Praxis Spagyrica Philosophica And From One To Ten:

Praxis Spagyrica Philosophica Ot Plain and Honest Directions on How to Make the Stone Frater

Albertus,1998-02-01 Encompassing two works in one book this volume will interest occult historians and book collectors alike A window on 18th century alchemical practice Albertus s translation of Praxis Spagyrica Philosophica the simple instruction for producing the philosopher s stone mirrors the original text and art of which a facsimile is included making this a worthy primary resource Albertus s copious annotations to the text are of inestimable value when unraveling the more arcane references From One to Ten is Albertus s own treatise on the fundamental manifestation of numbers This work requires a great deal of concentration to follow but it will reward readers with a nonmathematical theory transcending religious and magical systems reaching straight into the heart of numbers themselves

Praxis Spagyrica Philosophica Ot Plain and Honest Directions on How to Make the Stone Albertus,1998-02 Encompassing two works in one book this volume will interest occult historians and book collectors alike A window on 18th century alchemical practice Albertus s translation of Praxis Spagyrica Philosophica the simple instruction for producing the philosopher s stone mirrors the original text and art of which a facsimile is included making this a worthy primary resource Albertus s copious annotations to the text are of inestimable value when unraveling the more arcane references From One to Ten is Albertus s own treatise on the fundamental manifestation of numbers This work requires a great deal of concentration to follow but it will reward readers with a nonmathematical theory transcending religious and magical systems reaching straight into the heart of numbers themselves

The Alchemists Handbook Frater Albertus,1987-06-01 Formerly handed down under oath of secrecy this clear concise handbook discusses the fundamental principles of alchemy directions for the formation of an inexpensive home laboratory with illustrations of the necessary equipment step by step instructions for the work of the Lesser Circulation the alchemical transformation within the plant kingdom the necessary prerequisite for any work in the mineral kingdom

The Path of Alchemy Mark Stavish,2025-08-05 Alchemy offers tremendous insight into alternative therapies new medicines and the depths of the human mind Illuminating a truly esoteric practice Mark Stavish reveals how to create and apply medicines for the soul in this remarkable guide to plant and mineral alchemy The Path of Alchemy introduces the history and basic laws of this ancient practice and explains how it ties into Qabala tarot astrology and the four elements Safe modern techniques based on spagyrics plant alchemy for producing distillations stones tinctures and elixirs are given along with their uses in physical healing spiritual growth psychic experiments initiation consecration spellwork and more Each chapter includes meditations projects and suggested reading as aids to inner transformation an equally important aspect of alchemy Tools rituals lunar and solar stones and the elusive Philosopher s Stone are all covered in this comprehensive guide to alchemy Finalist for the Coalition of Visionary Resources Award for Best Magick Shamanism Book
