Second Spring A Love Story:

Second Spring Andrew M. Greeley, 2004-05-16 Father Andrew M Greeley one of America's best loved and most widely read novelists has delighted readers with his ongoing chronicles of the crazy O Malleys a rambunctious but resourceful Irish American family caught up in the sweep of modern American history The previous novels in the saga *A Midwinter's Tale* *Younger than Springtime* *A Christmas Wedding* and *September Song* have taken the O Malleys of Chicago from the aftermath of World War II through the tumultuous upheavals of the sixties Now in *Second Spring* Charles Chucky O Malley and his growing clan face the promise and pitfalls of the late seventies It's 1978 and the whole country exhausted from the twin traumas of Vietnam and Watergate seems to be suffering from a massive hangover Chucky O Malley knows how the country feels approaching fifty he finds himself in the grip of a debilitating midlife crisis Although he has much to be thankful for including a loving wife and a thriving career as a professional photographer he does not feel like a success He hasn't lost his faith exactly but he does feel disillusioned and depressed As he travels the world from the Vatican where a new pope is to be selected to Jimmy Carter's White House where an overwhelmed president struggles to find a cure for his nation's malaise Chucky searches for a way to renew his weary spirit Fortunately he doesn't have to face this challenge alone With the loving support of his family and especially his irrepressible and adoring wife Rosemarie he just might rediscover his lost hope and optimism in time for a Second Spring At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Sequels Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **Second Spring** Andrew M. Greeley, *The Chicago of Fiction* James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction* A Resource Guide James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i.e. class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included *Your Library*, 1927 **Irish Stew!** Andrew

M. Greeley,2007-04-01 And what a stew it is Here are some of the ingredients Our heroine Nuala Anne McGrail in her guise as international singing star accompanied by her spear carrying husband Dermot Coyne is off to a major music festival in Milan where they meet Seamus Costelloe a Chicago Irish macher and his family Seamus is no better than he should be and in fact the suspicion is that he s very bad indeed but softhearted Nuala sees the sign of death on him she hasn t lost her ability to see into the future and decides to do something about it She also sees something good in him Which leads to a few hair raising conflicts with some of Chicago s more desperate characters Nuala and Dermot s new baby is premature and dark clouds hover over their sublimely happy marriage Meanwhile Dermot is trying to solve the mystery of Chicago s Haymarket riot which isn t easy since it happened over a hundred years ago Only bestselling author Andrew M Greeley with his knowledge of Ireland and Chicago s unsavory politics plus his uncanny ability to combine two stories one in the present and one in the past and his talent for building mystery and suspense to an almost unbearable degree could have written this truly tantalizing novel At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
