

A woman with dark hair and bangs, wearing a dark sleeveless top, is performing on a stage. She is illuminated by a bright spotlight from above. In the foreground, the dark silhouettes of an audience are visible, looking towards the stage. A microphone stand is positioned in front of her. The overall atmosphere is dramatic and focused on the performer.

Pretenders The Isle Of View:

Got Live Album If You Want It! Avram Mednick,2013-11-13 This is Avram Mednick's third non fiction book about music. Go figure since his best instrument is the radio. This one is about live albums one hundred of which he discusses. He seems to be stuck on that number. *The Rough Guide to Rock* Peter Buckley,2003 Compiles career biographies of over 1 200 artists and rock music reviews written by fans covering every phase of rock from R B through punk and rap. *Chrissie Hynde* Adam Sobsey,2017-04-11 Sobsey truly does deliver the goods with this biography. This work is as gloriously comprehensive as it gets on the subject of Chrissie Hynde. PopMatters A musical force across four decades a voice for the ages and a great songwriter Chrissie Hynde is one of America's foremost rockers. Inducted into the Rock and Roll Hall of Fame in 2005 she and her band The Pretenders have released ten albums since 1980. The Pretenders debut LP has been acclaimed as one of the best albums of all time by VH1 and Rolling Stone. In a business filled with pretenders and posers Hynde remains unassailably authentic. Although she blazed the trail for countless female musicians Hynde has never embraced the role of rock feminist and once remarked It's never been my intention to change the world or set an example for others to follow. Instead she pursued her own vision of rock a band of motorcycles with guitars. *Chrissie Hynde A Musical Biography* traces this legend's journey from teenage encounters with rock royalty to the publication of her controversial memoir *Reckless* in 2015. Adam Sobsey digs deep into Hynde's catalog extolling her underrated songwriting gifts and the greatness of The Pretenders early classics and revealing how her more recent but lesser known records are not only underappreciated but actually key to understanding her earlier work as well as her evolving persona. Sobsey hears Hynde's music as a way into her life outside the studio including her feminism signature style vegetarianism and Hinduism. She is a self possessed self exiled idol with no real forbears and no true musical descendants a complete original. **The Encyclopedia of Popular Music** Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day. The Pretenders 1978-1990 Richard Butterworth,2025-05-28 Dinner with David Bowie a kiss from Jackie Wilson close encounters with Iggy Pop Rod Stewart and Ron Wood. She was not even 20 still less a rock goddess but Chrissie Hynde wasn't hanging around. The talented charismatic writer singer escaped Ohio for Britain in 1973 hoping to form a rock n roll band. She befriended journalist Nick Kent designer Vivienne Westwood hustler Malcolm McLaren and famous musicians from Nick Lowe to Lemmy. She wrote for The NME and narrowly avoided becoming Mrs Sid Vicious. Meeting Pete Farndon James Honeyman Scott and Martin Chambers Chrissie finally realised her dream. The Pretenders one of the world's most exciting enduring and best loved rock groups. The Pretenders proved revelatory lashing hard rock to the sexy sassy swagger of streetwise punk and catchy chart busting pop. *Brass In Pocket* was a worldwide hit. America took to its heart the ex pat from the Heartlands as Chrissie became an international star and a reluctant flagbearer for rock's sisterhood. Weathering tragic loss The Pretenders have continued to make great music. Combining dry wit with diligent research and a

deep knowledge of rock music Richard Butterworth appraises The Pretenders turbulent vital early years from Chrissie s arrival in Britain through the band s 1978 birth to 1990 and their fifth album Enjoy the ride The Author Richard Butterworth s grown up career began in advertising first as a paste up artist later as a graphic designer Settling on copywriting for years he reaped the pleasures pains and penury of freelancing As a lifelong believer in the healing and redemptive power of music however he knew that humankind s highest art form would eventually saddle up and ride him into the sunset Today Richard lives in Cornwall with his partner Sue a golden retriever and CD shelf space in managed but perpetual decline He still reads and writes about the music he loved before he was a grown up
