories of presidential leadership found in the literature establish the central role of persuasion and introduce the interpretive systems approach to political communication as a theoretical framework for the study of presidential leadership as persuasion Case studies examine recent presidents use of public persuasion to perform their leadership functions Particular attention is devoted to coalitional constraints on presidential pardoning rhetoric presidential leadership through the politics of division the political significance of conflicting political narratives the sermonic nature of much 20th century presidential discourse the difficulties inherent in persuading the public to make sacrifices and the dangers of relying too heavily on public rhetoric The concluding chapter considers the rhetoric that contributed to the demise of the Bush presidency the election of Bill Clinton and the challenges facing the Clinton presidency **The Citizen's Presidency** Bruce Buchanan, 1987 The

Oxford Handbook of Political Leadership R. A. W. Rhodes, Paul 't Hart, 2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is nigh endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage managed spun DDLas the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary

field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities

**The Power of the Presidency** Robert S. Hirschfield, 2017-07-05 The American presidency is the most powerful political office in the world But this impressive statement serves only to raise a whole series of fundamental questions What is the scope of presidential powers and what are its limits Can the president use all the authority of his office or is that authority more formal than effective Does the presidency have sufficient power to meet today's needs or do the problems of the modern age demand a more powerful executive Is there a danger of dictatorship in the growth of political authority or will the presidency remain an office of constitutional democratic leadership This book explores such questions by presenting a wide range of views on presidential power from a variety of sources original supporters and opponents of the office presidents themselves Supreme Court decisions and professional students of the presidency

*The Presidential Dilemma* Michael A. Genovese, 2011-12-31 This brief thought provoking text evaluates the performance of recent presidents from Johnson to Bush finding that overall each has failed to live up to public expectations Written by one of the top presidency scholars today The Presidential Dilemma reflects on the idea that as our country's problems grow our politicians seem to shrink Arguing that American presidents of the last 40 years have largely failed to meet the needs expectations and responsibilities placed upon them the book discusses how presidents might better maximize their opportunities for leadership and suggests a distinctive theory of presidential politics presidents facing a system of multiple veto points seek to maximize power and influence The third edition of Genovese's stimulating book is thoroughly updated to reflect presidential development in recent years and a new introduction brings his arguments current As he demonstrates the emergence of democracy as a new social and political paradigm undermined traditional authority and legitimacy Subjects no longer automatically follow now citizens must be persuaded They may give to a leader their authority and power or not As Genovese notes in a world of mass consumerism those wishing to lead have precious little to offer by way of inducement Genovese's goal is to examine the reasons why the performance of recent presidents has been underwhelming discuss how they might maximize their opportunities for leadership and ask a key question Can presidents be both powerful and accountable The book follows a clear format and tries to show why America's officeholders have so rarely been leaders and how presidents can become leaders instead of mere officeholders

*US Presidential Elections and Foreign Policy* Andrew Johnstone, Andrew Priest, 2017-05-05 While domestic issues loom large in voters' minds during American presidential elections matters of foreign policy have consistently shaped candidates and their campaigns From the start of World War II through the collapse of the Soviet Union presidential hopefuls

needed to be perceived as credible global leaders in order to win elections regardless of the situation at home and voter behavior depended heavily on whether the nation was at war or peace Yet there is little written about the importance of foreign policy in US presidential elections or the impact of electoral issues on the formation of foreign policy In US Presidential Elections and Foreign Policy a team of international scholars examines how the relationship between foreign policy and electoral politics evolved through the latter half of the twentieth century Covering all presidential elections from 1940 to 1992 from debates over American entry into World War II to the aftermath of the Cold War the contributors correct the conventional wisdom that domestic issues and the economy are always definitive Together they demonstrate that while international concerns were more important in some campaigns than others foreign policy always matters and is often decisive This illuminating commentary fills a significant gap in the literature on presidential and electoral politics emphasizing that candidates positions on global issues have a palpable impact on American foreign policy **Political**

