Mystery and Secrecy in the Nag Hammadi Collection and Other Ancient Literature: Ideas and Practices Christian H. Bull, Liv Lied, John D. Turner, 2011-10-28 Mystery and secrecy were central concepts in the ritual rhetoric and sociological stratification of antique Mediterranean religions That the ultimate nature and workings of the divine were secret and either could not or should not be revealed except as a mystery for the initiated was widely accepted among Pagans Jews and then Christians both Gnostic and otherwise The similarities and differences in the language of mystery and secrecy across religious and cultural borders are thus crucial for understanding this important period of the history of religions The present anthology aims to present and analyze a wide selection of sources elucidating this theme reflecting the correspondingly wide scholarly interests of Professor Einar Thomassen in honor of his 60th birthday **Der Same Seths** Gesine Schenke

Robinson, Gesa Schenke, Uwe-Karsten Plisch, 2012-06-08 During a lifetime of scholarship and teaching Hans Martin Schenke produced a large number of publications in the fields of New Testament Gnosticism and Coptology This collection of his essays and book reviews bears witness to his love for the linguistic aspects of Coptology and illustrates his wide ranging interest in the development of early Christianity His insights and deep understanding of Gnostic beliefs and systems as a background for interpreting the New Testament make his contributions to this discipline very rewarding and indispensable reading Im Laufe seines langen wissenschaftlichen Lebens hat Hans Martin Schenke eine Fülle von Veröffentlichungen in den Bereichen Neues Testament Gnosisforschung und Koptologie hervorgebracht Die hier vorliegende Sammlung seiner Aufsätze und Rezensionen bekundet den Reichtum seines Schaffens Sie zeugt von seiner Liebe zur koptischen Linguistik und veranschaulicht die Spannweite seines Interesses an der Entwicklung des frühen Christentums Seine tiefe Kenntnis gnostischer Vorstellungen und Systeme als Hintergrund für das Verständnis des Neuen Testaments lässt seine Beiträge zu einer unentbehrlichen Fundgrube und seine Einsichten zu einem lohnenden Lesevergnügen werden **Secret Gospels**

Marvin Meyer, 2003-02-01 Marvin Meyer is one of the leading experts on the secret gospels Gospel of Thomas Secret Gospel of Mark and others who has changed forever how we read the canonical gospels and understand early Christianity In this new collection of his work Meyer looks at these revolutionary texts in original and illuminating ways He writes for example about the naked youths in the villa of the Mysteries On the walls of a villa in Pompeii a famous mural depicts a naked male reading from a scroll a look of wonder on his face A naked youth again appears in the Gospel of Mark abandoning his

garment and fleeing naked when apprehended during Jesus arrest A similar youth appears in the Secret Gospel of Mark These youths Meyer proposes serve as an image of religious initiation candidates for the mysteries of Dionysus or of Christ This is one of the many aspects of the secret gospels that Meyer examines with expert insight and creativity Topics range from gender and infancy stories to discipleship and the relationship of the Gospel of Thomas to Islamic literature Meyer s spellbinding readings of these materials offer fresh understandings of the canonical gospels Marvin Meyer is Griset Professor of Bible and Christian Studies and Director of the Albert Schweitzer Institute at Chapman University Orange California He is author of The Secret Teachings of Jesus Four Gnostic Gospels and The Gospel of Thomas The Hidden Sayings of Jesus and co editor of Jesus Then and Now Trinity Press International

The Secret History of Lucifer (New Edition) Lynn

Picknett,2012-03-01 In her new account of an old religion Lynn Picknett explains that Lucifer means the light bringer and was a personification of the Morning Star the planet Venus and its goddess He was originally she a divine representation of love light and human warmth The early Christian Church appropriated the name Lucifer and it became synonymous with darkness and the Devil Yet many great thinkers have covertly followed the old Luciferan way most famously Leonardo da Vinci who encrypted the symbols of his heretical beliefs in his work visible only to those who have the key

The Three Pillars Barbara J. Sivertsen,2010-05-10 The Three Pillars How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonean high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church s earliest leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter s son She discusses Mark s footprint in this Gospel and how Mark s resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book s final chapter offers reflections on how kinship played an important role in Jesus ministry and how the high priestly leadership responded to him in part because of his family lineage

gospels Paul early Christianity and biblical interpretation R is nen s own research has been characterized by methodological awareness combined with a keen interest in ethical issues Both these aspects come to expression in his insistence on fair play as a correct scholarly attitude involving an honest dialogue a real encounter and a recognition of diverging opinions In this spirit most of the essays in this book lay emphasis on issues related to early Christian diversity and conflicts and to their challenge in modern society The book is useful for scholars academic teachers and students interested in various aspects of the New Testament early Christianity and hermeneutics **Mary, the Essene Virgin** Olivier Manitar,2009-09 Was The Virgin Mary really the naive woman established religions have depicted No Mary was an Essene a high level initiate a healer and an authentic Master What do we truly know of the one whom history calls the mother of God Thanks to his capacity to penetrate the soul of a being the author raises a corner of the veil and blows away the dust of all the false beliefs that we have been inculcated about her With him we plunge into the richness and beauty of her inner life and we discover a fascinating world of sensitivity joy and ecstasy This remarkable woman is a genuine jewel capable of enriching our lives

