Shakespiritualism J. Department of Printed Books,1967 **The British Library General Catalogue of Printed Books to 1975** British Library,Jim Emmett,1979 A Second Jacobean Journal V5 Harrison,2013-10-08 First published in 1958 This is the final Volume V of a collection of Elizabethan and Jacobean journals from 1591 to and 1610 and includes an Elizabethan journal being a record of those things most talked of during the years 1607 1610 *Shakespeare's Sonnets: a Record of 20th-century Criticism* Tetsumaro Hayashi,1972 The Times Literary Supplement Index, 1902-1939 ,1978

The National Union Catalog, Pre-1956 Imprints Library of Congress,American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee,1971 *English editions. English Shakespeariana, A. - Finzi* Birmingham Shakespeare Library,1971 Shakespeare British Museum. Department of Printed Books,1964 **A Course of Severe and Arduous Trials** Lynn Brunet,2009 The artist Francis Bacon 1909 1992 and the writer Samuel Beckett 1906 1989 both convey in their work a sense of foreboding and confinement in bleak ritualistic spaces This book identifies many similarities between the spaces and activities they evoke and the initiatory practices of fraternal orders and secret societies that were an integral part of the social landscape of the Ireland experienced by both men during childhood Many of these Irish societies modelled their ritual structures and symbolism on the Masonic Order Freemasons use the term spurious Freemasonry to designate those rituals not sanctioned by the Grand Lodge The Masonic author Albert Mackey argues that the spurious forms were those derived from the various cult practices of the classical world and describes these initiatory practices as a course of severe and arduous trials This reading of Bacon s and Beckett s work draws on theories of trauma to suggest that there may be a disturbing link between Bacon s stark imagery Beckett s obscure performances and the unofficial use of Masonic rites **James I** S.J. Houston,2014-09-19 Since publication in 1973 James I has established itself as one of the most popular short accounts of James I s reign The First Edition was described by John Morrill as a far better shrewder more incisive account of the reign than the available competition *Seventeenth Century Britain* 1980 The text has now been entirely rewritten to take account of the latest historiography and students will continue to welcome this

accessible analysis of the problems weaknesses and achievements of James I as it enables them to participate in the revisionist arguments that make the study of this period so stimulating
