**Prague in Black and Gold** Peter Demetz, 1998 Prague consists of many layers of symbolic sites and buildings which chart the ever evolving historical relationship between Germans Jews Czechs and the imprints left by their many rulers and conquerors as Demetz reveals in this history of the city

**Prague in Black and Gold** Peter Demetz, 1997 Demetz begins with the intriguing myths about Prague s origins told and retold by generations of artists contrasting them with confirmed archaeological truths about the site s pre Roman settlements He weaves together the colorful strands of Prague s literary traditions Latin Czech German and Jewish with the story of its scintillating political and cultural advances and focuses on key moments in its multicultural life under King Charles when it was the capital of the Holy Roman Empire in the turbulent years of the Hussite rebellion under Emperor Rudolf II during the Renaissance when it was home to Europe s best rationalists and most famous occultists in the time of Mozart and in the ages of revolutionary nationalism and of T G Masaryk heroic first president of Czechoslovakia Throughout Demetz shows how Czechs Germans Italians and Jews hve lived and worked together in Prague for a thousand years Jacket

**Prague in Black and Gold** Peter Demetz, 2025-08-22 Prague is at the core of everything both wonderful and terrible in Western history but few people truly understand this city s unique culture In **Prague in Black and Gold** Peter Demetz strips away sentimentalities and distortions and shows how Czechs Germans Italians and Jews have lived and worked together for over a thousand years

and Budapest less central in the Habsburg Empire Moreover it was home to a lively Germanophone intellectual and artistic scene thought the vast majority of its population spoke only Czech By emphasizing the marginality and the centrality of both Einstein and Prague Gordin sheds new light both on Einstein s life and career and on the intellectual and scientific life of the city in the early twentieth century *The Holy Roman Empire* Brian A.
