J. Smith, 2023-03-15 Shively T J Smith reconsiders what is most distinct troubling and potentially thrilling about the often overlooked and dismissed book of 2 Peter Using the rhetorical strategies of nineteenth century African American women including Ida B Wells Jarena Lee Anna Julia Cooper and others Smith redefines the use of biblical citations the language of justice and righteousness and even the matter of pseudonymity in 2 Peter She approaches 2 Peter as an instance of Christian cultural rhetoric that forges a particular kind of community identity and behavior This pioneering study considers how 2 Peter cultivates the kind of human relations and attitudes that speak to the values of moral

Uytanlet, 2023-08-31 2 Peter and Jude though brief are rich resources for understanding the call to live godly and holy lives Importantly they provide essential discussion on false teachers individuals whom many of us today narrowly define based on their unorthodox views or teachings While there is truth in this definition Dr Uytanlet expands on this by skillfully expounding 2 Peter and Jude to show that our understanding of false teachers should be broadened to include lifestyle and character In acknowledging these important areas 2 Peter and Jude demonstrate that false teachers may hold to correct doctrines but their loose morals and abuse of power make them false teachers This key commentary highlights the importance of mining these Catholic Epistles further and expertly brings their messages to an Asian context The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The goal is to strengthen the Body of Christ in Asia by providing a pastoral and contextual exposition of every book of the Bible *Husband, Wife, Father, Child, Master, Slave* Kurt C. Schaefer, 2018-02-15 When the New Testament speaks of slaves and masters is it affirming an institution that we find reprehensible Biblical scholars across the theological and political spectrum generally conclude that the answer is yes And in the same passages the Bible seems to affirm male dominance in marriage if not in society at large This book meticulously places these passages the Bible s household codes in their historical and literary context focusing on 1 Peter s extensive code A careful side by side reading with Rome s cultural equivalent Aristotle s household code reveals both the brilliance of the biblical author and the depth of 1 Peter s antipathy toward slavery and misogyny How to Be Sure You'Re Going to Heaven Michael Taylor, 2017-05-16 One of the most difficult things for us to do is picture ourselves dead lying in a casket about to be placed six feet under the earth The reason why is because we are all to some degree afraid of death So do you know what we do We simply choose not to think about it I mean death can be scary to think about because in the last few moments of our life we have to deal with the inevitable question Will God allow me to enter through those pearly gates into the heavenly city Or will he cast me into hell into unquenchable fire So the real question is How can a person be sure absolutely certain that when they die they will spend eternity in heaven Can a person be sure Yes And that s

why this book has been written It has been written to give you hope and assurance based upon the scriptures that if you receive Jesus Christ as your personal Lord and Savior you will spend eternity in heaven when you die This book provides answers to the following questions How can a person become a Christian How can you be sure you are a Christian How can you be sure you re saved Can a Christian ever lose his salvation Can a Christian sin as much as he wants without consequences Can a Christian be sure he s going to heaven *James- Everyday Bible Commentary* Vernon D.

Doerksen,2019-03-05 What should you as a Christian be thinking saying and doing These are the questions we re all asking and that James is answering And these truths shine brightest when someone is explaining their full context and why it all matters for us now This is what the best preachers do but you don t have to wait until Sunday s sermon Encounter the beautiful depth of James through an enlightening verse by verse commentary from Vernon Doerksen that s both straightforward and insightful You ll gain a new perspective on how James relates to other passages in the Old and New Testament Insights from the original languages Help with the difficult passages And more You don t have to go to seminary to encounter God in exciting new ways through His Word Discover how much more enjoyable your personal study will be with understandable quality Bible commentary for everyday life **1 & 2 Peter and Jude** Livingstone,2021-03-02 The Life

