J. Girardot,2015-06-26 The Reverend Howard Finster 1916 2001 was called the backwoods William Blake and the Andy Warhol of the South and he is considered the godfather of contemporary American folk and visionary art This book is the first interpretive analysis of the intertwined artistic and religious significance of Finster s work within the context of the American outsider art tradition Finster began preaching as a teenager in the South in the 1930s But it was not until he received a revelation from God at the age of sixty that he began to make sacred art A modern day Noah who saw his art as a religious crusade to save the world before it was too late Finster worked around the clock often subsisting on a diet of peanut butter and instant coffee He spent the last years of his life feverishly creating his environmental artwork called Paradise Garden and what would ultimately number almost fifty thousand works of bad and nasty art This was visionary work that obsessively combined images and text and featured apocalyptic biblical imagery flying saucers from outer space and popular cultural icons such as Elvis Presley Marilyn Monroe Henry Ford Mona Lisa and George Washington In the 1980s and 90s he developed cult celebrity status and he appeared in the Venice Biennale and on the Tonight Show His work graced the album covers of bands such as R E M and Talking Heads This book explores the life and religious artistic significance of Finster and his work from the personal perspective of religion scholar Norman Girardot friend to Finster and his family during the later years of the artist s life *The Second Deluge* Garrett Putman Serviss,1912 The author s best novel and one of the best early treatments of the natural catastrophe theme **The Second Deluge** Garrett P. Serviss,2018-10-05 The Second

Deluge features an eccentric scientist who predicts the coming of a new deluge due to Earth passing through a nebula. He built a new ark and soon enough the rain started. The world drowns and few people remain. **The Goodbye Coast** Joe Ide, 2022-02-01 In this colorful reinvention of a classic Philip Marlowe finds himself tangled in two missing persons cases. Ide has chiseled off the rust while keeping the soul of one of American fiction's icons. Dennis Lehane. The seductive and relentless figure of Raymond Chandler's detective Philip Marlowe is vividly reimagined in present-day Los Angeles. Here is a city of scheming Malibu actresses, ruthless gang members, virulent inequality, and washed-out police. Acclaimed and award-winning novelist Joe Ide imagines a Marlowe very much of our time: he's a quiet, lonely, and remarkably capable and confident private detective, though he lives beneath the shadow of his father, a once-decorated LAPD homicide detective famous throughout the city who's given in to drink after the death of Marlowe's mother. Marlowe, against his better judgement, accepts two missing person cases: the first, a daughter of a faded tyrannical Hollywood starlet, and the second, a British child stolen from his mother by his father. At the center of *The Goodbye Coast* is Marlowe's troubled and confounding relationship with his father, a son who despises yet respects his dad, and a dad who's unable to hide his bitter disappointment with his grown boy. Steeped in the richly detailed ethnic neighborhoods of modern LA, Ide's *The Goodbye Coast* is a bold recreation that is viciously funny, ingeniously plotted, and surprisingly tender. **Awake** Leonard Simmons, 2025-02-11 One day James Donovan wakes up in a cold sweat, his clothes stained with blood. It's not his. He doesn't remember why. Desperate for answers, he digs into his fractured memories, but the deeper he searches, the less he trusts himself. Whispers in the dark. Flickering shadows. A past that refuses to stay buried. As the truth unravels, one terrifying question remains: Was he ever the victim? With a twist so disturbing you'll question everything. *Awake* is a psychological thriller that will pull you deep into the mind of a man on the edge of reality. You think you know the story. You don't. Are you ready to wake up? **Staging History**, 2021-02-08 *Staging History* unites essays by nine specialists in the field of late medieval and early Renaissance drama. Their focus is on English, Dutch, and Humanist German drama, as well as on a modern Swiss adaptation of Shakespeare's *Henry V*. Featuring prominently in this book are plays by, among others, John Bale, Jacob Schoepper, Johannes Agricola, and Jacob Duym. Special attention is also paid to the Croxton Play of the Sacrament and the Dutch *abele spelen*. So far, this topic has not received wide attention within the world of medieval and early Renaissance studies. This exploration aims at arousing more interest in this field by scholars working on European drama from the late Middle Ages and the early Renaissance. **GOD'S TRUTHS AND THE LAST DAYS** Todd West, 2008-07-03 Today people are becoming more and more concerned with the commotion going on in the world. For almost every world event that transpires, there are speculations, predictions, and interpretations that surface, each claiming that it is a prophetic fulfillment of the Bible. Are you like many other people who would like to know what the Bible has foretold but find the Book of Revelation complex and confusing? In *God's Truths and the Last Days*, you will be directed to the Bible to see it from God's perspective. Here you will begin your journey and gain insight to many wonderful

emotionally disturbed and troubled aggressive and transgressive satanic and sardonic laughter We do not ask then what is comic but who laughs at and with whom where when why and how **The Story of Creation** Gibson Callaway Andrews,1900 *Letters to Young Scholars, Second Edition* William Carey Ringenberg,2018-04-05 Letters to Young Scholars is designed primarily for college students advanced high school students and church and parachurch study groups on spiritual development As a college text the book introduces beginning students to the general education or liberal arts portion of a Christian college education It gives major emphasis to the humanities and social science disciplines the integration of the Christian faith with those disciplines and the application of Christian thought to daily living applied Christianity It seeks to challenge the students to become broader in perspective and appreciation more compassionate toward all of God s creatures and more confident and committed as they develop their worldviews and personal values
