Secret Middle Ages:

The Secret Middle Ages Malcolm Jones, 2002 This book offers a major reassessment of the high medieval period and as such is not only important to specialists but has much to appeal to the general reader It is essential reading for medievalists and those interested in the history of language and customs **BOOK JACKET** **Secret Societies of the Middle Ages**

Thomas Keightley, 2012-08-31 This is Thomas Keightley's history of three secret societies of the Middle Ages the Assassins the Templars and the Fehmgerichte A well researched and detailed work on secret societies Keightley gives a rather contemporary view and with Dan Brown's *The Da Vinci Code* bringing secret societies to the attention of modern audiences over recent years this ebook is even more interesting to readers today The Assassins chapter begins by introducing the state of the world in the Seventh Century a brief history of Islam and Keightley then goes on to discuss many of the influential members as well as the organisation of the society In the chapter on The Templars Keightley is critical of Medieval Christianity and the Christian thought which fueled the Crusades Keightley presents an interesting case for the respect and bravery of the Templars and their unjust trial and subsequent dissolution The chapter introduces the Templars their heroism the classes of the Templars and provinces The shorter final chapter on The Secret Tribunals of Westphalia is perhaps the most interesting through examining this little known group which helped to preserve order during a period of chaos in Germany in the 14th and 15th centuries The Paranormal the new ebook series from F W Media International Ltd resurrecting rare titles classic publications and out of print texts as well as new ebook titles on the supernatural other worldly books for the digital age The series includes a range of paranormal subjects from angels fairies and UFOs to near death experiences vampires ghosts and witchcraft **Secret Societies of the Middle Ages** Keightley Thomas, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Secret Societies of the Middle Ages* Thomas Keightley, 2017-10-09 **Secret Societies of the Middle Ages**

Secret Societies of the Middle Ages. [By Thomas Keightley.] With illustrations. New edition Thomas Keightley, 1848 **Secret Societies of the Middle Ages (Classic Reprint)** Thomas Keightley, 2017-05-30 Excerpt from *Secret Societies of the Middle Ages* If we had the means of investigating historically the origin of Secret Societies we should probably find that they began to be formed almost as soon as any knowledge had been accumulated by particular individuals beyond what constituted the common stock The same thing has happened to knowledge that has happened to all other human possessions its actual holders have striven to keep it to themselves It is true that in this case the possessor of the advantage does not seem to have the same reason for being averse to share it with others which naturally operates in regard to many good things of a

different kind he does not by imparting it to those around him diminish his own store This is true in so far as regards the possession of knowledge considered in its character of a ml good the owner of the trea sure does not impoverish himself by giving it away as he would by giving away his money but remains as rich as ever even afier he has made ever so many others as rich as himself But still there is one thing that he loses and a thing upon which the human mind is apt to set a very high value be M the distinction which he derived from his howledge About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Cultural History of Sexuality in the Middle Ages Ruth Evans,2012-03-01 Historians of sexuality have often assumed that medieval people were less interested in sex than we are But people in the Middle Ages wrote a great deal about sex in confessors manuals in virginity treatises and in literary texts This volume looks afresh at the cultural meanings that sex had throughout the period presenting new evidence and offering new interpretations of known material Acknowledging that many of the categories that we use today to talk about sexuality are inadequate for understanding sex in premodern times the volume draws on important recent work in the historiography of medieval sexuality to address the conceptual and methodological challenges the period presents A Cultural History of Sexuality in the Middle Ages presents an overview of the period with essays on heterosexuality homosexuality sexual variations religious and legal issues health concerns popular beliefs about sexuality prostitution and erotica

Secret Thomas Keightley,2020-11-05 This is Thomas Keightley s history of three secret societies of the Middle Ages the Assassins the Templars and the Fehmgerichte The Assassins was a shadowy group based in a remote stateless area practicing a radical variant of Islam and promising their followers a reward in the hereafter if they died in battle This club has obvious modern parallels Of interest also will be Keightley s treatment of the Templars an organization of crusaders who at their height controlled huge wealth and influence from the British Isles to the Holy Land They where the 1% ers of their time And the short section on the medieval German Fehm gerichte is fascinating This organization of secret tribunals in a lawless time had a reputation for hard and fast justice much like the vigilantes of the American wild west

Notoir Books is a publisher of books on topics of esoteric interests eccentric memoirs overlooked history and distinctive voices

Secrets of the Middle Ages James Harpur,Elizabeth M. Hallam,2000 This work looks at history from the fall of Rome to the destruction of Constantinople Topics covered include chivalry war religion and the crusades

The Very Secret Sex Lives of Medieval Women Rosalie Gilbert,2020-10-27 A wickedly entertaining informative and thought provoking look at romance courtship and other intimacies behind closed Medieval doors Dr Markus Kerr PhD MDR Were medieval women slaves to their husband s desires jealously secured in a chastity belt in his absence Was sex a duty or could it be a pleasure Did a woman have a say about her own female sexuality body and who did or didn t get up close and personal with it No And yes It s complicated The intimate lives of medieval women were as complex as for modern women They loved and lost hoped and schemed were lifted up and cast down They were hopeful and lovelorn Some had it forced upon them others made aphrodisiacs and dressed for success Some were chaste and some were lusty Having sex was complicated Not having sex was even more so Inside The Very Secret Sex Lives of Medieval Women a fascinating book about life during medieval times you will discover tantalizing true stories about medieval women and a myriad of historical facts Learn about The true experiences of women from all classes including women who made history The dos and don ts in the bedroom Sexy foods and how to have them All you need to know for your wedding night and well as insider medical advice How to get pregnant and how not to and more Quite compelling and hilariously funny I have been chuckling out loud and my husband says he thinks he ought to read it if it s such a tonic God forbid Susanna Newstead author of the Savernake Novels