**Leadership** Matthew Laing, 2020-11-27 Drawing upon a diverse range of traditions and contexts this authoritative new textbook presents a systematic introduction to political leadership Making extensive use of examples of real leaders from a variety of cultural backgrounds the book links theoretical ideas and concepts to real world political leadership and in doing so helps students to make sense of why different leaders lead as they do and why people choose to follow them This is ideal reading for students taking courses on political leadership and related topics **Talking with the President** John

Wilson, 2015 This book provides a pragmatic analysis of presidential language Pragmatics is concerned with meaning in context or the relationship between what we say and what we mean John Wilson explores the various ways in which U S Presidents have used language within specific social contexts to achieve specific objectives This includes obfuscation misdirection the use of metaphor or ambiguity or in some cases simply lying He focuses on six presidents John F Kennedy Richard M Nixon Ronald W Reagan William F Clinton George W Bush and Barack H Obama These presidents cover most of the last half of the twentieth century and the first decade of the twenty first century and each has been associated with a specific linguistic quality John F Kennedy was famed for his quality of oratory Nixon for his manipulative use of language Reagan for his gift of telling stories Clinton for his ability to engage the public and to linguistically turn arguments and descriptions in particular directions Bush on the other hand was famed for his inability to use language appropriately and Obama returns us to the rhetorical flourishes of early Kennedy In the case of each president a range of specific examples are explored in order to highlight the ways in which a pragmatic analysis may provide an insight into presidential language In many cases what the president says is not necessarily what the president means Talking with the President John Wilson, 2015-03-04 This book provides a pragmatic analysis of presidential language Pragmatics is concerned with meaning in context or the relationship between what we say and what we mean John Wilson explores the various ways in which U S Presidents have used language within specific social contexts to achieve specific objectives This includes obfuscation

misdirection the use of metaphor or ambiguity or in some cases simply lying He focuses on six presidents John F Kennedy Richard M Nixon Ronald W Reagan William F Clinton George W Bush and Barack H Obama These presidents cover most of the last half of the twentieth century and the first decade of the twenty first century and each has been associated with a specific linguistic quality John F Kennedy was famed for his quality of oratory Nixon for his manipulative use of language Reagan for his gift of telling stories Clinton for his ability to engage the public and to linguistically turn arguments and descriptions in particular directions Bush on the other hand was famed for his inability to use language appropriately and Obama returns us to the rhetorical flourishes of early Kennedy In the case of each president a range of specific examples are explored in order to highlight the ways in which a pragmatic analysis may provide an insight into presidential language In many cases what the president says is not necessarily what the president means

**American Political Development and the Trump Presidency** Zachary Callen, Philip Rocco, 2020-04-10 Leading political scientists analyze the presidency of Donald Trump and its impact on the future of American politics In virtually all respects the Trump presidency has disrupted patterns of presidential governance However does Trump signify a disruption not merely in political style but in regime type in the United States Assessing Trump's potential impact on democratic institutions requires an analysis of how these institutions including especially the executive branch have developed over time as well as an examination of the intersecting evolution of political parties racial ideologies and governing mechanisms To explore how time and temporality have shaped the Trump presidency editors Zachary Callen and Philip Rocco have brought together scholars in the research tradition of American political development APD which explicitly aims to consider how interactions between a range of institutions result in the shifting of power and authority in American politics with careful attention paid to complex processes unfolding over time By focusing on the factors that contribute to both continuity and change in American politics APD is ideally situated to take a long view and help make sense of the Trump presidency American Political Development and the Trump Presidency features contributions by leading political scientists grappling with the reasons why Donald Trump was elected and the meaning of his presidency for the future of American politics Taking a historical and comparative approach instead of viewing Trump's election as a singular moment in American politics the essays here consider how Trump's election coincides with larger changes in democratic ideals institutional structures long standing biases and demographic trends The Trump presidency as this volume demonstrates emerged from a gradual unsettling of ideational and institutional lineages In turn these essays consider how Trump's disruptive style of governance may further unsettle the formal and informal rules of American political life Contributors William D Adler Gwendoline Alphonso Julia R Azari Zachary Callen Megan Ming Francis Daniel J Galvin Travis M Johnston Andrew S Kelly Robert C Lieberman Paul Nolette Philip Rocco Adam Sheingate Chloe Thurston