Hedrick,Robert Hodgson,2005-10-17 This book acquaints the beginner with the topic of gnosticism and early Christianity and presents to the specialist some of the new frontiers their colleagues are exploring For the beginner there is a concise introduction to gnosticism It covers the issues of origin literature leading ideas and possible links with early Christianity Each contributor has prepared a preface to his or her paper that points to its salient features and explains how the essay fits into the overall subject of the book from the Preface Mariam, the Magdalen, and the Mother Deirdre Joy Good,2005 Revelatory essays on the Mary figures of the Bible *The Resurrection of Mary Magdalene* Jane Schaberg,2004-08-31 The controversy surrounding Dan Brown s novel The Da Vinci Code has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework The Resurrection of Mary Magdalene approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy Secret Societies and Subversive Movements Nesta Helen Webster,1928 **The Subversive**

Gospel Tom Hanks, 2009-01-19 What do the New Testament writers actually teach about 1 the poor 2 women and 3 sexual minorities Why do traditional commentaries and introductions so often ignore or treat superficially such burning questions churches grapple with today Must we seek out specialized monographs to get adequate information and satisfactory answers in each area At last in a single volume Tom Hanks brings together the fruit of decades of study examining each New Testament book in each of these three crucial areas which often overlap in human experience Latin American male liberation theologians often forget that the option for the poor may involve solidarity with a lesbian of color who wants to be ordained Building on his pioneering study on oppression and poverty in Biblical theology Orbis 1984 Wipf 2000 and his Anchor Bible Dictionary article on Poverty in the New Testament which the New York Times review commended for its balance Hanks analyzes the teaching of each New Testament book regarding the main cause of poverty oppression and the variety of liberating Christian responses Feminist and womanist studies are mined to highlight the presence absence and role leadership of women in each New Testament book The remarkable absence of modern notions of family and family values in the New Testament books is emphasized along with the prominence of sexual minorities as authors and subjects of the New Testament books L William Countryman comments regarding the poor women and sexual minorities Tom Hanks has brought these issues to the exegesis of the New Testament in a sustained and orderly fashion He demonstrates beyond question that most of the New Testament authors were not interested in maintaining the household structures of the ancient Mediterranean and that indeed most of the individuals presented in the New Testament documents would not have seemed to be models of family values either in their time or today The works of Hanks and Theodore W Jennings with their detailed and careful argumentation show that excellent work is being done in this vein However surprising their conclusions may be to casual readers or offensive to readers protecting what they conceive as orthodoxy they are in fact deeply grounded in attentive scholarly work Dirt Greed Sex Minneapolis Fortress 2007 p 251 252 **The True Christian Gospel** Orlando A. Robertson, 2012-09-07 **An Introduction to Language in the Johannine Community** David Kaczmarek, T.O.R., 2008-04-30 The Bible is probably the most enduring book in all of Western History yet modern day readers can easily forget that each book of the Bible is the product of inspired yet very human authorship This is particularly evident in the New Testament as inspired authors address the real needs of their communities through their work Biblical scholar Fr David Kaczmarek T O R examines how the authorship of the Gospel according to John using the evolving language concepts of their Christian community told the story of Jesus in unique fashion and responded to issues in the life of the local church **God's Best Secrets** Andrew Murray, 1923 **The Beloved Disciple** James H. Charlesworth, 1995 The Gospel of John refers five times to the disciple whom Jesus loved From the second through the present century scholars have sought to identify this disciple traditionally concluding that he is the author of the Gospel and is indeed none other than John the son of Zebedee In recent phases of research however the identification of the Beloved Disciple with John the son of Zebedee has been exposed

as weak and unpersuasive Yet according to James Charlesworth even this new research is problematic in that it tends to ascribe priority in discerning the meaning of the Gospel of John to documents other than the Gospel itself Moreover this research tends to impute historical accuracy to documents that were not primarily intended to present histories Based on extensive research then Professor Charlesworth has concluded that the primary texts in the Gospel of John and the reflections of modern scholars indicate that any identification of the Beloved Disciple whether with one of the disciples specified in the Gospel with one who is anonymous in this Gospel or with some symbolic theme must provide credible answers to eight questions BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
