mysterious word a strange light danced in his ghostly eyes like two circles of moonlight His airy hand could only touch the threads of interest that entangled his own existence but he reached out as if to touch the idea that had formed in the night air It was a name that was wrapped in mystery a riddle that called with a strong pull Sammy had a golden heart and was known for being very curious and always wanting to make friends with living people He d spent a lot of starry nights making people in Whispering Pines happy his happy personality a bright spot in the town s creepy darkness Still just the thought of the Spooky Ghost School made him more interested than even his constant ghostly grin Sammy couldn t help but wonder what secrets were behind the big gates of the Spooky Ghost School as he floated there listening to the crickets and the wind In its abstract form the name made me think of a cold but exciting feeling like the touch of cold air on a winter night What was this place and how come he had never heard of it Thoughts like ghostly wraiths flew through his phantom mind and the more he thought about it the greater the pull toward the unknown became It was a pull on his spirit existence that made him want to go into parts of the otherworldly he hadn t seen yet Sammy made a secret promise to himself at that moment a promise that would lead him on an amazing trip into the heart of the Spooky Ghost School He had no idea that this choice would lead him on an adventure that would show him not only the secrets of the ghost business but also how good he was at being a ghost himself The Spooky Ghost School was waiting for him shrouded in mystery and steeped in magic While the moon continued to watch over Whispering Pines from the sky Sammy s ghostly form began its trip into the unknown led by whispers of the mysterious school s name The Spooky Ghost School was a place with a lot of history and mystery It was hidden somewhere in the ethereal areas beyond the living world Few ghosts knew it existed and even the most experienced ghosts shivered when they heard its name whispered The school s history had been lost to time and its beauty was covered by layers of phantom magic The school was a large impressive mansion made of moonlight and starlight It was in a spectral dimension that linked to the mortal realm Its design was a strange mix of Gothic towers and Victorian elegance and the walls sparkled like mist The huge gates were made of airy iron and the beautiful writing on them seemed to move and change with every ghostly breeze