**The Rise and Fall of Modern American Conservatism** David Farber, 2012-08-26 The story of modern conservatism through the lives of six leading figures The Rise and Fall of Modern American Conservatism tells the gripping

story of perhaps the most significant political force of our time through the lives and careers of six leading figures at the heart of the movement David Farber traces the history of modern conservatism from its revolt against New Deal liberalism to its breathtaking resurgence under Ronald Reagan to its spectacular defeat with the election of Barack Obama Farber paints vivid portraits of Robert Taft William F Buckley Jr Barry Goldwater Phyllis Schlafly Ronald Reagan and George W Bush He shows how these outspoken charismatic and frequently controversial conservative leaders were united by a shared insistence on the primacy of social order national security and economic liberty Farber demonstrates how they built a versatile movement capable of gaining and holding power from Taft s opposition to the New Deal to Buckley s founding of the National Review as the intellectual standard bearer of modern conservatism from Goldwater s crusade against leftist politics and his failed 1964 bid for the presidency to Schlafly s rejection of feminism in favor of traditional gender roles and family values and from Reagan s city upon a hill to conservatism s downfall with Bush s ambitious presidency *The Rise and Fall of Modern American Conservatism* provides rare insight into how conservatives captured the American political imagination by claiming moral superiority downplaying economic inequality relishing bellicosity and embracing nationalism This concise and accessible history reveals how these conservative leaders discovered a winning formula that enabled them to forge a powerful and formidable political majority Some images inside the book are unavailable due to digital copyright restrictions

**Presidential Rhetoric from Wilson to Obama** Wesley Widmaier,2014-11-13 Over the past century presidential constructions of crises have spurred recurring redefinitions of U S interests as crusading advance has alternated with realist retrenchment For example Harry Truman and George W Bush constructed crises that justified liberal crusades in the Cold War and War on Terror In turn each was followed by realist successors as Dwight Eisenhower and Barack Obama limited U S commitments but then struggled to maintain popular support To make sense of such dynamics this book synthesizes constructivist and historical institutionalist insights regarding the ideational overreactions that spur shifts across crusading excesses and realist counter reactions Widmaier juxtaposes what Daniel Kahneman terms the initial fast thinking popular constructions of crises that justify liberal crusades the slow thinking intellectual conversion of such views in realist adjustments and the tensions that can lead to renewed crises This book also traces these dynamics historically across five periods as Wilson s overreach limited Franklin Roosevelt to a reactive pragmatism as Truman s Cold War crusading incited Eisenhower s restraint as Kennedy Johnson Vietnam era crusading led to Nixon s revived realism as Reagan s idealism yielded to a Bush Clinton pragmatism and as George W Bush s crusading was followed by Obama s restraint Widmaier concludes by addressing theoretical debates over punctuated change historical debates over the scope for consensus and policy debates over populist or intellectual excesses This work will be of great interest to students and scholars of U S Foreign Policy

*The Presidency and the Political System* Michael Nelson,2018-03-08 Written by top notch presidency scholars and carefully edited into a text reader format *The Presidency and the Political System* Eleventh Edition showcases a

collection of original essays focused on a range of topics institutions and issues relevant to understanding the American presidency