Secret

New York Robert Sietsema,1999 There are dozens of published guides to New York City nearly all of them covering the same well trodden territory of pricey restaurants major hotels and shopping Here New York insider and Village Voice columnist Robert Sietsema has assembled a topic focused book to get the most bang for your buck from cheap eats or hidden sites to Metrocards

Secret Societies of the Middle Ages [by T. Keightley] Thomas Keightley,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1848 edition Excerpt Ancient times present us with no other society of any importance to which we can properly apply the term secret The different sects of the Gnostics who are by the fathers of the church styled heretics were to a certain extent secret societies as they did not propound their doctrines openly and publicly but their history is so scanty and so devoid of interest that an examination of it would offer little to detain ordinary readers The present volume is devoted to the history of three celebrated societies which flourished during the Middle Ages and of which as far as we know no full and satisfactory account is to be found in English literature These are the Assassins or Isma ilites of the East whose name has become in all the languages of Europe synonymous with murderer who were a secret society and of whom we have in general such vague and indistinct conceptions the military order of the Knights Templars who were most barbarously persecuted under the pretext of their holding a secret doctrine and against whom the charge has been renewed at the present day and finally the Secret Tribunals of Westphalia in Germany concerning which all our information has hitherto been derived from the incorrect statements of dramatists and romancers It is the simplicity of truth and not the excitement of romance that the reader is to expect to find in the following pages pictures of manners and modes of thinking different from our own knowledge not mere entertainment yet as large an infusion of the latter as is consistent with truth and instruction Since the present work was prepared a translation of Von Hammer s History of the Assassins has been published by Dr Oswald Charles Wood THE ASSASSINS CHAPTER I State of

Translations of Authority in Medieval English Literature Alastair

Minnis,2009-03-19 Minnis presents the fruits of a long term engagement with the ways in which crucial ideological issues were deployed in vernacular texts He addresses the crisis for vernacular translation precipitated by the Lollard heresy Langland s views on indulgences Chaucer s tales of suspicious saints and risible relics and more English Medieval Misericords Paul Hardwick,2011 Misericord carvings present a fascinating corpus of medieval art which in turn complements our knowledge of life and belief in the late middle ages Subjects range from the sacred to the profane and from the fantastic to the everyday seemingly giving equal weight to the scatological and the spiritual alike Focusing specifically on England though with cognisance of broader European contexts this volume offers an analysis of misericords in relation to other cultural artefacts of the period Through a series of themed case studies the book places misericords firmly within the doctrinal and devotional milieu in which they were created and sited arguing that even the apparently coarse images to be found beneath choir stalls are intimately linked to the devotional life of the medieval English Church The analysis is complemented by a gazetteer of the most notable instances Dr Paul Hardwick is Professor in English Leeds Trinity University College

Water in Medieval Literature Albrecht Classen,2017-08-15 Ecocritical thinking has sensitized us more than ever before to the tremendous importance of water for human life as it is richly reflected in the world of literature The great relevance of water also in the Middle Ages might come as a surprise for many readers but the evidence assembled here confirms that also medieval poets were keenly aware of the importance of water to sustain all life to provide understanding of life s secrets to mirror love and to connect the individual with God In eleven chapters major medieval European authors and their works are discussed here taking us from the world of Old Norse to Irish and Latin literature to German French English and Italian romances and other narratives

Medieval Bodies: Life and Death in the Middle Ages Jack Hartnell,2019-11-12 With wit wisdom and a sharp scalpel Jack Hartnell dissects the medieval body and offers a remedy to our preconceptions Just like us medieval men and women worried about growing old got blisters and indigestion fell in love and had children And yet their lives were full of miraculous and richly metaphorical experiences radically different from our own unfolding in a world where deadly wounds might be healed overnight by divine intervention or where the heart of a king plucked from his corpse could be held aloft as a powerful symbol of political rule In this richly illustrated and unusual history Jack Hartnell uncovers the fascinating ways in which people thought about explored and experienced their physical selves in the Middle Ages from Constantinople to Cairo and Canterbury Unfolding like a medieval pageant and filled with saints soldiers caliphs queens monks and monstrous beasts this book throws light on the medieval body from head to toe revealing the surprisingly sophisticated medical knowledge of the time Bringing together medicine art music politics philosophy religion and social history Hartnell s work is an excellent guide to what life was really like for the men and women who lived and died in the Middle Ages Perfumed and decorated with gold fetishized or tortured powerful even beyond death these medieval bodies are not passive and buried away they can still teach us what it means to be human

Facing up to the

History of Emotions Stephanie Downes, Stephanie Trigg, 2023-12-26 This book brings together several strands of medieval and medievalist work in the history of emotions with a focus on literary historical and cinema studies It asks how we may best face up to work that has been done already in these fields and speculates about work that might yet be done especially by medievalists working across medieval and postmedieval sources In the idiom facing up its editors evoke the impulse to assess and realize the place of medieval studies in the burgeoning field of emotions research Conceptually psychologically and artistically the face is perceived as being at the forefront of many human interactions and emotional practices as such the face is not only a powerful conceptual site for theorizing human relationships past and present or a site for the representation of emotion it is itself a catalyst for feeling As such the contributions gathered here provide a cutting edge reflection on the history of medieval emotions

Delve into the emotional tapestry woven by in **Secret Middle Ages** . This ebook, available for download in a PDF format (*), is more than just words on a page; it is a journey of connection and profound emotion. Immerse yourself in narratives that tug at your heartstrings. Download now to experience the pulse of each page and let your emotions run wild.
