Relationships Jerry D. Lehman, 2005 This introductory textbook is for students who are interested in learning about and establishing healthy marriage family and intimate relationships With divorce rates high and relationships fragile books and courses are needed that help students address important issues regarding relationships The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply to one's life It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful healthy relationships There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations The text provides material on the research of John Gottman the object relations theory of Harville Hendrix the solution focused approach of Michele Weiner Davis and the PREP approach to conflict management of Markman Stanley and Blumberg These and other topics discussed are very relevant to students' concerns and are addressed in greater depth than found in most other texts The emphasis is not just on couple relationships but also on family relationships Therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families There is also material on how change produces transitions in family life that must be assimilated into the family structure for example when a couple has their first child Thus both couple and family issues are addressed throughout the book For instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice A study guide for students and instructional material for instructors can be obtained by visiting www.understandingrelationships.net **Seeking Love, Marriage and Family** FRANTZ

MARS, 2014-06-13 Coming out of the womb we did not come with the knowledge so therefore Love Marriage and Family are things one has to learn The title of this book really describes the book Love Marriage and Family Most people think love is something mysterious love is one of the most used words in the English language but also one of the most confused words Love is a choice since you have to pick who you want to love there are so many types of love Marriage is a vocation vocation means a calling from God in another word you are called to love your spouse to consecrate your life to your partner to commit with intimacy and passion Marriage is not for everyone one of the most problems people are confronted with in a marriage the ladies don't know the purpose of a man in a marriage and the men don't see why a lady is necessary This book exposed the physiques of both genders the ladies can endure more than the guys they are conditioned to carry nurture deliver push sensitive which is of their beauty But the guys are very physical they have strength discipline smart more logical Looking at it they are quite different but they were created to complete each other they will get together and create one human being As Humans God expects us to live as a community which is a product of families When God said love your neighbor as you love yourself if you have to enumerate your neighbor who should be your first neighbor your first should be your spouse then your children So society expects a great participation of your family to have a nice world This book is pretty deep there are so
