Secret Scars Courtney Gallimore, 2012-08-09 Sometimes I wonder what it will feel like when you find the one You know your soul mate the love of your life Will you feel it in his kiss His touch His laughter His smile Now after everything that has happened I look at myself and I look at him The tingling in my lips lasts for days when he kisses me The warmth of his hands is always with me He is the one who isn't just there in the light but the one who comes closer during the darkest hours I love not only who he is but who I am when I am with him The only thing that frightens me is my secrets getting out Because a secret can destroy a relationship in seconds
