that Traylor believed the Birmingham policemen who killed his son in 1929 in fact lynched him a story that neither Traylor nor his family had previously disclosed The trauma of this event Sobel explains propelled Traylor to find a way to voice his rage and spurred the creation of his powerful mysterious visual language Traylor s encoded paintings tell a vibrant multilayered story of conjure power sexual rivalry and violence Revealing an extraordinarily diverse visual universe the symbols in Traylor s paintings reflect the worlds he lived in between 1853 and 1949 the plantation conjure milieu into which he was born the blues culture in which he matured the world of Jim Crow he learned to secretly violate and the Catholic values he adopted in his final years From his African heritage Traylor drew symbols not readily understood by whites He mixed traditional African images with conjure signs with symbols of black Baptists and Freemasons and with images central to the hidden black protest movement the cross and the lynching tree In this groundbreaking examination of an extraordinary artist Sobel uncovers the internalized pain of several generations and traces the paths African Americans blazed long before the march down the Selma Montgomery highway
