The Defector Richard Kerbaj, 2025-09-04 The Defector is the untold account of how in 1971 the defection of a KGB saboteur in London led to the expulsion of more than a hundred Soviet diplomats from the UK Drawing on newly declassified intelligence documents and dozens of interviews with spymasters The Defector tells a startling story of a Soviet mission to plant fake Kremlin agents within British and American intelligence services the paranoia that ensued and how the actions of a genuine turncoat the former KGB officer Oleg Lyalin and the secrets he revealed resulted to one of the most dramatic and pivotal moments in the Cold War Lyalin led MI5 to rethink its relationship with the CIA And his defection discredited a previous KGB defector Anatoly Golitsyn the darling of the CIA and ultimately destroyed the reputation of the US agency s head of counterintelligence James Jesus Angleton As Richard Kerbaj writes There was a poetic irony in Golitsyn s loss of credibility It came as he had previously feared at the hands of a KGB defector Except Oleg Lyalin had not been sent by the KGB he was running away from it At the heart of Lyalin s story is a narrative entwined with lies disinformation Kremlin deception campaigns intelligence failures by the CIA and MI5 and a tangled love life Told in full here for the first time by one of this country s leading commentators on national security it reveals how during the darkest moments of the Cold War one of the West s greatest achievements transpired as a result of MI5 s break with the CIA The disclosure of the inside story of

Free Woman Lara Feigel, 2018-05-08 A genre defying memoir in which Lara Feigel experiments with sexual intellectual and political freedom while reading and pursuing Doris Lessing How might we live more freely and will we be happier or lonelier if we do Re-reading The Golden Notebook in her thirties shortly after Doris Lessing's death Lara Feigel discovered that Lessing spoke directly to her as a woman a writer and a mother in a way that no other novelist had done At a time when she was dissatisfied with the conventions of her own life Feigel was enticed by Lessing's vision of freedom Free Woman is essential reading for anyone whose life has been changed by books or has questioned the structures by which they live Feigel tells Lessing's own story veering between admiration and fury at the choices Lessing made At the same time she scrutinises motherhood marriage and sexual relationships with an unusually acute gaze And in the process she conducts a dazzling investigation into the joys and costs of sexual psychological intellectual and political freedom This is a genre defying book at once a meditation on life and literature and a daring act of self exposure

Soviet Defectors Vladislav Krasnov, 2018-04-01 The topic of defection is taboo in the USSR and the Soviets are anxious to silence downplay or distort every case of defection Surprisingly Vladislav Krasnov reports the free world has often played along with these Soviet efforts by treating defection primarily as a secretive matter best left to bureaucrats As a result defectors human rights have sometimes been violated and U.S. national security interests have been poorly served

Ekins,2012-10-11 The idea of legislative intent plays a central role in legal interpretation and constitutional theory yet is repeatedly challenged as being an illusion Refuting these challenges this book develops a robust account of how and why legislatures form intentions and the importance of these intentions to understanding law and parliamentary democracy
