The Morning Star and Free Baptist ,1908 *First and Second Kings* Richard D. Nelson,2012-09-03 Richard Nelson examines the books of Kings and treats the text as theological literature emphasizing the literary impact of this important part of the Old Testament canon Nelson recognizes King s as a useful though uncritical source of historical information its purpose to transform the beliefs of its first readers to get them to re evaluate their identity before God *The Christian Advocate* ,1907

History, Buddhism, and New Religious Movements in Cambodia John Marston,2004-06-30 This volume showcases some of the most current and exciting research being done on Cambodian religious ideas and practices by a new generation of scholars from a variety of disciplines The different contributors examine in some manner the relationship between religion and the ideas and institutions that have given shape to Cambodia as a social and political body or nation Although they do not share the same approach to the idea of nation all are concerned with the processes of religion that give meaning to social interaction which in some way includes Cambodian identity Chapters touch on such far reaching theoretical issues as the relation to religion of Southeast Asian polity the nature of colonial religious transformation syncretism in Southeast Asian Buddhism the relation of religious icon to national identity religion and gender transnationalism and social movements and identity among diaspora communities While much has been published on Cambodia s recent civil war and the Pol Pot period and its aftermath few English language works are available on Cambodian religion This book takes a major step in filling that gap offering a broad overview of the subject that is relevant not only for the field of Cambodian studies but also for students and scholars of Southeast Asian history Buddhism comparative religion and anthropology Contributors Didier Bertrand Penny Edwards Elizabeth Guthrie Hang Chan Sophea Anne Hansen John Marston Kathryn Poethig Ashley Thompson Teri Shaffer Yamada

The Second Book of Kings a book whose very title seems to assert the prerogative of male rule is in fact filled with fascinating female characters as well as issues related to gender In this commentary Song Mi Suzie Park argues that an interrogation of the masculinity of YHWH Israel s deity functions as the driving force behind the narrative in 2 Kings While the sufficiency of YHWH s masculinity is affirmed by his military and reproductive prowess it is also challenged and deconstructed through the painful defeats that end the book Through a series of close readings Park elucidates how the story of Israel s monarchic past in 2 Kings unfolds through a process of continual reformulation of masculinity and femininity in relation to YHWH and Israel The holy Bible. Synthetic Bible Studies James Martin Gray,1900 The Books of the Old Testament in Your Palm Ayuba Mshelia,2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God s divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don t you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel s history Why was the Davidic covenant threatened by Bathsheba s marriage and Absalom s insurrection What is your take on Daniel s seventy weeks prophecy Dan 9 24 What does the phrase seven weeks and threescores and two weeks mean to you as used in Daniel s prophecy What about A time times and a half Dan 12 7 appearing in Daniel s prophecy What does Ezekiel s vision about the valley of the dry bones coming to life mean to Israel and to you as a believer The Old Testament begins with the story of creation and life but ends in Malachi 4 6 with a divine threat of a curse

Are you free from that curse as an individual or still under it These are the many compelling and poignant questions laboriously dealt with in the book The Kings of Israel and Judah Harold Lerch, 2025-05-16 This book includes many inspiring stories showing God's great power and love First and Second Kings were originally one book named the Books of the Kings The account begins with a unified kingdom and ends with divided kingdoms followed by Babylonian captivity First Kings covers the reign of Solomon including the building of the First Temple by King Solomon the ministry of Elijah and the reign of Ahab Second Kings contains the record of two great national tragedies the fall of the northern kingdom Israel in 721 BC and the fall of Judah with the destruction of Jerusalem in 586 BC including the destruction of the First Temple Second Kings also contains the account of the ministries of Elijah and Elisha During the period recorded in this book Israel received warnings and exhortations from Amos and Hosea and a number of prophets arose in Judah including Isaiah and Jeremiah The account concludes with the people of Judah in captivity in Babylon
