Etheridge, 2022-04-26 Excerpt from The Targums of Onkelos and Jonathan Ben Uzziel on the Pentateuch With the Fragments of the Jerusalem Targum From the Chaldee Leviticus Numbers and Deuteronomy The holy Pentateuch opens with a sentence which combines the majesty and simplicity of a Divine oracle In the beginning Elohim created the heavens and th cart a sentence whose few but sublime words throw the first beam of light on the otherwise inscrutable mystery of existence and lead us up to the foun tain and cause of created being in God its Author and End About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Holy Bible, Containing the Old and New Testaments Together with the Apocrypha** , 1842

congregations and choruses ever assembled for Christian worship has given us a wealth of experience the result of which we are passing on to you in this volume From the beginning of our song ministry our ambition has been to raise the standard of gospel hymns and songs We realized that this could not be brought about suddenly but must be accomplished through a steady and natural growth While fully appreciating the value of many of the old standard hymns which appear in the hymn section in the larger type we are firmly convinced that the tuneful melodious gospel song must not be lost if we are to attract and retain the interest of young people in the service of song that vital factor of importance to the present and future activities of the church With a reasonable number of new songs together with many of the popular modern favorites we have herein included a large number of the most famous hymns and tunes of the church a combination of both new and old songs that will admirably serve each and every department of the church work and worship

Preface *The Expositions On The Psalms Volume 2*

St. Augustine of Hippo, In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God's people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is volume two out of two covering the Psalms LXXIV through CL