*The Passage of Power* Robert A. Caro, 2012-05-01 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD THE LOS ANGELES TIMES BOOK PRIZE THE MARK LYNTON HISTORY PRIZE THE AMERICAN HISTORY BOOK PRIZE One of the New York Times s 100 Best Books of the 21st Century A Kirkus Reviews Best Nonfiction Book of the Century Book Four of Robert A Caro s monumental The Years of Lyndon Johnson displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age A masterpiece The Passage of Power follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career 1958 to 1964 It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin s bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy s decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy s efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy s younger brother portraying one of America s great political feuds Yet Robert Kennedy s overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President With a singular understanding of Johnson s heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro s breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson s eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy s death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson s finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson s life and in the life of the nation *The Passage of Power* is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an

epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro's work confirming Nicholas von Hoffman's verdict that Caro has changed the art of political biography *The 2016 Presidential Election* Amnon Cavari, Richard J. Powell, Kenneth R. Mayer, 2017-10-04 The 2016 Presidential Election The Causes and Consequences of a Political Earthquake critically analyzes the 2016 presidential election The chapters in this book identify key factors behind the election of Donald J Trump explore the unconventional campaign analyze the unexpected election result evaluate the forecasting models and speculate on the effect of the election outcome on politics and governance in the Trump Administration **What is Iran?** Arshin Adib-Moghaddam, 2021-02-25 An introduction to the domestic politics and international relations of Iran unique in its use of art poetry and music **Inventing the American Presidency** Thomas E. Cronin, 1989 In fourteen essays supplemented by relevant sections of and amendments to the Constitution and five Federalist essays by Hamilton provides the reader with the essential historical and political analyses of who and what shaped the presidency *American Presidents and the United Nations* John Moore, Jr., Jerry Pubantz, 2021-07-29 American Presidents and the United Nations Internationalism in the Balance offers a fresh look at the U S UN relationship The current discourse regarding America's linkage with the UN and particularly about the President's influence on the world body has metamorphosed well beyond the conventional conversation of the post World War II generation This book places the UN U S relationship within the evolving fabric of international affairs and American political developments through the 2020 presidential election into the early Biden administration The text integrates analyses of individual presidential politics and presidential foreign policy preferences from Franklin Roosevelt through Donald Trump with congressional responses and seemingly ever accelerating troublesome and often unanticipated international crises Readers will find the latest scholarship primary sourcing as well as synthesis and a fresh analysis of the ongoing and increasingly multifaceted political and intellectual debate about America's role in the world The book spotlights one of the most creative complex and inspired global institutions ever devised by human beings the United Nations and puts it in context with the powerful role of the American presidency Essential for students scholars and general readers alike

Thank you completely much for downloading **Pragmatic Presidency**. Maybe you have knowledge that, people have seen numerous times for their favorite books in imitation of this Pragmatic Presidency, but stop going on in harmful downloads.

Rather than enjoying a fine ebook following a cup of coffee in the afternoon, then again they juggled bearing in mind some harmful virus inside their computer. **Pragmatic Presidency** is clear in our digital library an online right of entry to it is set as public as a result you can download it instantly. Our digital library saves in compound countries, allowing you to get the most less latency period to download any of our books behind this one. Merely said, the Pragmatic Presidency is universally compatible afterward any devices to read.

### Pragmatic Presidency Introduction

Pragmatic Presidency Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Pragmatic Presidency Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Pragmatic Presidency : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Pragmatic Presidency : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Pragmatic Presidency Offers a diverse range of free eBooks across various genres. Pragmatic Presidency Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Pragmatic Presidency Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Pragmatic Presidency, especially related to Pragmatic Presidency, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Pragmatic Presidency, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Pragmatic Presidency books or magazines might include. Look for these in online stores or libraries. Remember that while Pragmatic Presidency, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Pragmatic Presidency eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Pragmatic Presidency full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Pragmatic Presidency eBooks, including some popular titles.

## FAQs About Pragmatic Presidency Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pragmatic Presidency is one of the best book in our library for free trial. We provide copy of Pragmatic Presidency in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pragmatic Presidency. Where to download Pragmatic Presidency online for free? Are you looking for Pragmatic Presidency PDF? This is definitely going to save you time and cash in something you should think about.