Hartin,2016-03-16 In his commentary on the letter of James Hartin offers a unique approach toward understanding a much neglected writing Refusing to read the letter of James through the lens of Paul Hartin approaches the letter in its own right He takes seriously the address to the twelve tribes in the Dispersion 1 1 as directed to Jews who had embraced the message of Jesus and were living outside their homeland Israel At the same time Hartin shows how this letter remains true to Jesus heritage Using recent studies on rhetorical culture Hartin illustrates how James takes Jesus sayings and performs them again in his own way to speak to the hearers readers of his own world Hartin examines the text passage by passage while providing essential notes and an extensive explanation of the theological meaning of each passage The value of this commentary lies in its breadth of scholarship and its empathic approach to this writing The reader will discover new and refreshing insights into the world of early Christianity as well as a teaching that is of perennial significance Patrick J Hartin was born and raised in Johannesburg South Africa He studied at the Gregorian University in Rome and is an ordained priest of the Diocese of

Spokane Washington He holds two doctorates in Theology in Ethics and in the New Testament both from the University of South Africa Presently he teaches courses in the New Testament and in Classical Civilizations at Gonzaga University He is the author of eleven books including Apollos Paul s Social Network series James of Jerusalem Interfaces series and James First Peter Jude Second Peter New Collegeville Bible Commentary series all published by Liturgical Press *James, 1 & 2 Peter, and Jude (Teach the Text Commentary Series)* Jim Samra,2016-11-15 Focused Biblical Scholarship to Teach the Text The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text The newest New Testament release in this innovative commentary series is Jim Samra s treatment of James 1 2 Peter and Jude *The Letter of Jude* Guy Manuell,2022-09-19 This commentary on The Letter of Jude engages the Greek text and is designed for pastors theological students and lay readers Jude a brother of Jesus warns members of the early Jesus movement against intruders in their midst and exhorts those believers not to deviate from the fundamental tenets of the faith in behavior and belief It also provides a unique analysis that links Jude with 1 Corinthians in terms of their authors literary style Jewish backgrounds and closely correlated descriptions of the errorists described in both letters The Letter of Jude is highly relevant to Christians in the twenty first century Even many of those now calling themselves evangelical have abandoned any pretence to adhering to biblical doctrines This commentary seeks to emphasise Jude message contend for biblical truth and live so that the Gospel of our Lord Jesus Christ is alive true and liberating Nelson's New Illustrated Bible Commentary Thomas Nelson,1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading evangelical scholars don t dodge tough issues alternative views are presented fairly but commentators make their positions clear Attractively Designed Graphics appeal to the sound bite generation and others who aren t traditional commentary readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize important information *A Study of Petrine Christology from Key Texts in 2 Peter* Kelly Adair Seely,2021-10-19 Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst K semann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like K

semann K semann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he she is faced with a beautiful portrayal of Jesus and the Father 2 Peter and Jude Dieudonné Tamfu,2018-08-31 Shorter books in the Bible like 2 Peter and Jude are often overlooked by believers as they flick through pages of Scripture Furthermore because these two books deal with the unpopular theme of God s judgement they end up being further neglected in the believer s life and understanding of Scripture Yet the evils these authors speak about are still very much present in the church in Africa and are no less deserving of judgment today But these books also bear glorious testimony to God s power to preserve his people and encourage us to stay steadfast and conform to the pattern of holiness in which we have been rooted The landmark Africa Bible Commentary compiled the scholarship of seventy African scholars in one volume Now the Africa Bible Commentary Series provides deeper insights into each biblical book explaining the meaning of Scripture in smaller separate volumes The series emphasizes the relevance of biblical concepts for the life of the local church and the case studies and African illustrations accomplish this in ways that mere explanations cannot In addition each commentary is divided into sermon units for easy use in developing a preaching series on the biblical books and includes discussion questions to assist further study **1 & 2 Thessalonians (Brazos Theological Commentary on the Bible)** Douglas Farrow,2020-08-18 The Brazos Theological Commentary on the Bible encourages readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today In this volume one of today s leading theologians offers a theological reading of 1 and 2 Thessalonians As with other series volumes this commentary is designed to serve the church providing a rich resource for preachers teachers students and study groups
