The Secret Channel Mike Williams, 2008 During the Second World War a great secret was kept from the Nation and the enemy Unknown to a war torn Britain another war of intrigue covert operations spies intelligence gathering and daring was being fought The battlefield was the English Channel Under great secrecy an elite force of men and women were gathered on the remote coastline of the Scilly Isles These men and woman British and French courageously kept open secret channels between England and France during the Second World War The Special boat Operations SBO was central to British Naval strategy and planning which operated in a secret and dangerous world at a time when Churchill demanded that we set Europe ablaze The SBO was a radical departure from Royal Navy tradition but their

ingenuity indomitable spirit loyalty and success was a major factor in the final success of the invasion of Europe by Allied force This thrilling fictional account is based on true events Mike Williams a surviving member of the SBO has created characters that live on the page and brilliantly evoke the dangerous waters and desperate times in which the men and women lived and sometimes lost their lives **Paperbacks in Print** ,1975 [Ella and Lara's Secret](#) John Kennedy,2011-06 Part of the Cassie and James series Only this follows the exploits of James s little sister Ella *Paperbacks for Children - Two to Eleven* Elaine Moss,1973 *Puffin Book of Folktales* ,2013-03-15 Explore an exciting and beautiful underwater world with Panna Watch little blue bird Podna fight a mighty king for his little brown Podni Join Lord Ganesha on his quest for a pot of kheer Read about lovelorn Lord Surya pining for his Harshringar leaving the world in darkness Help the dove get her egg back **Farewell Mr Puffin** Paul Heiney,2021-07-08 It would be hard to imagine a more thoughtful intelligent and companionable person to go to sea with than Paul Heiney Bill Bryson High comedy on the high seas Informative and warm and freezing It s quite a combination Griff Rhys Jones The puffin is the joker amongst the seabirds of the north Atlantic but what is happening to this much loved bird is far from a laughing matter This is the conclusion of writer and broadcaster Paul Heiney who set sail from the east coast of England bound for Iceland propelled by a desire to breathe the cool clear air of the high latitudes and to follow in the wake of generations of sailors who have made this often treacherous journey since the 13th century In almost every harbour he tripped over maritime history and anecdote and came face to face with his own past as he sailed north along his childhood coastline of east Yorkshire towards the Arctic Circle But there was one major thing missing from this voyage the sight of puffins They are remarkable birds uplifting as a ray of sunshine after a storm To see them and share their waters was also part of Heiney s ambition Imagine then his disappointment when first no puffins appeared off the Farne Islands then none to be seen on puffin hotspots like Orkney When he failed to see puffins on Iceland it was the last straw and he started to become seriously concerned Heiney senses that a new chapter is about to be written and it is one in which we may have to say farewell to the puffin forever This book is rich in travel and sailing narrative natural and social history and with a strong undercurrent of good humour It provides not only an insight into the private life of the puffin but an honest portrait of human life on the ocean waves as well as a reflection on what we might lose if the puffin disappears from our icy northern waters **Whitaker's Cumulative Book List** ,1970 **Reading for Enjoyment for Six to Eight Year Olds** ,1970 *Puffin Bay* Annie Dyer,2023-12-01 Heartbreak led me to Puffin Bay searching for peace in a small coastal town Four years later my bar is thriving and my next business is just what the town needs It doesn t need Roman Tominey Arrogant city boy suit wearing grump he knows how to push every one of my buttons and after an evening of bad decisions he knows how to push that one too When Roman s newly found teenage son joins him Roman s summer stay is extended We spend the days arguing over a building project the local council insist we do together and the evenings with him sneaking into my room Then Roman s ideas for Puffin Bay s development cause all out war between us Those sparks between us They
